SCRANTON CONTINUES TO WIN

Miners Took Another Fall Out of Wilkes-Barre, but Didn't Do It Easily--Toronto, Buffalo and Providence Were the Other Winners

Yesterday's games materially affected the standing of Springfield, Scranton and Toronto, as the three are brought into a bunch around third place and in the order named.

DOWN GO THE BARONS.

We Trim Them Once Again, but They Didn't Submit Without a Struggle.

The dimensions of the score of 7 to 3 is not a very true criterion of the business the Miners had in hand in defeating Wilkes-Barre yesterday at Athletic Park. The Wilkes-Barreans were not downed without a number of active protests as evidenced in the fact that in only one inning did the three batters fail to reach first, while in all but the sixth, seventh and eighth the first men up were able to begin their circuit of the bases.

Gillon's poor control in the early stages of the contest was, fortunately, balanced by good support and timely Scranton hitting which earned a total of four runs. Odwell, the all-around man, did the visitors' pitching and was good for eleven hits, four of them unmistakable three-runners. Of the Miners' three errors, that by Bonner was the only one to cost a run, and only one run was chargeable to the six errors by the Barons.

Threatening weather kept the attendance down to a low figure. Rain fell early in the game and there was a rest of nine minutes after the second inning. The fielding of Beard, Bonner, Maguire, Massey and Gannon was of a high order and with Bonner's hitting had much to do with the result. McMahon was the star of the Wilkes-Barre crowd and some good work by Smith was marred by his three errors, one of which might have been charged to Goeckel.

O'BRIEN RETIRED.

O'Brien's leg troubled him and after the first inning he retired in favor of Meany whose triple accounted for a run and who fielded well.

O'Brien's single, Smith's double and two force hits gave the Miners a run in the first inning, and two developed in the third on a walk to Gillon. Meany's triple and Sholta's wild throw to catch Meany at third, although the latter's run became earned on Beard's single. In the last of the third Smith got a walk and there would have been a double play on McMahon's force hit but for Bonner's muff of Beard's assist, the runners reaching third and second on the error and McMahon scoring on Goding's single.

Maguire's single and Gannon's triple earned the Miners one in the fourth. They pulled out of a deep hole in the last half. The bases filled on Botten-ly's single, Beard's error and a single by Diggs. Massey flew out to Walters at short center. Bottenly was ripped at the plate on an assist from Gillon to Gannon on McMahon's force hit, and the ball was hurled to Massey in time to make a double. Score, 4-1.

Eagan's single, a wild pitch and Bonner's three-base earned a Miner run in the fifth. Wilkes-Barre tallied one on a walk, a passed ball and Goeckel's single. Score, 5-2.

IN THE SIXTH.

McMahon's fumble in the Miner half and his single in the Wilkes-Barre half was all that transpired in the sixth. A base on balls to Walters in the seventh, a wild pitch, Beard's triple and Bonner's single gave the Miners two runs. Score, 7-2.

With one out in the ninth Goding walked to third on Goeckel's double and scored on Sholta's life. In detail:

Manager Powell Resigns.

Surrendered the Helm of the Tail-End Eastern Leaguers.

Wilkes-Barre, June 25--Abner Powell, manager of the Wilkes-Barre base ball club, has tendered his resignation and the same has been accepted. Mr. Powell came here from New Orleans. Wilkes-Barre has signed an amateur pitcher named Manville. Pitcher Sheehan has been released.

Diamond Dust.

The Miners have won five out of seven from Wilkes-Barre.

Gillon was not the usual Gillon until after the fifth inning.

Rochester and Wilkes-Barre are making a pretty race for last place.

Goeckel will probably succeed Powell as manager of the Wilkes-Barre team.

The slide of the Stars is mainly due to their being crippled by the plate.

Jesse Burkett gets \$400 extra for playing in the semi-final of the Cleveland grounds.

Moore, Harper and Meany in the order named are candidates for the box this afternoon.

Booster's share of the big gate was an even \$1,000 in Tuesday's jubilee game at Toronto.

It was heavy going and both Maguire and Gannon fell while running the bases in the fourth.

Meany leads the club in hitting with an average of .388. Next are Bonner, .350; Walters, .340; O'Brien, .334; Eagan, .329; Beard, .328.

At Wilkes-Barre today. Two games may be played. Manager Griffin will be informed by telephone this morning whether the programme is to be double or single.

McMahon could hit as well as he can field and if some of his colleagues could do a little better in both departments of the game, Wilkes-Barre wouldn't now be in last place.

Two defeats out of nine games played since the Miners returned home isn't so bad. If they can take three of the six games at Providence and Springfield this week they will be in very fair shape to argue it out with Toronto, Buffalo, Rochester and Syracuse in the games to be played here during the two weeks beginning Thursday, July 8.

