LEGISLATIVE AGONY IS OVER AT LAST

The All-Night Session Adjourned at 2 O'Clock Yesterday Afternoon.

A PUNCH BOWL FOR THE SPEAKER

The Clerks and Other Attaches Receive the Usual Topics—Members Indulge in the Humorous Pastime of Throwing Paper Wads at Each Other—Business of the Closing Hours.

Harrisburg, July 1.—It was bordering on 2 o'clock this afternoon when the legislative session of 1897 came to an end. In many respects it has been the most remarkable ever held in the history of the commonwealth. It was the second longest continuous session in Pennsylvania's history and had added interest from the destruction of the capitol by fire in February and the consequent meetings in Grace church.

After the legislative business had been concluded the usual presentation ceremonies took place. Speaker Boyer was presented with a beautiful cut glass service, including a magnificent punch bowl. The clerks and other attaches were given purses. Many of the members started home this afternoon and by tomorrow there will scarcely be a corporal's guard at the state capitol.

The house held an all night session, beginning at 8 o'clock and continuing until 5:30 this morning with an hour's intermission at midnight for luncheon. After the morning session a corps of women was put to work cleaning up the hall for the final session. The floor was strewn with papers six inches thick and had more the appearance of a junk shop than an assembly hall.

The conference committee agreed upon a bill at 8 o'clock last evening, but for some reason, Chairman Bolles, of the ways and means committee, did not present it until 5 o'clock this morning. Chairman Marshall refused to bring up the general appropriation bill until the revenue question was disposed of finally.

The conference committee agreed upon a bill at 8 o'clock last evening, but for some reason, Chairman Bolles, of the ways and means committee, did not present it until 5 o'clock this morning. Chairman Marshall refused to bring up the general appropriation bill until the revenue question was disposed of finally.

NO CUT IN APPROPRIATION. Mr. Boyer promised the house there would be no cut in the public appropriation—it would remain \$11,000,000—the normal schools will be provided for as usual.

The report was called up immediately after reconvening by Chairman Bolles, of the ways and means committee. Mr. Crothers, of Philadelphia, was instantly on his feet to oppose the measure. He declared the evident purpose was to run this measure through the house regardless of how it is done.

Mr. Piolet, of Bradford, and Mr. Bliss, of Delaware, spoke in favor of the adoption of the report. The report was adopted by 119 to 69. The announcement of the result was received with great applause.

The conference reports on the bank tax bill and the bill relating to official advertising in cities of the second class were adopted. The report of the conference committee on the bill providing for the payment of the expenses of the visit by the legislature to New York to attend the Grant monument dedication, and to Philadelphia to attend the dedication of the Washington monument, was rejected by a vote of 64 to 84 after an earnest appeal by Mr. McClain, of Lancaster, to vote down the report. The bill as it passed the house carried with it an appropriation of \$5,000. This was increased to \$10,000 by the conference committee.

Mr. Marshall reported from the appropriations committee a large number of appropriation bills with a negative. The most important that passed by the senate two months ago appropriating \$68,000 to pay the expenses of the Philadelphia "Lexow" committee. The general appropriation bill came up next for final consideration and the speaker announced that the senate had amended by striking the appropriation to the public schools at \$11,000,000 and inserted an item appropriating \$200,000 to the state normal schools. Mr. Coray, of Luzerne, and Mr. Crothers, of Philadelphia, attacked the item of the appropriation \$68,000 to pay the expenses of fitting up Grace church for the use of the members. They also pointed out several other "questionable" items inserted by the senate.

GRACE CHURCH ITEM. Chairman Marshall said Governor Hastings would assume the responsibility of the Grace church item. The bill passed by a vote of 132 to 47. Several statements explaining their vote. These members voted in the negative: Messrs. Bell, Gruber, H. Bentley, Brophy, Brunges, Campbell, J. C. Coray, Cressy, Crothers, Dixon, Edmondson, Evans, Gould, Griffith, Horwood, Hoy, Kayser, R. H. Kessler, Keen, Kellar, Kershner, Kessler, Lloyd, Long, Luden, Mackey, Martin, John M.; Mong, Moore, Daniel F.; Nesbitt, Reynolds, Rice, Riley, Sexton, Smith, Sylvester, S.; Spatz, Stewart, Tipton, Underwood, Welliver, Wells, Witman and Young.

There is a class of people who are injured by the use of coffee. Recently there has been a great deal of talk about a new preparation of coffee made of pure grains, that takes the place of coffee. This is a new discovery and it is without doubt, and not even by a cent, that it is better than coffee. It does not cost over 1/2 as much. Children may drink it with benefit. It is 25c and 25c per package. Try it. Ask for GRAIS-6.

