CLEARLY OUTPLAYED.

Miners Lost Because Rochester Excelled Them in All Departments of the Game.

The detailed score and summary very clearly indicates why the Brownies won in a walk from the Miners yesterday. Yerrick pitched superb ball and made amends for his weakness in the wind-up of Thursday's game and would have shut the Miners out but for an error by Dooley with two out and following Boyd's three-baser in the fifth inning.

Aside from their inability to hit Yerrick the Miners discouraged the local fans by their poor base running and Bonner's errors early in the game, which gave the Brownies their lead. As on Thursday, Dooley and his hitting cut quite a figure in the contest and made four of Rochester's nine runs possible. Bonner fumbled Shannon's grounder at the start and by his wild throw when the latter was safely on first made a double error, Shannon going to second and scoring on two flies to the outfield.

In the third Shannon walked, got second on Wellner's fumble of Lynch's bunt and the two runners advanced on Shearon's sacrifice. Dooley fouled to Massey. Shannon ran out of line on Richter's force hit and after the ball was thrown to Bonner to catch Richter, Bonner threw the ball to first, but Massey was not there to receive it and Lynch scored.

ROCHESTER MADE IT SURE.

With two out in the seventh, singles by Shannon and Lynch and a walk to Shearon filled the sacks. Dooley cleaned the circuit by hitting to left center for two bases. In the ninth a walk to Yerrick, a hit-by-pitcher on Shannon, Lynch's sacrifice, Shearon's single and Dooley's triple over Eagan's head scored four runs and made the tally 9 to 1.

The Miners could never connect with Yerrick for more than one hit in one inning and for only five hits at that. Three good chances to score were lost by Beard's nap off first, Massey running on a fly to Richter with only one out and a doubling of Walters and O'Brien on the latter's liner to Mulvey.

There were a number of golden opportunities for scoring missed by the Miners before Wellner weakened and while he was holding the Brownies down to two scattered hits up to the seventh inning.

In the second Eagan reached first on Shannon's fumble but was flagged in an attempt to steal second with none out. Bonner walked. Massey singled and each advanced a base on Maguire's life but the side retired on Boyd's fly to Richter.

O'BRIEN SINGLED.

With one out in the third O'Brien singled but was forced at second by Walters and Beard flew out to Henry.

In the fifth, with one out, Boyd hit to left-center for three bases. Shannon's assist made Wellner the second out. O'Brien hit a grounder which Dooley missed and Boyd came in with the only Scranton run of the game and an unearned run at that. Walters was assisted out at first.

Beard opened the sixth with a single. Eagan went out on a bunted foul to Mulvey and Beard was caught napping off the base before Bonner struck out.

Massey led off with a single in the seventh but made the mistake of running on Maguire's fly to Richter, the latter getting the ball back to Dooley in time for a double play. Boyd flew out to Shearon.

In the eighth with one out O'Brien got to first on Shannon's fumble and poor throw. Walters hit a liner to Mulvey and a double play was made on O'Brien at first. Three flies disposed of Beard, Eagan and Bonner in the ninth.

Police Take Part in the Louisville-New York Game.

Louisville, Ky., July 16.—The Colonels defeated New York twice today and the games were attended with great excitement. In the first game Fred Clarke, of Louisville, and Davis, of New York, had a fist fight, and both were put out of the game. In the ninth inning, of the second game, the New Yorks became angered at Umpire Wolf for sending in the tieing run with a base on balls when the bases were filled. Park Wilson tried to strike Wolf and two policemen escorted Wilson off the field. In the excitement Pickering ran in with the winning run. Scores:

ROCHESTER CLUB SOLD.

Franchise Has Been Transferred to Montreal, Canada---Fire Destroys Rochester Grandstand.

Montreal, July 16.—Manager W. H. Rowe has secured the franchise of the Rochester base ball club of the Eastern league for Montreal. There is said to be plenty of money behind the Montreal club and the team will be materially strengthened. The team will open here on July 23 with Wilkes-Barre, playing thirteen home games.

Rochester, N. Y., July 16.—Fire today destroyed the grand stand and other buildings on the Rochester base ball grounds. Loss, $9,000. It is probable that this will end base ball in Rochester for the season and that no more Eastern league games will be played by the Rochester base ball club.

