Cincinnati, O., Aug. 4.-The Reds and

Pittsburg played two games today. Fil-len pitched the first game for the visitors and the Reds found him very easy. The

second game was called in the sixth inning on account of darkness, with the score a tle.

Hurst had given the Reds the worst of

a decision and an irate rooter rolled a beer glass into the diamond. Umpire Hurst picked up the glass and threw it into rooters' row and hit John Cartuy-veiles over the right eye, inflicting a seri-

ous wound. A patrol wagon was immediately called and Hurst was arrested, charged with assault and battery. Red Bitman took Hurst's place as umpire.

MANY CRACK RACERS ARE PRESENT

Over 1,500 Riders, Many of Them Women, Cover the Ten Miles of the First Run to the Country Club House of the Century Wheelman. "Johnny" Johnson Meets with an Accident -- Headquarters for Women at Odd Fellows Temple.

Philadelphia, Aug. 4.-Close, sultry weather characterized the opening day of the eighteenth national meet of the League of American Wheelmen, but it failed to suppress the enthusiasm or lesson the number of arrivals. The number of wheelmen already regis-tered is far in excess of any previous two race meets, and up to a late hour tonight every railroad train brought additional visitors.

Prominent among today's arrivals were Albert Mott, of Baltimore, chairman of the national racing board: Herbert Foltz, chairman of the Indianapolis racing board; Albert Bassett, secretary and treasurer of the National L. A. W.; Sterling Ellicott, ex-president of the league, and William H. Klinker, secretary of the As-sociated Cycling clubs of New York city. A. D. Peck, secretary-treasurer of the Massachusetts division, who will act as a starter in the races, arrived safely after having wheeled all the way from Boston. G. F. Kast. president of the Louisville League Wheelmen, who will act as clerk of the course, arrived today. Ex-chairman of the racing board, Howard E. Raymond, came in on an early train and was in conference with George Gideon, last year's chairman. During the morning Chairman Mott, Thomas Hare, chairman of the race meet executive committee, and Abe Powell, official handicapper for this district, went carefully over the list of entries and examined the record of each professional and amateur. Two entries delayed in transmission were received today. They were J. Frank Mohler, and Andre Bouling, of the City of Mexico. They are the amateur champions of Mexico and are reported to be very fast riders.

STREETS DOTTED BY RIDERS. From the first gleam of daylight until long after midnight the asphalted streets, suburban roads and park drives were dotted by riders of both sexes. Although the humidity was high, the sun was behind clouds most of the day and lessened the discomfort considerably. The first scheduled run of the meet was started at 9 o'clock from the national headquarters. Over 1,500 riders, many of them women, covered the ten miles to the country club house of the Century Wheelman, riding along the river drive in Fairmount park, and the picturesque Wissahickon valley. After refreshments, the return to the city was made, and a much larger number rode out the Lancaster pike, the finest macadam road in the country, passing the country homes of some of and was ordered out of the game. Captain Tebeau refused to put a man in to but for Burkett and after waiting five stantial citizens. When the wretched condition of Mulberry street is taken into consideration the ride was certainly a plucky one. The wheel ridden was one made by George Kline, also an employe of Florey's.