The members voting in the negative voted not against the general appropriation bill, but against concurring in the senate amendments. Had the senate amendments been adopted, the bill would have gone to conference committee and the objectionable items stricken out.

The usual committees to wait upon the governor and senate and announce that the house was ready to adjourn were appointed.

During the committee's absence the vote by which the bill amending the Plinn road law was defeated was reconsidered and the bill passed finally. A recess was taken for fifteen minutes to arrange for the presentation ceremonies. After these exercises the house was declared adjourned and the session of 1897 was ended.

DEAD BILL BROUGHT TO LIFE. The last bill passed by the house was the measure giving county commissioners of the different counties the right to make bicycle roads, and use ten per cent. of the good roads tax money in so doing. This bill particularly refers to Allegheny county. The wheelermen of Pittsburg and surrounding cities endorsed the proposition. The farmers were afraid of all bicycle laws, and made an earnest fight against it. It was practically dead several weeks ago but Senator Plinn, of Pittsburg, and his associates succeeded in having it made a canvass of the house and by hard and diligent work succeeded in having the measure passed. It was a great victory for the Pittsburg senator and he was congratulated by the sports and Major Lester was elected through a bill that was supposed to be dead.

SENATE PROCEEDINGS. The Body Recedes from the Amendment Increasing West Side Hospital Appropriation. Harrisburg, July 1.—The senate met at 1 o'clock this morning and passed a number of appropriation bills on a third reading. The senate recessed from its increase of the personal expenses of Heller-Laubach in the contested election case. At 3 o'clock the senate adjourned until 9 o'clock.

Upon reassembling the senate adopted the report of the conference on conference on the beer bill without any discussion, the yeas being 26, the nays 7. The seven voting in the negative were Messrs. Cochran, Haines, Hyde, Miller, Rowland and Stiles, all Democrats, and Major Lester, a Republican. Mr. Durham presented the majority report of the committee investigating the \$50,000 insurance scandal. The senate adopted the report of the conference committee on the revenue bill taxing banks, savings institutions, the press companies and distillers. The taxing of foreign and domestic insurance companies was stricken out. The senate recessed from the amendment increasing the appropriation to the west side hospital, Scranton, from \$7,000 to \$12,000. The senate was informed that the chamber would be ready to adjourn by noon.

When that hour was reached, the senate proceeded to the election of a president pro tempore. General Robin nominated as president Daniel S. Walton, of Greene, and on behalf of the Democratic members Mr. Crochan seconded the nomination.

No other name was presented and Mr. Walton was unanimously elected president. Mr. Walton was escorted from the bar of the senate by Messrs. Cochran and Scott and the oath of office was administered to him by Lieutenant Governor Lyon. Mr. Walton took the chair and thanked his fellow senators for the honor conferred upon him. The senate adopted the conference committee report on the general appropriation bill. The committee recommended the item of \$520,000 for the several state normal schools and made the school appropriation \$11,000,000. At 12:45 the governor through a joint legislative committee, notified the senate that he had no further communications to make with the legislature.

An informal session of the senate was then held. On behalf of the chamber Mr. Gray presented Mr. McCarrell, the retiring president pro tem, with a handsome silver service. Chief Clerk Smiley presented to Mr. McCarrell a medal. The presentation speech was made by Mr. Critchfield. In an eloquent speech Mr. McCarrell accepted the gifts. The house notified the senate that it refused to concur in the amendment making the appropriations for the expenses attendant upon the unveiling of the Grant and the Washington monuments. The house made this amount \$5,000 and the senate concurred.

Lieutenant Governor Lyon at 2:15 o'clock declared the senate adjourned without a day.

Governor Signs Libel Bill. Harrisburg, July 1.—At the personal request of Colonel James H. Lambert, insurance commissioner, Governor Hastings today signed the libel bill.

Women Want Stores Closed Early. Ridgeway, Pa., July 1.—The women here have asked merchants to close their stores at 5 o'clock in the evening, except Saturdays, and have agreed to make no purchases after the hour named. If the merchants consent the court house bell will be rung at 5 o'clock.

NEW RECORD AT DRIVING PARK

Bert Sheldon Takes 3-4 Seconds Off Trinke's 2.20 Record.

HE COVERED A MILE IN 2:16 1-4

Tempest, in Competition, Had Paced the Distance in 2:17 1-4—Bert Sheldon Also Equaled His Own Mark—Hat Pointer, 2:04 1-2, Paces a Heat and Is Prostrated. Rowdy Joe to Go for a Record Today.