Manager Weidman, of the Rochester club, which is now playing in this city, was last night asked for information concerning the Rochester fire and the proposed transfer of the club to Montreal. He had heard nothing of the transfer and had learned of the fire only through the evening papers.

Several days ago P. T. Powers, president of the league, wrote the league's directors in several cities asking their consent to a proposed sale of the Rochester franchise. Scranton's consent was given and it is presumed from the reported transfer that a majority of the directors approved of the deal. That is all that is known of the matter here. For several weeks it had been rumored that Montreal parties wanted to buy the Wilkes-Barre or Rochester franchise, but from both these cities it was given out that there would be no transfer.

Toronto will now be paired with Montreal and Buffalo with Syracuse.

DIAMOND DUST.

It is "Montreal" today.

Two games will be played this afternoon. Morse and Becker will be the opposing pitchers in the first game and Harper and Gannon in the second. The first game will begin at 2.15 o'clock.

Unofficial records give Corbett, of Baltimore a batting percentage of .433, Delahanty, .406; Keeler, .404; Wallace, .392; Kelley, .380; Duffy, .372; Clarke, .371; Orth, .357. Baltimore has three men in the first ten, as has Philadelphia. Boston has two.

Billeagan has not yet received his bill for the Springfield fence. By use of one base ball Bill is alleged to have totally demolished 300 yards of fence in seven minutes, smashing 800 boards into small splinters. Bill has offers from several Adirondack sawmills to turn the forest into kindling wood.—Syracuse Standard.

Eastern league papers continue to include Scranton in their references to clubs with farmed players. Who is or who are the farmed players on the Scranton team? Every player who wears a Miner uniform has attached his signature to a regular Scranton Eastern league contract without conditions or restrictions other than those regularly contained in the printed contract. Chalk up.

We have played twent-six games and lost all but a few. We were surprised by the wonderfully fine point to which Americans have reduced the game. The throwing and fielding are marvellous, and until our players improve in those branches of the sport they cannot hope to compete with Americans," said Manager Musgrove, of the Australian team, as it shook the dust of the United States from its heels Friday and started for England on its tour of the world.

It is generally conceded that this will be the worst base ball year financially since the beginning of the twelve-club circuit in 1892. Of course, there will be exceptions. Boston promises to make more money than it has made for years. Cincinnati is bound to do well. New York will make more money than it has for many years. Baltimore will also make a good showing. All the clubs that have been in the race will find no chance to complain, but the less said about the others the better.—Boston Herald.

"Sandy" Griffin played in two games for Scranton and his average reads like this:

	A.B.	R.	1B.	P.C.
Griffin, Scr	8	5	5	.625

He can afford to let it rest at that. "Sandy" leads the league.—Syracuse Standard.

AN AMERICAN WON.

Ten Eyck's Victory at Henley Doesn't Suit the Britishers.

Henley-on-Thames, July 16.—In the Henley regatta today the famous diamond sculls was rowed, and for the first time in the history of this great race, it was won by an American. E. H. Ten Eyck, of the Wachusett Boat club, of Worcester, Mass., defeated H. T. Blackstaffe, of the Vesta Rowing club, of London, in eight minutes and thirty-five seconds. Ten Eyck's victory means that the diamond sculls will be rowed in America next year.

In the semi-finals Dr. W. S. McDowell, of Chicago, was defeated by Blackstaffe; while Ten Eyck won his heat with B. H. Howell, Trinity college, Cambridge, also an American. When Ten Eyck and Blackstaffe got away on the final heat Ten Eyck was slightly in advance of Blackstaffe, and he was never headed. He won easily by two lengths.

When Blackstaffe finished, Ten Eyck rowed up to him and shook him by the hand. While there was some applause, the victory was, on the whole, highly unpopular, the more violent section asserting that it is only an old trick of professionals coming over as amateurs.

MORE HORSE RACING.

Scranton Is to Be Favored with First-Class Events and Rich Purses in August.

Horsemen of this city and vicinity, and throughout the east for that matter, will admire the pluck of Wilbur A. Rice, manager of the Scranton Driving park, in offering the large sum of $3,400 in purses for the midsummer trotting meeting, Aug. 3, 4, 5 and 6. The purses are for $200, $250, $300, $400 and $500 and in addition there will be valuable prizes for bicycle races each day under a special sanction of the L. A. W. official racing board.

