## PATRIOTIC SERVICES.

Conducted by C. E. Society in Washburn Street Presbyterian Church.

The Young People's Society of Christian Endeavor of the Washburn Street Presbyterian church held a patriotic service last evening at the church in place of the regular preaching service.

The auditorium was prettily decorated with the national colors. The choir loft and pulpit platform being especially adorned. A. E. Morse rendered great selections of the saxophone. The program was opened with an organ prelude, followed by an anthem by the choir. After the invocation all joined in singing "The Star Spangled Banner."

A portion of Scripture was read by the pastor, Rev. J. P. Moffatt, and prayer was offered. The song, "Columbia," was sung, Miss Smith taking the solo, and the rest joining in the chorus. An anthem was sung and the society's president, W. T. Burall, spoke upon "Consecrated Patriots, or What Will They Do?" The Declaration of Independence was read by Arthur Phillips and the song, "Red, White and Blue," was sung.

Professor G. W. Phillips and Rev. L. R. Foster each made a patriotic address, and after the singing of "America," the benediction was pronounced and the exercises closed with an organ postlude.

## SHERMAN AVENUE MISSION.

The Children's Day Exercises Attract Large Audience.

The Sherman Avenue Mission school auditorium never held so many persons at one time as it did yesterday afternoon. The celebration was observed by Children's Day, and the parents and friends were there to see and enjoy everything.

The room was decorated with flowers, plants, green leaves and bunting. The National colors predominated in the matter of decoration. The superintendent, Miss Della P. Evans, was in charge of the exercises, and the musical part was in the care of Professor Richard Phillips, chorister. The exercises included the singing of "America," invocation by Rev. Thomas Bell, the chorus, "Welcome Spring Time," responsive reading, a hymn, address of welcome, recitations by Misses Celia Jones, Emma Sherman, Elizabeth Hurn, Margaret Sherman, Annie Lance, Margaret Schell, Maude Jones, Libbie Jones and Chester Thomas; solos, quartettes, and exercise, "The Missionary Exercise," by a company of children, representing the different nations; exercises by the infant class; secretary's quarterly report, the parting song, "God Bless the Day," benediction, by Rev. Mr. Bell.

## BEN EVANS HURT.

Was Severely Injured Saturday Evening by a Stumbling Horse.

Ben Evans, a young man employed by James A. Saville, a butcher, at 295 North Main avenue, was severely injured on Saturday evening. Evans was riding a horse down Lafayette street at the intersection of North Hyde Park

avenue. The animal stumbled and fell. Evans was caught underneath and his right leg and ankle were strained and his foot broken. He was removed to his home and Dr. B. G. Beckworth called to attend him. At last reports he was resting comfortably.

## MORE WATER COMING.

The residents of Bellevue Heights will soon be relieved of the fear of "no water." The lack of a sufficient supply was a great drawback. The Spring Brook or Taylor Water company did not have sufficient force at times to carry the water to the hill residents. This fact was brought about by the heavy demand made by the supplying of the colliery boilers. Although several restraints were made the evil was not mitigated until now the Scranton Gas and Water company appears and is laying pipes. The work has progressed rapidly, and in a week or so there will be an ample supply.

## FUNERAL OF ESTHER PHILLIPS.

The funeral services of Esther, the daughter of City Engineer Mr. Joseph P. Phillips, occurred yesterday afternoon from the parents' residence on Swetland street. Rev. J. B. Sweet, pastor of the Simpson church, officiated, and a choir sang several selections. Many friends attended the services and offered this silent tribute of sympathy of the afflicted parents. There were many beautiful floral offerings. Interment was made in the Forest Hill cemetery. The pall-bearers were four girls, Barbara Clark, Bessie Slat, Edith Morgan, Minnie Roberts. James Maloney, purporting to be from New York city, and playing ball here with one of the local teams came to the West Side hospital Saturday afternoon and said his arm was broken. Upon examination it was found that the arm was only dislocated and wrenched. He was given the necessary treatment and then went his way. He stated that he had stumbled and fallen on the arm while playing ball.

## TWO OF A KIND.

An alarm of fire came from box 43 on Saturday afternoon at 3:10 o'clock which was answered by the Eagle company. Their services were, however, not required as it proved to be a false alarm. The members of the company, was building a fire in the stove and a blocking of the chimney caused the room to fill with smoke. A neighbor seeing the smoke coming from the window turned in the alarm.

Yesterday afternoon at 3:25 an alarm of fire was sent in from Box 34. The Franklins and Columbias responded but did not put on a stream. The throwing of a fire-cracker into the air to explode lodged a remnant upon the roof of the residence at 54 North Decker's court, occupied by Evan Reese and family, and owned by Henry Ferber. The burning remnant had been dislodged before the fire companies arrived.

