## BOARD OF TRADE MEETS.

Large Number of Important Matters Come Up for Consideration—Two Sites for Factories.

The West Side board of trade met in regular session last evening in their new quarters in the West Side bank building. The room set aside for the use of the board has been tastefully furnished, and it is on the second floor in the rear. The meeting was opened at 8:15 o'clock, with President A. B. Holmes in the chair. Secretary Joseph Oliver read the minutes of the previous meeting, which were adopted.

In reference to the proposed pavilion at Hyde Park avenue, H. D. Jones reported everything in shape for signatures. Under manufactures, President Holmes stated that he had been further assured by Secretary Atherton, of the Scranton board, that nothing positive had been ascertained from the prospective factory in West Scranton. He would, however, keep in touch with the affair and use his influence to bring the factory to this side.

The board, by motion, concurred in the action of the committee for procuring rooms for the board's use. The committee had secured the room in the new bank building.

Acting on a suggestion by Mr. Clarke, a motion was made by H. D. Jones to the effect that a communication should be sent to the Scranton board of trade stating that the West Side board of trade has two sites to offer for factory purposes, and desiring their co-operation in procuring factories for West Scranton.

An order for \$25 was drawn, by motion, upon the treasurer to pay C. E. Daniels, ex-secretary of the board. The board felt that this recognition of Mr. Daniels' efficient services for two years was due him. Mr. Daniels, who was present, tendered the board his appreciation of their act.

Some discussion occurred in reference to the non-grade of sidewalks on the southern side of Main street, between Jackson and Price streets. Several property owners have neglected to bring their walks to grade. The matter was referred to Secretary Oliver to report at the next meeting.

Hon. J. H. Fellows expressed his opinion that council should pass ordinances for the construction of sewers until some funds are obtainable for the construction of a main sewer by the city. There being no further business adjournment was made.

## RECEPTION NOT HELD.

The intended reception which was to have been tendered last night to Mrs. Carrie Smith, state president of the Patriotic Order True Americans, by the members of camp 33, did not occur. State Vice-president Mrs. Randolph Jones received a telegram stating President Smith would be unable to be present on account of illness. It was a disappointment to the members as every arrangement had been made for the affair in Red Men's hall. However, the state president will be the guest of Camp 101 in their rooms in the Knights of Malta temple, Lackawanna avenue.
