KIDNEY TROUBLES

Cured by Lydia E. Pinkham's Vegetable Compound,

Also Backache.

I cannot speak too highly of Mrs. Pinkham's Medicine, for it has done so much for me. I have been a great sufferer from Kidney trouble, pains in muscles, joints, back and shoulders; feet would swell. I also had womb troubles and leucorrhœa. After using Lydia E. Pinkham's Vegetable Compound, and Blood Purifier and Liver Pills, I felt like a new woman. My kidneys are now in perfect condition, and all my other troubles are cured .-MRS. MAGGIE POTTS, 324 Kauffman St., Philadelphia, Pa.

Backache.

My system was entirely run down, and I suffered with terrible backache in the small of my back and could hardly stand upright. I was more tired in the morning than on retiring at night. I had no appetite. Since taking Lydia E. Pinkham's Vegetable Compound, I have gained fifteen pounds, and I look better than I ever looked before. I shall recommend it to all my friends, as it certainly is a wonderful medicine.-Mrs. E. F. Morton, 1043 Hopkins St., Cincinnati, Ohio.

Kidney Trouble. Before taking Lydia E. Pinkham's Vegetable Compound, I had suffered many years with kidney trouble. The pains in my back and shoulders were terrible. My menstruation became irregular, and I was troubled with leucorrhœa. I was growing very weak. I had been to many physicians but received no benefit. I began the use of Mrs. Pinkham's medicine, and the first bottle relieved the pain in my back and regulated the menses. It is the best kind of medicine that I have ever taken, for it relieved the pain so quickly and cured the disease. - MRS. LILLIAN CRIPPEN, Box 77, St. Andrews Bay, Fla.

The auditing committee is composed of Thomas, King and O. Lenahan. After the different committees were appointed Director William Thomas, one of the latest acquisitions to the board, offered a motion that Director McCrindle, local director of No. 3 school in Moosic, be empowered to secure the services of a master builder to examine the building that caused such an uproar among the taxpayers of this place two short years ago while in course of erection The citizens served an injunction on the board in an effort to restrain them from erecting the building at a cost of \$14,000. But despite these protests the school was built and acording to a well founded authority it is in a deplorable condition at present. Some of the directors venture to say that the buliding is unsafe. On motion of Director McCrindle that a committee be appinted to secure an option on a plot of land in Lincoln Heights for school purposes a motion was made ordering the chair to seek legal advice on the auditing committee. On motion of Mr. Thomas that the resignation of Miss Anna Connell be accepted, Director King moved that the vacancy would not be filled until after vacation. Director McCrindle offered a motion evening was pleasantly spent in all that the mileage be the same as in '96, thirteen for school and seven for building. The board decided to close the township schols on June 30. They will also meet in regular session on said date. Martin Joyce, an ex-teacher, who served as instructor at the Continental for several years, wants the board to give him a recommendation.

After a lively discussion the matter was tabled. The board then adjourned to meet on the 30th inst. The township auditors and the schoo board is at loggerheads over the report of the latter. A Lexow committee is from all accounts wanted. The matter may be aired in court.