A crowd more than once again as large as on the opening day saw yesterday's racing at the driving park, and also saw the track trotting record lowered 3/4 seconds from 2:20 by 14-year-old Bert Sheldon in the free-for-all, who also duplicated his best previous mark of 2:16 1/4.

Besides the open event there was a 2:24 pace, a 2:25 trot and a half-mile event for colts. The time in all the events was very fast for the classes. Leota C, g. m., (E. Smith) won the 2:24 pace, Bert Sheldon the free-for-all, Medium Boy, b. m., (C. M. Barlow), the 2:25 trot, and Orange Leaf, b. g., (David James) the colt race.

Fred Smith, the Buffalo starter, continued to catch the crowd by his good work, applause frequently greeting his admonitions and remarks to the drivers. The judges were David Tuers, of Montclair, N. J., and J. W. Houser, M. D., of Taylor.

2:24 PACE. Out of fourteen entries for the 2:24 pace there were ten scratches: Macley (Martin Clark), Ferida (J. T. Chambers), Mark Anthony (W. H. Ash), Miller Lee (H. F. Kidwell), Silver Prince, (R. Westlake), Billy H. (Leighton View Farm), Bellman (F. W. Cook), Goldseeker (W. C. Norton), E. W. H. (C. E. Bellman), Cedella (George Dunn). A small but good field of four was left. Leota C had the pole and Pine Knot second position in the first heat, and the two lost their places. Trinkle Lee broke badly on the first quarter, as she did on Wednesday, but was with the bunch at the finish. Leota C got the heat by a nose from Pine Knot, a half length ahead of Trinkle Lee. Kit Cloud last by eight lengths. The quarter was made in 36 1/2, the half in 1:12 1/2, the three-quarters in 1:49.

Their next heat was the prettiest that far in the day. They were sent away in a line on the second trial, and Kit then gave a remarkable exhibition. He was second on the first quarter, but broke and fell back to last a dozen lengths from Leota C in front. Though forced to the outside he mowed down the field, collared Leota in the last run home and the two were neck and neck for the wire with Trinkle Lee two lengths away. Leota and Pine Knot whipped the wire, the former winning the heat by a nose. Time: Quarter, 36 1/2; half, 1:12 1/2; three-quarters, 1:49; mile, 2:24 1/4.

Leota C was never headed in the last heat, but was only a scant length ahead of Pine Knot, second on the inside, a half length before Trinkle Lee third, and Kit Cloud last. Time, 36 1/2, 1:12 1/2, 1:48 3/4, 2:24 1/4.

2:25 TROT, PURSE \$300. Leota C, g. m., (E. Smith), Wilkes-Barre, 1 1 1 Pine Knot, b. m., (C. M. Barlow), 2 2 2 Trinkle Lee, b. m., (C. M. Barlow), 3 3 3 Kit Cloud, b. m., (C. M. Barlow), 4 4 4 L. A. Fattauer, of Chesham, 5 5 5 Time, 2:25 1/2, 2:24 1/2, 2:24 1/2.

FREE-FOR-ALL. Such good ones as Hal Pointer, Bert Sheldon, Bonita, Allen Dare, Elma and Veta started in the free-for-all trot and pace. Bert Sheldon and Allen Dare were the only trotters. It was agreed that they should race for the first quarter at the head of the stretch and record of 2:15, made by Raven in a match race with Hal Pointer last fall, would be broken. The next best pacing was 2:17 1/4 by Tempest in competition several years ago.

After three had starts W. C. Smith driver of Allen Dare, was cautioned that he would be fined ten if he again scored ahead of the pole horse. They were sent away on the sixth trial in two strings, Bonita, Hal Pointer and Elma being last. Veta, who had been acting badly at the post was with Bert Sheldon, around the first turn, but broke in the back stretch and gave second place to Hal Pointer. The quarter was turned in 34 and then began a procession of the best. Bert Sheldon easing in the drive home and winning by a length. Hal Pointer four lengths ahead of Veta. The half was made in 1:08, the three-quarters in 1:41 1/2 and the mile in 2:18 1/2.

The time was quite a cut in the track trotting record of 2:20 made by the famous Trinke early in the track history. She was driven at that time by "Gen." Turner. It was also close to the Tempest record, but better was to come.

Three veterinaries were summoned to examine Hal Pointer who was brought on the track for the second heat. He was pronounced to be suffering from prostration and on the advice of the three veterinaries the judges allowed the horse to be withdrawn.

