## FACTORY FOR US.

This Part of the City May Soon Have an Industry That Will Employ Several Hundred Hands.

The efforts of the West Side board of trade to procure a factory for West Scranton may yet bear fruit, and in fact much sooner than anticipated. As a result of some correspondence J. L. Rilling and Carl Schoen, both of New York city, and representing a large silk manufacturing company came to the city yesterday and called upon Secretary D. B. Atherton, of the Scranton board of trade. A. B. Holmes, president of the West Side board was sent for and together with Hon. John H. Fellows and John D. Mears, a party was formed to visit the two sites in West Scranton which are at the disposal of the West Side board.

The first site visited was that on the Fellows' plot, on Luzerne street, between Sixteenth and Seventeenth streets. This plot is owned by Mr. Wellington, of Philadelphia, and permission was granted by him to donate the site through Mr. Fellows who acts as his agent here. The other site is situated on the Farview tract recently purchased near Bellevue by John T. Richards, John S. Mears and others. The proposed site covers fourteen lots and lies to east of South Main avenue, below new public school No. 13. Both sites are near railroad tracks.

Of course no definite conclusion was reached but the visiting gentlemen stated that the company they represent is fully capitalized and chartered under New York state laws. All they wish to get is a site, within access of cheap fuel and to be exempt from taxation for a certain period of years. They propose to erect a building 50x100 feet in area and two stories high and will employ between two and three hundred hands to start.

Messrs. Rilling and Schoen returned to New York city and after a conference with the other stockholders will forward the result of their conclusions and intentions to Scranton.

## FINE ENTERTAINMENT.

Given Last Night in the Simpson M. E. Church.

The Simpson Methodist Episcopal church has always been regarded as being able to furnish good entertainment, but the exercises last evening eclipsed all others that have been given for some time. The young men realizing that the church choir was in need of several necessary accessories and not desiring to draw upon the church finances, got together and arranged last evening's programme. John Hale was elected as chairman and Jenkin Reese and H. D. Jones acted as a committee on programme. The fair sized audience enthusiastically displayed their appreciation by due measure of applause and in the majority of instances demanded encores.

Among the many others who participated, special mention might be made of the two gentlemen who came here

from out-of-town to appear. Prof. Vernon Hughes, a former resident of West Scranton, now of New York city, added to his former standing by his selections. To these older residents, Prof. Hughes is known as one of the members of the Simpson church Bachelor club which often furnished delightful selections at church affairs. The appearance of Thomas R. Williams, a graduate of the Boston conservatory of music and at present tenor soloist at the Methodist church, of Wilkes-Barre, may have some bearing upon his accepting one of the several invitations to engage his services with some church here.

Mr. Williams is a native of Pittston, and is quite well-known in West Scranton, but has been studying music for the past ten years and has not sung hereabouts during that time. Both gentlemen were in splendid voice and responded to encores. The exercises were opened with an invocation by the pastor, Rev. J. B. Sweet. Each member was then introduced by Chairman Hale with a few timely remarks. A male quartette, consisting of Messrs. Abrams, Prof. Jones, Wrigley and Whitman rendered a selection followed by a piano duet by the Messrs Weber and Rinker, which was encored. Prof. Vernon Hughes then sang and responded to the encore with "To My Mary."

Master Walter Smith recited and Robert Stenner played a well executed cornet solo, and was encored. Generous Richard Thomas (Llew Herbert) sang one of his pleasing bass solos, and was also encored. Mr. Thomas never fails to please and last evening was no exception. The first part of the exercises were ended with a solo by Thomas R. Williams, accompanied by Miss Powell, of Wilkes-Barre. Both were thoroughly appreciated.

After a few minutes intermission, Messrs. Morgan opened the second part with a pleasing selection, and was followed by Miss Margaret Davies, the talented daughter of Thomas D. Davies, who sang a soprano solo with much feeling. Miss Anna Williams executed a difficult piano solo with ease, and Miss Ella Godshall sang with good effect.

Mr. Stenner gave another selection on the cornet, and Miss Hughes recited, responding to an encore. Mr. Williams sang again, and was followed by Messrs. Hughes and Thomas in a duet. This was an unexpected number and as they sang "Flow Gently, Diva," they were compelled to respond to an encore. This most excellent programme was brought to a close with a selection by the male quartette.

A vote of thanks was tendered the chairman and the committee, as it was an unqualified success throughout.

## MEETING NOT HELD.

The vestry of St. David's Episcopal church were to have held a meeting at the church last evening, but were prevented by the lack of light. The incandescent current was shut off for some reason, and the meeting consequently did not take place. The purpose of the session was to consider the procuring of a new rector, Rev. M. H. Mills, the former rector, having resigned. The vestry is in charge at present, and have power to select a rector, subject to the approval of the

governing bishop. It is not probable that a permanent man will be selected at present, as the bishop is on his annual vacation.

## KICKED BY A MULE.

A young man about 18 years of age and giving his name as Cavanaugh, came to the West Side hospital yesterday afternoon for treatment. Cavanaugh stated that he is employed in the Central mines as a driver and met with his injury being kicked by a vicious mule. There was no external injury, but he complained of severe pains. The house physicians made him as comfortable as possible, and he will remain for further treatment.
