CARNIVAL AT CRYSTAL LAKE.

A Delightful Entertainment at This Popular Resort.

The boat carnival at Crystal lake on Saturday night was in all respects a success, and a large number of Carbondale visitors enjoyed the entertainment. It was arranged by the guests at Fern Hall and was the first of the season. Others will follow during the summer. The naptha launch, "Nellie May," towed some fifty row boats around the lake. All were decorated in a festive manner with Japanese lanterns, and the effect was very beautiful. Messrs. Wilson and Hunt, of this city, during the excursion gave selections on the guitar and mandolin. Prizes were given to the boats that were decorated in the best manner.

The first prize was ed by John . Simpson, while the second was awarded to Frank Hubbard. The decorations of their boats were considered as most original.

Much credit for the delightful and novel sight is due to Messrs, A. S. Baker and H. W. Williams, who suggested the carnival and made efforts for its success.

"For years my wife had been suffering from what the doctors called prolapsus of uterus. She was nervous, had cold hands and feet, palpitation, headache, backache, constipation, a disagreeable drain, with bearing down pains; no appetite. She got so weak she could not get around. I am only a laborer so was always in debt with the doctors, and all for no good, as none did her any good. We began to think that she was never going to get well."

"I told this man what the doctors said was the matter with her," and he said "'did you ever hear of Dr. Pierce's Favorite Prescription?" "I told him no, but I had tried so many patent medicines that I was tired of them all, and besides I did not have enough memey to pay the doctor and the drug store. He said if I would get two or three bottles and try them, and if it did not do my wife any good that he would pay for the medicine. I went to the drug store (Mr. Clawber's on Elm Street), and bought a bottle. The first sud second did not seem to have much effect but the third seemed to work like a charm. She has taken in all about thirteen bottles and she is to day as stout and healthy as any woman in the United States. This is not the only case. Whenever I hear tell of any woman who is sick in the neighborhood I just send the book and upper that is wrapped around every bottle and that does the business. I am no longer bothered about doing my own washing and cooking, for my wife can do it all in one day and never seems tired or out of spirits now."
