## Scranton Did the Trick on the Home Grounds with Neatness and Dispatch.

As an adjunct to dressing room lectures, Manager Sandy Griffin might do Casey. well to ring in a directorate meeting White. now and anon. They are certainly helpful. After a disastrous two weeks' MeGan McHale. trip, unmarred by a single victory, the Freema D. Smit Scranton team returned home yester-Wagner day morning and in the afternoon, with their nerves at a Damocletian tension, William played the Providence Grays to a standstill. Their fielding was nothing to brag of, and the batting was about what should be expected of them, which is saying much for the batting. In Shanno hase running, however, they showed Lynch, the affects of the directors' meeting, Shearon their evident desire to make runs even at the expense of a little exertion being a sort of revelation. There was a dash and a to-the-deuce-with-records gait about the play, too, that bespoke the club having awakened to the fact that they are being paid to play the best ball they know how. Harper's work was enough to win the game in itself, but even though he had pitched only an ordinary game the team would have won. But be that as team would have won. But be that as it may, he pitched great ball and if there was any assurance that he would continue to do anywhere near as well it would be a loss to part with him. Beard, who was released last night, put up his best game of the season. He covered all the territory staked out for him, helped Maguire in two instances to cover the region to the right of him and assisted in the run-getting very materially, among other things beating out a bunt and stealing a base with a heady start and great slide. Massey, another over whom the blade hangs, shows a very commendable desire to do something for his country, fielding his position with snap and vim and letting himself out a little on the bases. Eagan didn't get a chance to do any fielding, but he batted like a man that was getting sleep enough to keep his eye in condition. Maguire didn't make the semblance of an error or do anything eise that was remarkable, leaving aside his great throws. Not a little of the ginger of the game was due to the coaching of our longlost Tommy Johnson, who, in response to calls from the bleachers, came out on the line and did his little turn with all his old-time voice and energy.

Beard halted the threatened run of scoring by gathering in Murray's hot grounder, which created a double play. Harper made the third out by fooling Weigard three fimes. In the seventh Providence again

threatened to make some runs, and would have done so but for a piece of unusual good luck. Drauby's single to left, and Bonner's muff and bad throw of Bassett's hard drive put the former on third and the latter on second. Two were out. Braun drove a stinger along the third base line. Instead of trying to get it, Maguire held

The ball made a boldfaced prevari-cator out of Maguire, for it plumped straight into the bag, took a straight real--Star's Lead is Now Very up bound and landed square in Maguire's uplifted distress signal. As toon as he felt the ball in his paw he

closed on it and with one of his wonderful catapault shoots landed the ball at first three feet in advance of the runner. Scranton scored two in the seventh. Coogan's muff of O'Brien's high fly, and Beard's safe bunt and nice steal,

mer's out to deep right and Eagan's gle to right scored. SCRANTON.

# **ANOTHER UMPIRE'S TROUBLES.**

### Lynch and Doyle Have a Mix-Up at Boston.

Boston, Aug. 6.—For five innings today the Bostons were unable to touch Pond, while the Baltimores hit up Klobendanz in great shape. The home team then fook a brace, and in the next four inn-ings batted Pond out of the box, Nops replacing him in the ninth, while Klob-endanz was invincible. In the eighth inning of the game two Baltimore men stood by the bench. The Baltimore men stood by the bench. The attention of Umpire Lynch was called to

stood up and made an uncomplimentary remark to Umpire Lynch. The latter iid not take notice of it.

At the close of the inning, when the Baltimores went to the field, Doyle used bad language to the umpire, following it up with a vile epithet. Mr. Lynch rushed at Doyle and clinched with him. The players rushed to separate the combat-ants. A policeman ran to the scene, but fils services were not required. Doyle went to the bench and Mr. Lynch reumed umpiring.

rect yesterday in its story of the Fields-Barry and Massey-Boyd deal, but accord-ing to the information given the Scranton

Late last season he batted like a second edition of, Ed Delehanty batted But when the team passed under the Jimmy Rogers administration Pickering was nagged and guyed by Jimmy, who railed at the youngster's bovine demeanor, and applied to him the far-back title of Rube. umpire. President Young may not remove him, but his reappointment next season is quite out of the question. For As a matter of fact, it is said that Hurst's fate in this respect was settled some time ago.

