HOT WEATHER DYSPEPSIA.

Thousands Suffer from It at This Season of the Year.

Hot weather dyspepsia may be recognized by the following symptoms: Depression of spirits, heaviness and pain in the stomach after meals, loss of flesh and appetite, no desire for food, bad taste in the mouth, especially in the morning, wind in stomach and bowels, irritable disposition, nervous weakness, weariness, costiveness, headache, palpitation, heartburn. It is a mistake to treat such troubles with "blood purifiers," "cathar-"tonics," "pills," because the whole trouble tics." is in the stomach. It is indigestion or dyspepsia and nothing else.

All these symptoms rapidly disappear when the stomach is relieved, strengthened and cleansed by Stuart's Dyspepsia Tablets. They should be taken after meals and a few carried in the pocket to be used whenever any pain or distress is felt in the stomach. They are prepared only for stomach troubles.

Stuart's Dyspepsia Tablets are endorsed by such physicians as Dr. Harlandson, Dr. Jennison, and Dr. Mayer, occause they contain the natural digestive acids and fruit essences which when taken into the stomach cause the prompt digestion of the food before it has time to ferment and sour, which is the cause of the mischief.

Stuart's Dyspepsia Tablets are pleasant to take and unequaled for invalids. children and every person afflicted with imperfect digestion. It is safe to say they will cure any form of stomach rouble except cancer of the stomach. Nearly all druggists sell Stuart's Dyspepsia Tablets, full sized packages at 50 cents. A book on stomach troubles and thousands of testimonials sent free by addressing Stuart Co., Marshall, Mich. ...

iam Gillespie. ) CHURCHMEN PLUCK AN EYE OUT.

Follow Their Pastor in a Questionable Bible Transaction.

O'Neill, Neb., July 8 .- Rev. Reuben Beackim, pastor of a negro church near O'Neill, is urging the members of his flock to put out one of their eyes, and many are complying with his wishes Beackim himself practiced what he preaches some time ago.

Inflammation has also affected the remaining one seriously, and he is nearly blind and will probably be so. It is his claim that the Lord approves of one-eyed men in the twenty-second chapter of Matthew, in which it is stated that "if thine eye be single then shall thy whole body be filled with light."

The pastor has placed the wrong inter pretation on the passage, but the overwhelming majority follow him blindlyliterally.