Bert Sheldon still further reduced the track trotting record in the second heat. Pressed by Veta he cut three-quarters of a second from the first heat and finished in 2:17 1/2, against the trotting record of 2:20. They were sent well away with Elma trailing by consent. Allen Dare challenged Bert Sheldon on the first turn, but broke at the head of the back stretch and gave way to Veta. The quarter post was made in 34 1/2. At the half it was 1:09, Bert Sheldon half length ahead of Veta. Bonita trailing four lengths away. The order was the same in the back stretch, the three-quarters showing at 1:44. The fastest quarter of the race so far was made to the wire in 33 1/2, Bert Sheldon winning by a nose from Veta, with Allen Dare three lengths away, Elma a bad last and Bonita pulled off in the back stretch with a tire off the sulkey.

Record smashing in the previous heats was overshadowed in the last heat when the big black Bert Sheldon equaled his own mark of 2:16 1/4 and did it on a track sixty-eight feet over the mile—and reduced the track record 3/4 seconds. It was a wonderful performance for the honest old campaigner and

son of Warwick Boy. His pole position possibly saved him the heat, however, and but for Smith's good driving Veta would have got first place at the head of the stretch in the first half. The first quarter was covered in 33 1/2. Veta was first, but came wide into the stretch and Smith seeing the advantage urged his entry into the gap and was not headed, though Veta was with him for the distance. The half was made in 1:08, the three-quarters in 1:42 and the mile in 2:16 1/4, with Veta only a half length behind.

SUMMARY. Free-for-all trot or pace, purse \$200. Bert Sheldon, 1:16 1/4, b. m., 1 1 1 G. O. Smith, Orange, N. J., 2 2 2 Veta, 2:04 1/2, b. m., 3 3 3 Allen Dare, 2:17 1/4, b. m., 4 4 4 J. L. Wagner, Hazleton, 5 5 5 Elma, 2:18 1/2, f. m., 6 6 4 Bonita, 2:19 1/2, b. m., 7 7 5 R. E. Westlake, Scranton, 8 8 5 Hal Pointer, 2:04 1/2, b. g., 2 dr. J. T. Chambers, Pittsburg, 2 dr. Time, 2:16 1/4, 2:17 1/2, 2:16 1/4.

2:25 TROT. In the 2:25 trot there were twelve scratches, which left only Medium Boy (C. M. Barlow), Fay (E. Smith) and Meda (Leighton View Farm) to come to the post. All three drivers spoiled what should have been several good starts. They were cautioned before the fifth attempt that they would be sent away. Starter Smith kept his promise and gave the word with Meda several lengths to the rear. Medium Boy had the pole and kept the lead to the finish, a length before Fay, ten lengths ahead of Meda. Time: 36 1/2; 1:12 1/2; 1:50; 2:25 1/2.

There were whisperings after the first heat that Meda had been pulled; that she had worked in 2:20 on Tuesday. Her driver, Sam Earing, was called before the second heat to the judges' stand where he said the horse was a bad actor and that he dare not urge her. The judges knew this but with a caution to Earing the heat was begun. They scored well and were sent away on the second trial with Meda third, Fay broke on the first quarter. Medium Boy went the mile without a skip and came under the wire with Meda second by a half length, Fay eight lengths to the rear. Time: 36; 1:11 1/2; 1:47; 2:21 1/2.

Like the second heat, there was no question about Meda being driven out to win in the third. She and Medium Boy were together throughout. The latter trotted again without a break and so did Meda almost to the wire where she broke, ending with a length. Time: 36; 1:10 1/2; 1:46 1/2; 2:21 1/2.

SUMMARY. 2:25 trot, purse \$300. Medium Boy, b. m., 1 1 1 C. M. Barlow, Tunkhannock, 2 2 2 Meda, ch. m., 3 3 3 Fay, b. g., 4 4 3 E. Smith, Wilkes-Barre, 5 5 3 Time, 2:25 1/2, 2:21 1/2, 2:21 1/2.

COLT RACE. The colt race at a half mile for special prizes brought only three to the post, Orange Leaf (D. James), David Appleford (B. E. Westlake) and Dorothy (Lackawanna Stock Farm). They finished the first heat in 1:29, Orange Leaf first by a half length, Dorothy second by twelve lengths. A 45 gait was made in the second heat. Leota C was never headed the first quarter in H. Orange Leaf caught David at the head of the stretch and reached the wire first by a half length in 1:21 1/2.

Orange Leaf won the third heat and race in 1:27 1/2. The prizes were donated by Leighton View Farm, Keeler and Harris and John Ludwig. Summary: Orange Leaf, b. g., 1 1 1 David James, 2 2 2 Dorothy, b. m., 3 3 2 Lackawanna Stock Farm, 4 4 2 David Appleford, b. g., 5 5 2 Time, 1:29, 1:21 1/2, 1:27 1/2.