It will be remembered that in 1895 President Young sprang a sensation by failing to reappoint Tim on his staff of umpires. Hurst has always been a great favorite with Mr. Young,

and it developed that a majority of the clubs had entered a vigorous protest against the little fellow. At that time t was said that Hurst's language and actions toward the players were behind the protest, as well as his prize ring

connections. Since then Hurst has had a great deal of trouble with ball players. Tim is an aggressive, square-jawed firebrand, with absolutely no control over his temper. He knows nothing of policy or dignity. Absolutely fearless as far as personal courage is concerned,

he fights the roughs of the ball field with their own ammunition. As a result of this system the newspapers have teemed from time to time with accounts of personal altercations between the umpire and pugnacious players and Hurst has gained quite an

Philadelphia, Aug. 6.—The opening race meet of the eighteenth annual meet of the League of American Wheelmen, was held today at Willow Grove park, 14 miles from this city, before 15,000 spectators. It was the most successful in the history of the organization, in attendance, enthusiasm and good racing. Several state records were smashed, and Arthur Gardiner, the Chicago crack, came within two-fifths of a second of breaking Hamilton's world's record for one mile paced. He succeedd in lowering the fast mile made by "Johnny" Johnson, Chicago, last year by four-fifths of a second.

Cardiner was paced by two quads, one loaded with Wenzel, the Turville boys and Coburn; the other with W. E. Becker, W. L. Becker, Crooks and Steenson. He crossed the line like a flash and the time was caught beautifully. He never ceased his pace until the finish, made in 1.39 3-5, breaking the state record of 1.45 3-5 held by Earl Kiser.

Starbuck also took a trial at the record, paced by a quad and triple. For

the first half he made very fast time but lost behind the triple. His time was 1.44 3-5, also breaking Kiser's record. Both these events followed the sched-

uled races for the day. In the latter the honors among the professionals were won by F. J. Loughead, of Sarnia, Ont., who crossed the tape a winner in three trials, two finals, and second man in a third final. In one of the finals the one-mile professional, he broke the state competition record of 2.04 4-5 by

covering the distance in 2.03 3-5. He captured the one-quarter-mile championship in 32 seconds. Among the amateurs, honors were

more evenly divided, with the best racing done by Peabody, Johnson, Middendorf, Schade, Krick and Miller.

PERFECT DAY IN RACING.

The day was perfect for racing, the sun not up long before hundreds of cyclists were pedalling along the historic and picturesque York roads towards Willow Grove, and even greater numbers were taxing the railroad trains and trolley cars to their utmost. Notwithstanding many of the visiting wheelmen did not get away from last night's smoker at the national headquarters until nearly daylight, most of them were astir early. The heat from the sun was tempered by a cool northweserly breeze and there was an almost total absence of humidity.

There were early morning runs to League Island navy yard, at the lower nd of Broad street, across Rope ferry bridge to Paschallville, returning by way of Woodland avenue, West Phil-adelphia, to Broad street, where the columns merged into the army of

like a flash when near the finish and crossed the tap a wheel ahead of Bald, with Kiser a close third. Time, 2.03 3-5, breaking the state competition record of 2.04 4-5. The next event was the final heat in

the one-mile, 2.05 class, professional. The starters were Mertens, McFarland,

Oldfield. Mertens had the pole. There was one false start. At the second at-tempt they was a set at the second attempt they were gotten off. The final in the one-mile chan six starters. Ertz led the bunch in the first lap, with Howard second. On the last lap began a beautiful run in which

all hands made a play for place. Stev-ens caught Ertz in the stretch and shoulder to shoulder they came home. Ertz winning by an inch from Stevens, Middendorf taking third place Time, 2.16 2-5.

The final one-quarter mile championship, professional, was the next event called. There were five starters, Gardiner, Cooper, Randall, Bald and Loughead. Cooper jumped off in the lead. After they had gone forty-five yards Randall took the lead and was setting at a terrific clip. In the stretch Cooper. Loughead and the others came with a rush, all abreast. The pace was kept up to the tape. Loughead won, Cooper

second, Randall third. Time, .32. PUZZLE TO PICK THE WINNER. Final one-third mile open, amateur, Nine starters. The men got away in a bunch. They were all together on the turn and as they turned into the home stretch scarcely six inches separated them. At the tape it was a puzzle to pick the winner. The race was finally given to Ed. Liellwyn, of Chicago; W. H. Fearing, New York, second; Chub Nelson, Springfield, third. Time, .43 3-5.

