Henry Stark, of Plains, returned on Wednesday from Germany, where he has been spending the past few months. Thomas S. Brown, for many years an attachee of the Wayne county courts, was stricken with paralysis one week

ago and is quite ill. There is now subscribed for a new Presbyterian parsonage in Honesdale the sum of \$4.357, making a new build-

ing almost a sure thing. Late reports from Dr. D. W. Sturdevant, of Laceyville, who was operated upon for appendicitis, indicate that he

cannot possibly recover. The Tunkhanock school board organized on Thursday by electing J. Wood Piatt, president; B. H. Shook, secretary, and R. E. Billings, treasurer.

The Hancock Herald says that the test hole for coal now being bored at Thornbottom, Wayne county, Scranton capitalists, is now over 1,200 feet deep.

The Wilkes-Barre and Northern railroad is now within three-quarters of a mile of Harvey's lake. Passengers are transported by carriages from the terminus to the lake.

At the semi-annual meeting of the Wilkes-Barre and Wyoming Valley Traction company directors it was decided not to pay the usual dividend of 1 per cent., which heretofore has been paid annually, but to use the money for improvements.

A test for oil is to be made at Wyalusing soon. The prospecting parties agree to pay \$50 per annum for each gas well, and in case oil is found gives every eighth barrel and furnishes the tank in which to store. It also pays damage for all crops, etc., destroyed. The cost of a test well is said to be between \$3,000 and \$4,000.

The oil well in the Sharke neighorhood, Windham township, was abandoned as a "duster" at a depth of 1,470 feet, and the hole plugged Friday night. The gas and oil deposits evidently lay in a southerly direction from the gasser bored earlier in the season, the tests will be made with that theory in view,-Tunkhanock New Age.

Citizens of Wyoming Do Not Want a Soldiers' Monument. Special to the Scranton Tribune.

Tunkhannock, June 18 .- For some time past the question of a soldiers' and sailors' monument for Wyoming county, to be erected on Court House square ,has been agitated. The movement has been sanctioned by the proper parties, and it is now stated that the commissioners have let a contract for a \$9,000 monument. That the majority of the taxpayers throughout the county are indignant over the affair it is useless to say. The county is at present heavily in debt, the late judicial contest was a heavy expense, bills for two new 1% per cent. and reacted %. DEAD ON THE TRACKS.

Body of George Warga Found with a Frightful Wound on the Head and Two Cuts on the Face.

Wilkes-Barre, June 18 .- The dead ody of George Warga, aged 45 years, was found on the Delaware and Hudson railroad below the Traction company's bridge at Smithville early this norning and from the nature of the injuries from which he died, it looked vening service begins promptly at 7.33 as though he had been foully dealt

Warga was employed as a laborer on the gravel train of the Delaware and Hudson and boarded with George Shimko in what is known as the Red row at Smithville. Warga was given his pay check yesterday afternoon and after his day's work was done last evening he started for Pittston to have the check cashed, at least he told his coarding boss he was going to Pittston for that purpose. That was the last seen of him alive. At 4 o'clock this morning his dead body was found on the tracks at the point stated. An examination revealed several

frightful wounds. On top of the head is a gash large enough to place one's fist in and which looks as though a slece of the skull had been gouged out with some unknown instrument. At the right side of the mouth are two large cuts which seem to have beer made with a knife. No injury of any kind was found on the arms, body or egs, which leads those who are making inquiry into the matter to conclude that Warga was murdered and his body afterwards placed on the tracks to establish the theory that he had been run over and killed by a train. This, however, doesn't seem possible on account of there being no injury to the arms, body or legs. Near the spot where the body lay two bricks covered with blood were found and in a pocker of the dead man's trousers was \$15, which would indicate that if Warga vas murdered, the crime was not com

MOVING LIVELY NOW

As stated when we opened the High Grade Smyrna Rug Sale, we were afraid that we would find it hard to move these expensive goods, even at half price. We confess to making a mistake, for we've never had livelier selling in any department than has been the case with these rugs at just fifty cents on the dollar. True, they are an unprecedented bargain-bargains that could not be duplicated, were it not that Kerr, Son & Co.'s stock was bought at Sheriff's Sale at less than half price. The same remarks, of course, apply to our high grade Carpet stock, from which we can sell you the best Body Brussels Carpet made as low as 50 cents per yard, but it's Smyrna Rugs we're talking today, and if you're interested, pardon us for saying that it will be to your advantage to call, for

HALF PRICE OPPORTUNITIES

Don't come often in that line, and the full range of sizes won't hold out much longer. Three illustrations in values will suffice: They represent the first quality of Smyraa Rugs made: Size 18x36 in., that usually brings \$1.75, sells for 87 cents. Size 30x60 in., listed at \$4.25, sells for \$2.12. Size 6 ft. x 9 ft., for small rooms, that sold for \$23. goes at \$11 50. There's lower grades if you want them, sizes 30x60 inches, at \$1.50 and \$1.75 each.
