Miss Ella McDonough improving. The condition of Miss Ella McDonough, who was injured last Friday by a Delaware and Hudson Gravity train, is somewhat improved. She gained strength so that it was thought best to amputate the right leg. Dr. J. A. Kelly performed the operation, assisted by Drs. Gardner, of Scranton; Niles, Lamb and Morrison, of this city. The result is doubtful, but her condition is more favorable than before the amputation.

Training School for Nurses.

The training school for nurses has been carried in successfully during the past year. Four efficient young ladies will soon graduate from the institution. Miss Grace Briggs, Miss Edith Howell, Arantha Dwyer and Swingle. The final examinations are now going on and the commencement exercises will ere long be held. Dr. Glinnen, of New York, arrived yesterday and is now filling the position of physician, lately held by Dr. Holloway.

Will Work on Three-Quarter Time.

The Delaware and Hudson colliers and the Gravity railroad commenced working yesterday on three-quarter time. The order was received by the officials on Saturday. This is an advance, and it is thought that the colliers will shortly work longer time. The business men of the city and all employed will welcome the improvement for which there has been long waiting.

The "New Shoe Store" Closed.

The "New Shoe Store" of Sigmund Kirch on South Main street was closed by the sheriff yesterday afternoon. The execution was issued at the instance of Adolph Marcus, of Scranton, on a judgment for \$650. The sale of the stock will take place next Monday.

HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and secures pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night urinate. The mild and the extraordinary effect of Swamp Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail. Mention the Scranton Tribune and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

"Which is precisely what I was going to remark. It's a humblin' thing ter own up to. I'm a kleptomane, an' ef I was ter put my hands on that swag, I'd be sure ter steal it."—Washington Star.

When love knocks at a woman's heart he usually comes in disguise. Doctor's Favorite Prescription will tell you what he's up to. If she knew all that he is doing, would she let him in? That's a question. Women are apt to look upon love as a matter of sentiment and affection. That is pretty nearly right; but there is a practical side to it; and the best way to preserve the ideal aspect of marriage and maternity is not to forget the practical part of it. A woman cannot be a thoroughly happy wife and mother unless she has the distinctive physical organism of her sex in a healthy and vigorous condition. The best friend that a woman ever had is the "Favorite Prescription" of Dr. R. V. Pierce, Chief Consulting Physician of the Invalids' Hotel and Surgical Institute, Buffalo, N. Y. The "Favorite Prescription" is a perfect and infallible remedy for every form of "female weakness." It cures, restores health and strength to the internal organism, which cannot be reached by local applications. It is a radical, complete and permanent cure in every case.

Dr. Pierce's eminent reputation as a physician of wide learning; and his special knowledge of the delicate and intricate organism of women, accounts for the unparalleled confidence, which women place in his "Favorite Prescription." It overcomes the cause of disease, and obviates the necessity of "local treatments" and the stereotyped "local remedies."

Dr. R. V. Pierce Over 3000000 suffered fourteen years with female weakness, nervousness and general debility, trying everything known to help me—all to no avail. I then heard of Dr. Pierce's medicine and although I was thoroughly discouraged, thought I would try one more to find relief. I took your "Golden Medical Discovery" and "Favorite Prescription" and too great cannot be given for the rapid relief they gave me. I am now free from the former trouble. Very sincerely yours,

Mrs. Mary J. Stewart.