Rarely are such generous purses offered outside the big tracks, but in view of the very successful meeting here last month the park management feels warranted in making its generous offers. The programme for the four days, from Tuesday to Friday inclusive, will include a $500 free-for-all, a 2.12 trot for $400, a 2.17 trot or pace for $400, a 2.20 trot or pace for $400 and 2.24, 2.25, 2.29 and 2.50 events.

Following is the programme in detail:

TUESDAY, AUGUST 3.

2.50 Trot ..... Purse $300
2.20 Trot or Pace ..... Purse $400

WEDNESDAY, AUGUST 4.

2.20 Pace ..... Purse $350
2.25 Trot ..... Purse $300

THURSDAY, AUGUST 5.

2.12 Trot ..... Purse $400
Free-for-All. ..... Purse $500

FRIDAY, AUGUST 6.

2.29 Trot ..... Purse $250
2.17 Trot or Pace ..... Purse $400
2.24 Pace ..... Purse $300

The entries will close Tuesday, July 27, at 11 p. m. Records made that day will be no bar. The conditions are: National Trotting association rules to govern. Five to enter, four to start. All races in harness. Mile heats, best three in five. Entrance fee, 5 per cent., with 5 per cent. additional from winners. No conditional entries. Any horse distancing the field, or any part thereof, entitled to first money only. Purses divided into 50, 25, 15 and 10 per cent. Right to change programme reserved. Usual weather clause will prevail.

Frank G. Smith, of Buffalo, who gave such general satisfaction as a starter at the June meeting, will again officiate.

Under the conditions and considering the value of the purses and the repute recently attained by the Scranton track some of the best horses now in the East will be attracted here. It is certain that the large crowds of June will not even approach in numbers the throngs that will witness the coming races.

The bicycle events will be for mercantile prizes, the only prizes permitted for amateurs under the League of American Wheelmen rules. These races will be under the direction of C. M. Price, of this city, chairman of the League of American Wheelmen state racing board, and he will be consulted as to the starter, timers and other bicycle officials.

The bicycle races will be as follows: Tuesday, half-mile open and 2-mile handicap; Wednesday, half-mile tandem race for a $35 gold medal, and a 2-mile lap race; Thursday, 2-mile open and a 2-mile championship of Northeastern Pennsylvania, open to riders from Lackawanna, Luzerne, Susquehanna, Wayne and Monroe counties and for a $35 gold medal; Friday, 5-mile handicap. There will be exhibition events to be announced later.

AT THE BLUE RIBBON TROT.

Octavia, the Favorite, Wins the Consolation Purse of $2,000.

Detroit, Mich., July 16.—Today's races at the Blue Ribbon trotting meeting were rather slow. The event of the day was the Merchants' and Manufacturers' consolation for a purse of $2,000 for horses that were beaten in Tuesday's race.

There were thirteen starters and Octavia, the favorite, won by taking the second, third and fourth heat. Mosul took the first heat. The fastest time was 2.11½, made in the second heat.

The four-year-old pacing race was won by Agitato. Best time, 2.10¼. The three-year-old trotting race was taken in straight heats by Hastings. Best time, 2.19½.

WHEELMEN IN A SPILL.

Club Run to Elmhurst Last Night Ends Disastrously.

A party of fifteen of the Electric City Wheelmen took a run to Elmhurst last night. On the return trip at 12.30 o'clock this morning while the line was scorching along at the speedway one of the leaders, Frank Depue, took a header and several of those following piled on top of him.

Depue and Henry Williams were badly bruised and cut, the former so severely that a carriage had to be secured to take him home. He resides on Penn avenue and is employed by Spruks Bros., of Lackawanna avenue. Williams lives on North Main avenue.

CLEARWATER BEATEN 250 POINTS

At the Finish of the Three-Night Match, the Score Was: Keogh 600, Clearwater 350--The Latter Will Wait the Customary Five Days and May Then Challenge Again--He Compliments the Scranton Lad.

