THE JEFFERSONIAN DEMOCRATS ACTIVE

Chairman Given Arranging the Fall Campaign.

STATE CONVENTION WILL BE HELD

Mr. Given Would Like to See a United Party, but Says That the Old Keystone State Will Never Be Carried by an Army Marching Under the Flag of Bryanism.

Philadelphia, August 6.—Chairman William B. Given, of the Jeffersonian or sound money state committee, came to this city this afternoon, and after consultation with some of his Philadelphia colleagues, issued a call for a meeting of that body in the Hotel Walton, on Thursday, September 2, at noon. Every committeeman will be requested by letter from the chairman to be present, as the business premises of unusual importance, questioned on the subject, Mr. Given, while not going into details of plans which the sound money Democratic leaders have been considering for some weeks, disclosed enough to indicate that the organization of which he is the head will be maintained in fighting trim as long as the old party management persist in carrying the Chicago banner.

"At our state committee's meeting," said the chairman, "a number of important questions with regard to the approaching state campaign will be considered. Among these will be the fixing of a time and place for the meeting of our state convention and the advisability of placing a state ticket in the field."

"I think much will depend on the attitude and platform of the old organization at the Reading convention, which meets two days in advance of the Jeffersonian state committee's meeting. I think a united Democratic party in Pennsylvania is possible, but I confess that in the light of the utterances of several recent Democratic county conventions, it does not seem probable."

OBJECTS OF BRYANISM.

"With a united Democratic party taking advantage of the wide and seemingly irreconcilable dissensions in the Republican ranks, and of the profligate and corrupt record of the last Republican legislature, it might be possible to attract enough independent votes to carry Pennsylvania, but the old Keystone state will never be carried by an army marching under the flag of Bryanism."

Correspondence with Jeffersonian committeemen indicates a sentiment in favor of pressing National Committeeman John C. Bullitt to be the candidate for state treasurer if it shall be deemed advisable to nominate a state ticket this year. It is felt that issues with opposing parties could be raised more effectively by concentration on the state treasurer'ship. This is said to account for the fact that, if any, Jeffersonians have yet been mentioned for auditor general, while many are proposed in addition to Mr. Bullitt for state treasurer, along with them George F. Baser, of Reading; ex-Judge Galbraith, of Erie; B. J. McGrann, of Lancaster; Colonel Henry McCormick, of Harrisburg; and E. R. Payne, of Williamsport.

Strike at York.

York, Pa., Aug. 6.—The Schmidt chain works, employing in full operation about one hundred men, was compelled to close down today on account of a strike among the workers. The

strike extends to all but twenty-five men and the inciting grievance was the quality of the steel worked. Wage grievances may be brought in before the matter is settled.

IN MALE APPAREL.

A Woman Found in a Box Car Bearing Her Way South.

Pittston, Aug. 6.—Notwithstanding the fact that the police have been unusually vigilant in running down the tramp fraternity in the city during the past few weeks, as evidenced by the fact that at present there are twenty hobo in the county jail from this city serving time, while several others are improving the streets of the town, in the general raid of Wednesday night there was one at the Junction who, says the Gazette, was overlooked—a female "tourist," disguised in male apparel.

She was discovered in a box car by one of the brakemen. Her hiding place was not made known to the officers and she escaped arrest. She said her home was in Birmingham and that she was on her way to Maryland. The female "tourist" left this city on an early evening freight for her destination.

MADE A SERIOUS MISTAKE.

Young Lady Takes a Dose of Liniment and is Severely Burned.

Wilkes-Barre, Aug. 6.—Lizzie McCullough, a young lady of Barney street, has been suffering with a severe attack of rheumatism. Dr. Petty attended her and prescribed two bottles of medicine, one to be taken inwardly and the other to be used as a liniment. The two liquids were somewhat similar in appearance, and yesterday afternoon the young lady accidentally took the liniment inwardly.

She was severely burned, and for a time was unconscious. A physician was called, and succeeded with hard work in restoring her to consciousness. Today her condition was much improved.

JOHN LEONARD INJURED.

Was Caught by a Fall of Rock in the Schooley Mine.

Pittston, Aug. 6.—John Leonard, a well known resident of Tompkins street, Oregon Heights, met with a very serious accident this morning in the Schooley colliery of the Pennsylvania Coal company. He is employed as a tracklayer. When about to lay a branch, he found a piece of overhanging rock to be in dangerous condition, and he was helping to take it down when it suddenly fell upon him. The rock weighed about a ton, and he suffered a broken pelvis, a dislocated hip, and a very painful gash in the lower part of the body, besides being painfully squeezed and bruised. The Gazette intimates that his recovery is problematical.

Workman's Narrow Escape.

Reading, Aug. 6.—John Bright narrowly escaped death on the Reading railway on North Seventh street. He was working on the sewer as the train came along; a wheelbarrow standing in the train's way was struck and in turn struck Bright, throwing him against a wheel. He was badly squeezed and compelled to remain in his perilous position until the train had passed by. His legs were fearfully bruised and twisted.

Had Assaults Arrested.

Chester, Aug. 6.—Maurice Conners, the young man from Todmorden, who was belabored by Mrs. Maud French and her sister Alice, in the door of an Edmont avenue store, has had the sisters arrested, and Alderman Smith has bound them over to court on the charge of assault and battery.

ENTOMBED NINETEEN HOURS. Schuylkill County Miner's Frightful Experience in Packer Colliery.

