### GILLON A WONDER.

His Pitching, Aided by Bonner's Fielding, Gave the Bisons But One Lonesome Hit.

Special to the Scranton Tribune.  
Buffalo, N. Y., Aug. 24.—Tommy Gillon, the little round-bodied, crook-necked minor pitcher, broke the Eastern league record here today by retiring the heavy-hitting Bisons with one solitary hit. The Miners won by making three runs and choking the Bisons off without a run.

It was a game of peculiarities. Barry, the ex-Bison and ex-Miner shortstop, played with Buffalo and made the lonesome hit off Gillon, while Shortstop Sullivan, who was traded to Scranton for Barry, made a two-base hit which figured in the Miners' run-getting. Barry's errors contributed toward the Scranton victory.

Frank Bonner played the most wonderful and accurate second base seen on the Buffalo grounds this season, accepting all of the fifteen chances, making thirteen of his club's nineteen assists and contributing largely toward Scranton's victory by the magnificent support he gave Gillon.

By Associated Press.  
Buffalo, N. Y., Aug. 24.—It was a pitchers' battle today and Scranton won. Gillon pitched magnificent ball. He was absolutely invincible. The Bisons got one hit only and that came from a substitute player, Barry. Score:

A dispatch to the Tribune from Wilkes-Barre last night stated that Shortstop McMahon, who was hit on the head by a pitched ball on Monday had improved. He is confined to his bed, however. Blood oozed from the popular player's head in all Monday night. The physicians think a small vein was broken, but they say the skull was not fractured.

Yesterday's Scranton-Buffalo game was a corker in more than one respect. Only six putouts are credited to the two outfielders; one hit off Gillon; 4 hits off Brown; Bonner made two-thirds of the Miners' assists and one-third of all their fielding chances; Massey made over five-ninths of the putouts; the player who wasn't good enough for Buffalo helped Scranton win, and only about three Buffalo players are recorded as being "at bat" in this place.

The release of Sullivan to Scranton and the recall of Barry is another evidence of the manager's wisdom. The cranks and press at Buffalo howled loud and long when Barry was sent to Scranton and wanted him back again. Sullivan is plainly the better player at this stage of the game, but Manager Rowe yesterday consented to the exchange in order to please the Buffalo patrons and press. Scranton has profited by the deal. Barry is the faster of the two players. He is not, however, as seasoned as Sullivan, nor as good a fielder nor as good a stickler. If he had had an equal amount of practice this season, he would have been a toss-up between them—and as it is, we pick Sullivan as the better of the pair, and Barry is a good man at that. He is a conscientious, lively, clean player, and won in Scranton a host of friends, who wish him well.

### KEOGH MAY GO TO LONDON.

Game is Being Arranged Between Him and the English Champion.  
The Brunswick Balke-Callender company, whose championship pool medal is now held by Jerome K. Keogh of this city, is interesting itself in the arranging of a contest between the Scranton boy and John Roberts, of London, the English champion and claimant of the world's championship.

It is generally believed that Keogh is the best player that ever handled a pool cue in America and that he is the man and now is the time to make an effort to have the championship medal of the world's possession.  
Keogh is not only willing but anxious to make the match, and if the financial end of the affair is satisfactorily arranged he will go to London to play.

### SCRANTON BARKEEPS WON.

Beat their Binghamton Brothers by a Score of 28 to 10.  
The Scranton and Binghamton hard-tenders, or, as they termed themselves, "mikologists," played a game of base

ball in a sea of mud and more or less rain at Athletic park yesterday afternoon, and the Scranton dispensers of convivial fluids won by a score of 28 to 10, or thereabout. It was a day for mud and the fellows who swarm the best cut the most figure in the contest.

The Parlor City barkeepers were clad in the reddest of red uniforms, black stockings and white caps—what the game started. The color was a cross between mattee and ochre at the finish. Two hundred spectators, despite the rain, saw the foundering of the two teams. Al Carr, manager of the Lackawanna, was the umpire.

Following were the players: Binghamton—Billy Hickey, p.; Lawless, c.; O'Brien, 1b.; Osbourne, 2b.; Hines, 3b.; Colleen, s.s.; Rimmer, r.f.; Sampson, l.f.; Kent, c. Scranton—Keegan, c.; Roach, s.s.; Archibald, 1b.; Thomas, 1b.; Zang, 2b.; Colwell, c.f. and c.; Hanaway, l.f.; Jones, 3b. and 3b.; O'Brien, r.f.