Jerome Keogh, of this city, retains the world's pool championship by winning the three-night match with W. H. Clearwater, of Pittsburg. At the Academy of Music last night Keogh pocketed 199 balls against Clearwater's 129, winning for the third consecutive night and making a total of 600 balls to Clearwater's 350.

The scores for the three nights were:

				Total.
Keogh	209	192	199	600
Clearwater	130	91	129	350
	79	101	70	250

As on the preceding nights, the series was finished with a plain evidence of the young Scrantonian's superiority. Early in the evening he played with extreme caution, but after a few frames and when it was apparent that Clearwater was not in dangerous form, Keogh took all manner of chances in breaking the balls on doubtful combinations. In this he was nearly always successful and won twelve of the twenty-three frames. He made three runs of fifteen and in six frames secured all the balls on the table.

Following is the score in detail, a dash (—) indicating the break, the letter "S" a safety and an asterisk (*) a scratch:

1	Keogh	- s * s 3 1 s 5 — 8—409
	Clearwater	. 0 s * 0 3 s 0 3 — 5—226

At the conclusion of the match Clearwater was 51 balls short of the number to Keogh's credit at the end of the second night's play.

To a Tribune reporter Clearwater said last night: "I have only one excuse to offer—Mr. Keogh proved himself to be a much better player than I had given him credit of being, and because of this underestimate I did not prepare myself for the match with the same care that I should have done. He is a wonderful player, and it will take a good man to defeat him. I haven't despaired of doing it. There is no need of my telling you that my playing was not of the championship kind; it was not nearly as good as I have played. I shall wait the customary five days and give someone else an opportunity of challenging him. If he is not challenged I shall do so and will stipulate that the games shall be played next winter."

Mr. Clearwater, his backer, Mr. Allum, and John Krebs, all of Pittsburg, spoke in high terms of the fairness and good treatment they had received at the hands of Mr. Keogh, his friends and the Scranton admirers of the game, and they also had a kind word to say for the Brunswick-Balke-Collender company, which managed the match, and J. H. Spangler, of Philadelphia, the referee, and the company's representative.

DeOro, the expert from whom a challenge might be received, is now in a Philadelphia hospital, where he is convalescing from a surgical operation, which removed one of his kidneys. On this account it is inferred that he will bide his time and wait to challenge the winner of the next match in which Keogh participates.

BERNSTEIN IN GOOD SHAPE.

His Manager Writes Concerning the Bout in Scranton.

The following letter from Charles Horan, of Arthur Lumley's New York office, manager for Joe Bernstein, was received yesterday and explains itself:

New York, July 15.

Sporting Editor The Tribune.

Dear Sir:—Joe Bernstein, who is matched to box twenty rounds with Fred Wright, of Peabody, Mass., before the American Sporting club, of Scranton, on July 29, is training down at Coney Island. The men are to box at 124 pounds, weigh in at 3 p. m. the day of the contest.

Bernstein, who has a large following in Scranton, would like to inform his friends through your valuable paper that he will be in the best possible condition the night he faces Wright.

The latter is a big, strong young fellow, fairly clever and can hit as hard as a lightweight. If Wright shows up in good condition, Scranton sports should witness one of the best bouts ever given in that city. This will be Bernstein's last appearance in America previous to his leaving for England, where he is engaged to box Ben Jordan for the featherweight championship of the world. Yours very truly,

Charles Horan.

DOCTOR REQUIRED MEDICINE.

Pittsburg Physician Under the Care of the Desk Sergeant.

Thursday morning at 7 o'clock Patrolman Haggerty picked up a man on Linden street who was acting in a very disorderly manner and put him in the central station house. He was so drunk that he was not fit for a hearing until evening. When he was arraigned he stated that his name was Frank A. Stanley, his residence Pittsburg, and that he was a physician and surgeon by profession. A $3 fine was promptly paid and he walked forth a very meek and crestfallen man.

At 2 o'clock yesterday afternoon Sergeant Delter, Detective Dyer and Patrolman Goerlitz brought in a very boisterous prisoner, who had been found at the Delaware, Lackawanna and Western station insulting people and raising a general disturbance. The night officers recognized in him at once the Pittsburg doctor who had been discharged the previous evening. He was very much the worse for drink and last night was being given liberal doses of "jag cure" to prevent threatened delirium tremens.