If the Wilkes-Barre Leader "has no parties" to find with "umpire Keefe" that paper goes a long way from consistency in its roost of that umpire. Keefe is not a bad official and it is mighty hard to pry a party out of any other pitcher to hammer a conscientious official where there is not a better one in sight. It has been and will be The Tribune's policy to give the umpire's occasional mistakes unless he is dishonest or thoroughly incompetent. Keefe is neither.

Yesterday's Wilkes-Barre News-Dealer says: "The club and republicans who Scranton Tribune and News-Dealer who witnessed yesterday's game did not take kindly to the defeat administered to Griffin's men. They were inclined to blame the umpire." This paragraph is woefully incorrect as far as The Tribune representative is concerned. This paper has no excuse to offer for Thursday's defeat and neither it nor its representative has criticized Keefe who seemed to umpire a fairly good game.

The News-Dealer has unintentionally become mixed in the matter.

Will Give John L. a Trial.

Fitzsimmons Will Meet the ex-Champion on July 5.

New York, June 25--Tonight Martin Julian, manager of "Bub" Fitzsimmons made a proposition to Frank Dunn, of Boston, manager of John L. Sullivan and Fitzsimmons meet at Ambrose park, Brooklyn, on the afternoon of July 5, rain or shine, for four or six rounds. If Sullivan's sparring shall be deemed by the public and sporting writers creditable and indicative of his ability to enter the ring for a finish contest, terms and conditions for such a match may be arranged immediately thereafter. Sullivan will get a share of the gate receipts.

In accepting the proposition Mr. Dunn stoutly said that though the time was short, Julian had the call in acting for the holder of the championship, and Sullivan would be in the ring at the appointed hour.

ENTRIES FOR THE COMING RACES

Assure Some Great Contests for Next Wednesday, Thursday and Friday.

MANY LOCAL FLYERS WILL BE SEEN

On the First and Last Days of the Meet There Will Be Running Races. The Free-for-All on Thursday Will Be One of the Most Interesting Contests of the Meet--Horses of 2.20 Class Meet Friday.

Below will be found a list of the entries of the coming meeting at the Driving Park. It will be seen from the number and quality of these entries, that these will positively be the best races that Scranton has ever seen.

The first day comes the 2.50 trot, 2.20 pace and 2.25 pace. People of Scranton will remember last fall at the very close of the season they had a 2.20 class mixed race, which has been the talk of the community since, where the game Jo Jo, owned by Mr. Kingsley, of Olyphant, driven by Fred W. Cook, won the race after a great fight. Maude L., owned by Dr. Porteus, of Taylor, Pa., figured very prominently in this race, also Bertha C., driven by John Cook; Medium Boy, of Tunckhannock, driven by Mr. C. M. Barlow, his owner, all of which are entered in this race with a great many others.

Second day comes the 2.24 pace, free-for-all trot or pace, and the 2.25 trot; these are also filled with large fields, especially the free-for-all, which without doubt will be the best race ever seen in Scranton. Entered in this are Hal Pointer, the ex-champion of the world; Wilkes Patchen with a mark of 2.164, a very promising young horse; Rowdy Joe, a mark of 2.08 and is going very steady this year; Bert Sheldon, marked 2.164, who always stays until the race is finished and if the race is split up keep your eye on him. Bonif is also very fast this year; Mable W., with a mark of 2.17 has recently been purchased from Vermont by parties here, Norfolk and Sprinkled, the young horses ever raised in Vermont; Princess M., from Maplecroft Farm, King of Prussia, Pa., is a very fast mare; Allen Dora, with a mark of 2.134, owned by Jacob L. Wagner, of Hazleton, Pa., is a great race horse and is going nice this year. Elmer, with a mark of 2.18 1/2, owned by Mr. W. H. Pierce, of Pittston, Pa., is a very fast young mare, who won the free-for-all race Thursday of this week at Wilkes-Barre, fastest time was in 2.24, with a lot to spare; Veto, with a mark of 2.094, driven by R. Hentschell, of Baltimore, Md., who won the great free-for-all race last fall at the fourth heat, also heating Rock F. Guy Wonder and Hal Pointer, after each winning one heat; this race has been the talk of the community for a long time; Mary West, 2.164, owned by John Cook, is one of the gamiest mares in this section and has already showed his ability to go as fast as any of them, and with such a field as this, lovers of first-class horse races are promised a treat.

The third day comes the 2.24 trot, 2.20 trot, 2.20 trot or pace; these are also well filled, with 22 entries in the 2.29 class, and with such a field, this should be one of the greatest races of the meeting. The first and last day of this meeting, there will be a running race, the entries for which are not yet closed. There are at the present writing at least seven starters in each race. This also promises to give the lovers of running races a chance to get their fill. Lawrence hand will be in attendance each day. The entered are:
