

West Side and City Suburban

SCHOOL EXERCISES.

Conducted Yesterday at No. 16 and No. 13 Buildings.

The pupils of the grammar and intermediate grades at school No. 16, gathered yesterday afternoon and in the presence of parents and friends closed the term with appropriate exercises. The principal, Professor Crittendon, had charge of the affair and was assisted by the teachers from the other rooms in the building. In addition to the decorations of the room in which the exercises were held, consisting of flowers, green leaves, etc., the black boards presented a fine appearance with their drawings of designs and sketches by different pupils. A lengthy program, consisting of recitations, declamations, essays, vocal and instrumental selections, etc., was creditably rendered to the delight of all. The statements of promotions shows a decided progress and is as follows: Grammar A, 7; Grammar B, 8; Grammar C, 21.

Closing exercises were held yesterday at No. 13 school. The programme was quite lengthy and consisted of numbers given by the many members of the school. Professor Kummeling has met with good success during the year. The new building has been used to the best advantage and the general attendance was large. Miss Gwennett Phillips won the highest grade in the class which leaves the school for the preparatory school, No. 14. It was announced yesterday that Thomas Thomas, Elmer Jenkins, and Bertie Thomas were marked "perfect" in attendance.

The pupils of No. 18 school enjoyed a traily ride along the Suburban route of the Scranton Traction company yesterday. This was the way in which they marked the close of school.

LAND MARK GOING.

The two-story frame building at 221 South Main avenue is being torn down. This removes another West Side landmark. The property and dwelling was recently purchased by R. G. Morgan, of the Slocum estate. Mr. Morgan proposes to erect a modern structure upon the old site, in which he and his family will thereafter reside. With but a few exceptions nearly all the older residences along Main avenue have given way to the more pretentious residences of these later years, and soon these old reminders of the early days of Hyde Park, when it was a borough and Main avenue, the old Mauch Chunk turnpike will have been obliterated.

INFORMAL RECEPTION.

District President D. W. Phillips, of the Lackawanna-Western district of the Patriotic Order of America, was tendered an informal reception by Brother J. Archie Jones on Thursday evening. The installation team of Camp No. 78, composed of Linden V. Decker, Robert Eldred, James Halseg, Sylvanus Savitto, Elias Anthony and Alfred Twining, who had accompanied the district president on his installation trips, were also present. The genial host was assisted by his charming wife, Mrs. David Ireland, Mrs. Mary A. Dutcher and Miss Margie Van Camp in doing the honors of this pleasant occasion. The home of

Mr. and Mrs. Jones, prettily decorated, was thrown open and at an agreeable hour the guests sat down to a substantial repast. At a convenient moment, Mr. Jones, on behalf of the installing team, presented Mr. Phillips with a handsome pearl handled, gold holder and pen in a happy vein. In response, Brother Phillips, though more surprised than ever, thanked them all with evident feeling.

GIVING GRADE LINES.

The city engineer corps has been giving grade lines on South Main avenue and Luzerne street, at their intersection, preparatory to a regrading of the street. Owing to severe mine settlements this portion of both streets has been in bad condition for some time. The abutting property owners have waived damage claims and no material thing now stands in the way of immediate and substantial improvement. The work is being pushed as rapidly as possible.

CHILDREN'S DAY.

Children's day will be observed at the Scranton Street Baptist church all day to-morrow. The decorations, in charge of a committee of which the pastor is the chairman, promises to be unique, some large and appropriate designs being in preparation. In the morning the pastor will preach a special sermon to the children, and their parents. Special music by the choir. The afternoon session of the school will be as usual, at 2 o'clock. In the evening, commencing at 7, instead of 7:30 as usual, the special children's day exercises will be held, and the following programme, entitled "Children's Day Echoes," will be rendered:

- Scott Hottin and Mamie Phillips were arraigned before Alderman Roberts last evening at the instance of Mrs. William Gearheart, who charged them with assault and battery, and disorderly conduct. MRS. KRINER'S LETTER.

About Change of Life.