A triple ridden by Appel, Kammer and Haight, of Rochester, tried for the one-third mile flying start record of 30 seconds. They finished in 23 seconds F. A. McFarland, scratchman in the sixth heat of the two-mile handicap professional, was allowed to start in the final, it being claimed that he ran

a dead heat for third place. Final twomile handicap professional, eighteen starters. On the first lap there was a spill and two men stopped. The rest of the push pedalled hard and at the first mile the men crossed in a bunch. On the last lap all were together and in danger of a spill. On the turn into the stretch three of the riders drew away

up on the hill and made the opening for the spurt home. McFarland, scratch, crossed a winner; Fred Loughead, scratch, second; J. A. Newhouse, 25 yards, third; O. L. Stevens, 70 yards, ourth; Charles A. Church, 40 yards, fifth; W. C. Sanger, scratch, sixth.

Time, 4.44 2-5. Final two-mile handicap, amateurs, 18 starters. Schade, Goehler and Miller were on the scratch. The riders set a hot pace the entire distance. Huasman, 20 yards, won; R. A. Miller, scratch, second; C. W. Krick, 40 yards, third; H. W. Middendorf, 50 yards, fourth; C. M. Bly, 40 yards, fifth; W. A. Ladue, 70 yards, sixth. Time, 4.30.

In the third Egan hit one to Bassett that it was simply impossible for him to hold. He was helped to third by Boyd's single and his own good running, Maguire fulfilled fondest expectations by going out on a weak infield

Harper opened up the fourth for Scranton with a bat-smasher over se ond, and receiving no assistance died at first.

Providence all this time had been do-ing absolutely nothing. In the fourth Drauby made what would be under ordinary circumstances a safe hit, bu Maguire's one-handed stop and Beard's lightning pick-up and throw ended in an out. It was a very pretty and creditable play. The only score made by the Grays came to them in the fifth. O'Brien muffed Cooney's fly and Wal-ters made his first muff of the season on Bassett's hard, low drive. It should be said, however, that it would have been a star out had he held it. ### BEARD HAS BEEN RELEASED.

#### In His Stead, Barry, of Buffalo, Has Been Signed.

Ollie Beard, shortstop and captain of the Scranton club, was released last night. He was released on notice from Manager Griffin from Buffalo that he had signed Barry and that the latter would play in this afternoon's game. Beard is the first to feel the effect of the owners' purpose to release the high-salaried men. His pay was \$250 per month, the \$50 above the lengue salary limit being for his services as captain. His record for the season is as follows: 77 games, 336 times at bat, 54 runs, 110 hits, 163 outs, 294 assists, 30 batting average, 327; fielding errors; average, .938, probably the best general average of any shortstop in the league. Manager Griffin failed in his attempt to sign Fields.

being too lenient with the Miners. John L. Sulävan will umpire the game

The Baltimores and a picked team of the league players expect to go to Califorma next winter. a diamond stud valued at \$200 and a handsomely bound testimonial by his fei-low townsmen of New Britain, Conn.

TRIALS BEGIN.

The trials began promptly at 9 o'clock, with several thousand spectators. At 12.40 there was recess for lunch. Meanwhile, the seats were rapidly filling and long before the hour crowd would be enormous. At 3 o'clock the track was cleared and rac-

Tonight Willow Grove park was given over to the wheelmen and the visitors saw exhibitions of trick and fancy riding, a display of fireworks, and a general good time. Tomorrow promises to be the banper day and the seating capacity of

the track will be taxed to the utmost. The races will begin at 9 o'clock under the same officials, with the exception that ex-chairman of the Racing Board Gideon will be relieved by Albert Mott, of Baltimore, the present chairman, as referee.

On the second lap the major took the lead with Bald close behind. Then the race commenced in earnest. Kiser, Callahan, Bald, and Sanger began together around the colored boy and they came down the stretch riding free and fast.