## OWENS-WILLIAMS NUPTIALS.

Mr. Edward Morris Owens was married to Miss Hannah Williams Saturday afternoon, July 3, by Rev. David Jones at his home on Lincoln avenue.

They were attended by the bride's sister, Lizzie, and Walter Jones, of Washburn street. Mr. Owens was for a number of years employed by the Bennett Beef company, of this city, but has been promoted of late to superintendent of the business at Binghamton, N. Y. The bride is a member of a respected family living on Swetland street. They will soon begin house-keeping at Binghamton. The well wishes of a host of friends will go with them to their new home.

# THE CURE FOR EVIL IS HIS RIGHTEOUSNESS

(Continued from Page 8.)

over-abundance of mercies. We Americans have been led to imagine that we could achieve the impossible. We have forgotten that self-preservation depends on assimilation. "A man's life consisteth not in the abundance of the things which he possesseth," but in those which he can take up into himself. This is equally true of the nation. Things may easily founder personal life, and things may easily founder national existence. The over-laden ship, running with the waterline out of sight, is a deadly peril to the master on board, though he may own all. The abuse of the useful has become our national curse. Wealth is a good thing, but it is destruction to that people which covets it. It is the soul of the immigrant becomes a part of a nation of men. Industrial production is not the cause of our national difficulties. Production has fostered selfishness, wastefulness, Christian personal living which says, "I will work for my own good, and yet add 'gather ye up the fragments, that nothing be lost'—such living, we must clearly see can alone truly prosper. Emergent problems and difficulties which have come from the blessings of prosperity. It alone can hope to grapple successfully with these. Lizzie, the mother who weaves today to deal her, moreover, in large degree, those which advancing civilization brings. To use the good word which the French economist have given us, there is a solidarity among our problems. They must be taken together. It is impossible to separate them. Emergent problems, we must take the problems of society as a whole. We have no other resource. Indeed it is rapidly becoming impossible to separate a true citizen to ride a hobby. This is a great blessing. Of course, a man may bustle much about one thing. He may do much and think himself a great part of the world. It always proves itself one. Always, ending, at a reasonable hour, refreshments were served. The members of the class are: Misses Bertha Lowenstein, Anna Jones, Mame Coons, Hattie Fellows and Clara Sanders and Messrs. S. F. York, William D. Griffiths, Robert Cooper, George Schoen.

## OBITUARY.

Mrs. Elizabeth Beddoe, wife of Benjamin D. Beddoe, died at her home, 1117 Lafayette street, yesterday afternoon, shortly after 4 o'clock. Mrs. Beddoe, if she had lived until today would have been eighty years of age, having been born at Merthyr Tydfil, South Wales, July 5, 1837. She came to America in 1869 and located with her husband and family on the West Side and has resided there since. She had suffered from rheumatism for nearly thirty years, and for several years past has not been able to leave the house

# NO SLEEP FOR THREE MONTHS.

One Cause of Sleeplessness That Can Be Readily Overcome.

Mr. William Handachu of 46th street, Cotton alley, Pittsburgh, Pa., expresses himself as follows regarding the new remedy for rheumatism and obstinate disease, piles: "I take pleasure in stating that I was so afflicted with piles that for three months I got no regular sleep; I became completely prostrated, the doctors did me no good; my brother told me of the new remedy for piles, the Pyramid Pile Cure; I purchased from my druggist 35 cent boxes and they completely cured me. I am once more at my work and but for this excellent medicine I should be on my back. I take great pleasure in writing this letter because so many people are suffering from the trouble who like myself did not know where to look for a permanent, reliable, safe cure.

Experience with the Pyramid Pile Cure in the past three years has demonstrated to the medical profession, as well as to thousands of sufferers from piles, that it is the safest and most effectual pile cure ever offered to the public, containing no opiates or poisons of any kind, painless and convenient to handle, and being sold by druggists at 50 cents and \$1.00 per box, is within the reach of every sufferer.

Very frequently two or three boxes have made a complete cure of chronic cases that had not yielded to other remedies for years.

There is scarcely a disease more aggravating and obstinate to cure than the various forms of piles and it is a common practice to use ointments, salves and similar preparations containing dangerous poisons to remove the trouble. The Pyramid has superseded all of these ineffectual remedies and no one suffering from any rectal trouble will make any mistake in giving the Pyramid a trial.

If in doubt as to the nature of your trouble send to the Pyramid Drug Co., Albion, Mich., for a valuable little book on piles, describing all forms of the disease and describing the method of cure.

Any druggist can furnish the Pyramid Pile Cure as it is the best known and most popular remedy for piles and if you ask him he can doubtless refer you to many people in your vicinity who have been cured completely by it.
