

The Scranton Tribune Daily and Weekly No. Sunday Edition.

By The Tribune Publishing Company, WILLIAM CONNELL, President.

A Question Worth Considering. In the six months ended July 1 only 622 miles of new steam railway track were laid in the United States...

A Plea for the Dog. The Society for the Prevention of Cruelty to Animals, through its organ, Our Animal Friends, makes a just and timely plea for the dog.

Arguing for Spelling Reform. Before the American Philological Association Dr. Francis A. March of Lafayette College...

When you hear a cry of "Mad dog" in the street, the chances are many thousands to one that the dog is not mad.

These are the statistics of the English schools, and he finds that the average time allotted to spelling, reading and dictation is 32.2 per cent. of the time devoted to secular instruction.

The trouble with Japan, like the suspected criminal, is that she doth protest too much.

The tall; it is the cat which is doing the pulling." Mr. Bryan had better beware lest the Democrats catch should turn about on these fine days and read him with her claws.

Rev. Dr. De Costa, of New York, is a clergyman for whom we have great esteem; but he makes assertions without proof when he says that men and women who ride the bicycle are more apt to forget the Ten Commandments than any other class of people.

A financial critic complains that most persons misquote Bishop Berkeley by saying that "westward the star of empire" "takes its way."

Nearly one-sixth of the revenue provided for in the Dingley bill comes in the shape of a tax on luxuries.

What has come over the spirit of the dreams of the esteemed Pittsburgh Dispatch that it is now so suddenly angry at Senator Quay?

Already the political atmosphere of Philadelphia is filled with war cries, and the harmony died not two months old.

Senator Pettus, of Alabama, was 75 years old. During President Cleveland's first term he was appointed for a seat on the United States Supreme bench to fill the vacancy caused by the death of Associate Justice Key.

General Pettus returned to Alabama and immediately stated that, when elected for the senate, he finally succeeded in doing.

Well does the angler love the fish that is squirting in the air! With dancing eyes he winks his eye as he leaps and struggles there.

It is likely in the future that more of the seed used in the country will be raised at home, as the pending tariff bill contemplates a duty of 40 per cent. on all foreign seed.

Commissioner of Pensions Evans is investigating the records of his office with a view to ascertaining to what extent the privilege of taking annual and sick leave has been abused.

The latest presidential slate of the silver forces for 1897 is William Jennings Bryan, of Nebraska, and J. Donald Cameron, of Pennsylvania.

From the Washington Post. Many of the ablest men who have served the republic in congress, in the cabinet, and in the presidency had only limited facilities for acquiring knowledge from text books and teachers.

After all, our relations with Great Britain present very few problems and complexities. We have learned by experience that nothing in the way of justice and fair dealing will be expected of her as the result of diplomatic palaver.

From the Washington Post. After all, our relations with Great Britain present very few problems and complexities. We have learned by experience that nothing in the way of justice and fair dealing will be expected of her as the result of diplomatic palaver.

Secretary Gage declares that now "the gospel of depression and discouragement" is preached to the people.

Well does the angler love the fish that is squirting in the air! With dancing eyes he winks his eye as he leaps and struggles there.

He knows that it moves through the crystal cool. With never a wave to show the path it takes.

As we look on it later, may we not regret our motto once more. For the spot is in store. Like the fish that got away.