"I suffered for eight years and could find no permanent relief until one year ago. My trouble was Change of Life. I tried Lydia E. Pinkham's Vegetable Compound, and relief came almost immediately. I have taken two bottles of the Vegetable Compound, three boxes of Pills and have also used the Sanative Wash, and must say, I have never had anything help so much, I feel like a new person, perfectly strong. I give the Compound all the credit. I have recommended it to several of my friends who are using it with like results. It has cured me of several female diseases. I would not go without it. There is no need of so much female suffering. Her remedies are a sure cure."—MRS. ELA KRINER, Knightstown, Henry Co., Ind.

were coasting down the hill near the Erie and Wyoming Valley railroad in a toy express wagon and the front wheels of the wagon swerved, throwing the boys upon the track. The coroner's jury freed the company from all blame.

PATROLMAN RESIGNS.

Tendered to Mayor Bailey and at Once Accepted—The Statement of Mr. Flaherty About the Case.

Patrolman Martin Flaherty yesterday handed his resignation to Mayor Bailey and it was accepted. The resignation was asked for. It is alleged that Mr. Flaherty shot at Lieutenant Zang and Patrolman Neils Wednesday night.

Mr. Flaherty was appointed in October, 1882, by T. V. Powderly, then mayor, and has been a member of the police force ever since. The following statement of the case has been sent to the Tribune by Mr. Flaherty:

Editor of The Tribune: Sir: Last evening's Truth and Times contained statements purporting to be an account of a shooting affray that took place between me and two brother officers on Prospect avenue Wednesday night. The statements in both those papers grossly misrepresents the affair, and to say the least does me a great injustice. While I frankly admit that a little escapade, in which I figured to some extent, took place at the time and place mentioned, yet I deny emphatically that any officers were present as was stated. I had occasion to visit some friends in the Nineteenth ward being on duty all day and on my way home about 9 p. m. a party walked after me a block or more occasionally laughing and joking and in order to divert their pursuit I innocently fired a shot into the ground. The mayor called me to account for this and I explained the matter, which is all I ask. Hoping the press will reserve unqualified comment until my case is honestly considered by the official.

Yours respectfully, Martin Flaherty.

EXCURSION OF THE HOME.

It Will Go to Shawanese Lake on Tuesday.

Ever since its organization the Home for Friendless Women and Children has been one of the prominent institutions of Scranton. It was started in the firm belief that the people of this city had a warm place in their hearts for the needy and that there was to be found in every community, as well as those whose age and friendlessness entitles them to substantial sympathy. Appeals in time of need have always met with a hearty and cordial response, and the Home comes to all and asks support from the official.

The annual excursion will be run to Shawanese (Harvey) lake on Tuesday, June 22. The train will leave the E. & W. V. R. R. station on Washington avenue at 8:30 Tuesday morning and returning reach Scranton before dark. Last year the Home went to Binghamton, and over eleven hundred dollars were netted as the result.

The support offered to the Home on next Tuesday should be no less than that of last year. The need of the Home are greater than a year ago. The family is larger, more mouths to feed, and funds are required for the completion of the new building.

The managers of the Home appeal to all who have in their hearts sympathy for those who suffer for this institution, would be homeless, to show that sympathy by purchasing tickets for this excursion. Some people avoid such outings on account of the annoyance of carrying and caring for their lunch baskets. The managers are glad to announce that this year Caterer William Hanley will accompany the excursion, taking with him a bountiful supply of tables for the accommodation of those who wish to be entirely freed from the care of lunch baskets. Sandwiches, cake, ice cream and other eatables will be for sale.

Catarah for Twenty Years and Cured in a Few Days.

Nothing too simple, nothing too hard for Dr. Agnew's Catarah Powder to give relief in an instant. Hon. George Taylor, of Seaton, Pa., says: "I have been a martyr to Catarah for 20 years, constant coughing, drooping in the throat and pain in the head, very offensive breath. I tried Dr. Agnew's Catarah Powder. The first application gave instant relief. After using a few bottles all these symptoms of Catarah left me. It is a great remedy." Sold by Matthews Bros.