### FITZSIMMONS HERE TO-MORROW.

World's Champion Fighter to Appear at Athletic Park To-morrow.  
Bob Fitzsimmons, the champion of all the champions, will appear in Scranton at Athletic park tomorrow at 2.30 p. m. He will give his bag punching exhibition and will spar four rounds with Dan Hickey, who trained him to whip Corbett. When Bob spars for the edification of the public it means a sparring exhibition in all that the term implies. After his exhibition the base ball game between Toronto and the Miners will be played. The admission will be twenty-five cents, as usual; grand stand, twenty-five cents extra.

In the evening, at Laurel Hill park, Fitzsimmons will spar four rounds with Hickey and try out an unknown heavy-weight, secured by his manager, Martin Julian, for points, and in addition a number of well-known local boxers will appear in preliminary bouts. The admission will be only twenty-five cents, and seats will be free. This exhibition will begin at 8.30 p. m.

### DIAMOND DUST.

Toronto here today.  
Two out of three from Buffalo. Morse and Gunson will be this afternoon's battery.  
The Miners have won all but three of the last 14 games played.  
There is a sneaking suspicion that the Grays will have to lump themselves to stay in this place.  
The Scranton players were guests of Kid McCoy at Woodlawn Beach Sunday, says the Buffalo Times.  
The Wilkes-Barre players were in this city last night en route to Buffalo, where they play three games beginning today.  
Sandy Gettin is leading Scranton with the stick. His batting, always good, seems stronger than ever this season—Wilkes-Barre Record.  
Bonner is playing National league ball at second base for Scranton, and no comment is necessary about his hitting, which is 277—Wilkes-Barre Record.  
Mr. Cooper, the advance man for Bob Fitzsimmons, is here arranging for the appearance of the red-headed champion in Scranton at tomorrow's Toronto-Scranton game. Cooper is negotiating for Fitzsimmons to appear at Wilkes-Barre next week—the Buffalo Times.

A dispatch to the Tribune from Wilkes-Barre last night stated that Shortstop McMahon, who was hit on the head by a pitched ball on Monday had improved. He is confined to his bed, however. Blood oozed from the popular player's head in all Monday night. The physicians think a small vein was broken, but they say the skull was not fractured.

Only six putouts are credited to the two outfielders; one hit off Gillon; 4 hits off Brown; Bonner made two-thirds of the Miners' assists and one-third of all their fielding chances; Massey made over five-ninths of the putouts; the player who wasn't good enough for Buffalo helped Scranton win, and only about three Buffalo players are recorded as being "at bat" in this place.

### SCRANTON BARKEEPS WON.

Beat their Binghamton Brothers by a Score of 28 to 10.  
The Scranton and Binghamton hard-tenders, or, as they termed themselves, "mikologists," played a game of base

decisions in about all their recent meetings with the best men at their weight in the vicinity of those two cities.

The American Sporting club, which gives the McCue-Fitzsimmons affair, will on Sept. 16 present a star bout between "Hobby" Dobbs and Martin Judge. Judge is no stranger in Scranton. His most recent work was on Monday night in Philadelphia, when he stopped Walter Watson in one round. Ryan's favor.

**Bicycle Races Postponed.**  
Owing to the inclemency of the weather, it was impossible to hold the races of the Windygut Wheelmen yesterday morning. They will be held on Friday, August 27, at 5 a. m. at the Driving Park.

### RING NOTES.

Tommy Dixon, the Rochester feather-weight, has been suffering from neuralgia but is better and wants to match with Oscar Gardner.  
Corbett continues to play first base and draws his \$500 for each game. This is netting him more money than he could make in the ring. It is the lure Jim is after.  
McCoy is fighting to make money. He doubtless feels that it is wise to make a nest egg laid aside in case he should run up against a knock out in the Ryan battle. Ryan's confidence is something in Ryan's favor.

Advance Agent McDonough is in the city arranging for the verascope pictures of the Carson City fight at the Academy of Music next week.

## REMOVAL SALE.

Our store has been the great shopping center during the past ten days. It will be greater than ever during the next ten.

The prices we have placed on our stock to sell it, preparatory to our removal to our new store, are the lowest prices at which good dry goods have ever been sold in Scranton. If you have not visited us yet, come at once; if you have, come again. There is always something that you haven't seen, for in a large stock like ours, and in our limited space, we can only display a small fraction of our goods at a time.

We started out to sell this stock of dry goods, and to make this sale the greatest sale you have ever known. We are satisfied, from the crowds of people who are constantly with us and the favorable comments we have heard, that we have succeeded.

We expect the New Store to be ready about September 1st.
