# MOVING LIVELY NOW Chicago, June 16.—Cattle—Sa5.20; cows and helfers, \$2.7583.50; buils, \$1.5083.75; calves, \$6.50; stockers and feeders, \$3.358 4.40. Hogs—\$2.4082.475; heavy packing

As stated when we opened the High Grade Smyrna Rug Sale, we were afraid that we would find it hard to move these expensive goods, even at half price. We confess to making a mistake, for we've never had livelier selling in any department than has been the case with these rugs at just fifty cents on the dollar. True, they are an unprecedented bargain-bargains that could not be duplicated, were it not that Kerr, Son & Co.'s stock was bought at Sheriff's Sale at less than half price. The same remarks, of course, apply to our high grade Carpet stock, from which we can sell you the best Body Brussels Carpet made as low as 50 cents per yard, but it's Smyrna Rugs we're talking today, and if you're interested, pardon us for saying that it will be to your advantage to call, for

# HALF PRICE OPPORTUNITIES

Don't come often in that line, and the fun range of sizes won't hold out much longer. Three illustrations in values will suffice: They represent the first quality of Smyraa Rugs made: Size 18x36 in., that usually brings \$1.75, sells for 87 cents. Size 30x60 in., listed at \$4.25, sells for \$2.12. Size 6 ft. x 9 ft., for small rooms, that sold for \$23, goes at \$11 50. There's lower grades if you want them, sizes 30x60 inches, at \$1.50 and \$1.75 each.

We are compelled to inaugurate a Clearing Sale to reduce our stock and make room for the large purchase we made in the east. The goods will soon be arriving, and prices will not cut any figure. The stock must be reduced regardless of what the loss will be.

The above is but a faint idea of the many bargains. We invite you to call and examine our goods before buying elsewhere. Remember, there is no trouble to show goods and you will surely save money by it.