Shenandoah, Aug. 6.—Joseph Karawick, a miner, was released from a manway in Packer No. 3 colliery yesterday, after being entombed for nineteen hours. While he was engaged in placing duall in a hole he had drilled there was rush of coal which caused him to jump into a manway. He was rescued, unharmed, after an hour's work. He said that after being imprisoned fifteen hours he was resigned to meet death, giving up hope of rescue.

SUES FOR DAMAGES.

Peeniler Case Brought Against a Well-Known Pittston Physician.

Wilkes-Barre, Aug. 6.—Several months ago a little son of Mr. and Mrs. M. S. Sax, of West Pittston, was taken ill. In the absence of the regular family physician, Dr. W. L. Hartman was called in, and he diagnosed the case as one of diphtheria. He treated the child for this disease, and administered antitoxine. The boy died, and the parents then called in their family physician, who with two other physicians made a post mortem examination, and in the opinion that the child had not suffered with diphtheria, but had died from pneumonia.

The parents now charge Dr. Hartman with malpractice, and suit was brought today to recover damages in the sum of \$5,000 for the death of their child, James L. Lenahan is the attorney for the plaintiffs.

PLUNGED EIGHTY FEET.

Terrible Fall of a Carpenter While at Work.

Mahanoy City, Aug. 6.—George Flood, an aged carpenter, employed on a construction gang, made a mistake while engaged at the top of the new tunnel at Ridge colliery yesterday and plunged headlong through the building. In his flight of eighty feet to the ground he struck many supporting beams and was frightfully injured. He was removed to the hospital and will probably die.

Pepper in His Eyes.

Lancaster, Aug. 6.—Otto Pachabel, a South Duke street grocer, became suddenly insane, and while being guarded by Police Officer Amos Hebble he threw the contents of a box of pepper—a quarter of a pound—into the officers' face. The policeman suffered terribly.

HEIRS HAVING A FIGHT. Administration of an Estate the Cause of a Legal Battle.

The administration of the estate of the late Maria Catherine Petzer, of this city, is causing no little turmoil among the heirs.

Soon after the death of Mrs. Petzer, her son-in-law, Peter Kellerman, husband of the second oldest daughter, took out letters of administration. This was not agreeable to others of the heirs and Frederick Petzer, the oldest son, petitioned court for the removal of his brother-in-law and the appointment of himself instead. He set forth in his petition that there are six children in all, himself, Mrs. Catherine Wirth, Mrs. Elizabeth Kellerman, Carolina Petzer, Charlotte Chase and John P. Chase, that the deceased possessed a large estate; that Kellerman is not a fit person to manage the estate and that Kellerman secured letters of administration without the advice or consent of the other heirs.

A hearing on the petition was conducted yesterday morning by Deputy Register James H. Hopkins and during the taking of testimony there were several very lively periods. This was particularly true when the defense offered evidence to prove that the petitioner was a drinking man and unfit for a trustworthy position. Petzer grew very indignant at this insinuation to do dire things to his accusers.

Mr. Lowry appeared for the petition and Mr. Taylor for the defense.

MR. M'GINLEY IS INSTALLED. Was Sworn in as City Solicitor by Mayor Bailey Yesterday.

Mr. Torrey, allow me to introduce City Solicitor Mr. McGinley. The mayor said it in all good nature, the "ex" and new city solicitor shook hands smilingly and to further emphasize that there were no hard feelings the two sat down and chatted pleasantly over a box of good cigars that Mr. Torrey opened. Then the mayor took his departure and Mr. Torrey proceeded to acquaint his successor with the run of things in the solicitor's department.

Before the arrival of the new city solicitor, Mr. Torrey had already commenced to move his belongings to his new suite of offices on the fourth floor of the commonwealth building. Attorney C. A. Battenberg, who has been his clerk, will accompany him there. Assistant City Solicitor D. J. Davis will remain for the present with Mr. McGinley. As to who will be assistant under the new solicitor nothing has as yet been given out.

Mr. McGinley took the oath of office before Mayor Bailey in the latter's private office at 10:45 o'clock yesterday morning. He will move his books and furniture to city hall this morning, and duly install himself as legal adviser of this great municipality.

INQUEST IN THE EVANS CASE. Verdict That was Returned by the Coroner's Jury.

The coroner's jury in the case of Elizabeth E. Evans who died by her own hand Sunday night, August 25, at Coroner Longstreet's office last night and returned a verdict simply stating that Mrs. Evans "came to her death by hanging herself with a rope."

The testimony of John Hunden, son of the deceased by her first husband, was very touching and deeply affected the witness during its recital. He told how he on that fatal night had wondered why the door of his mother's room was locked; he managed to place his hand inside and felt her cold face. Then he realized the awful act.

Mr. Hunden stated that in his opinion the cause of the suicide was that his mother thought that she was "in the way." Her second husband died about nine months ago and since then, although the family did everything for her comfort, she became melancholy and depressed.

John Davis, constable of the Fourth ward, and brother-in-law to Mr. Hunden, also gave testimony. The jurors were J. E. Kern, G. A. Williams, C. E. House, D. E. Vall, John J. Jones and John Reynolds.

MUCH DAMAGE WAS DONE. Phelps Street Property Owners Are Again Sufferers.

Wednesday's storm did considerable damage to properties on Phelps street, between Washington avenue and the Delaware and Hudson Railroad, at the Fourth district sewer became choked with the volume of water that came tumbling down from Dunmore and the water from the main sewer backed into the Phelps street lateral and thence into the basements of the houses along the street.

It is the second time within a few weeks that these properties have been flooded and each time much damage was done.
