#### WON BY ONE RUN.

Griffin's Catch and Bill Massey's Hit Won the Game for the Miners from Toronto.

It was fortunate that Bob Fitzsimmons, the world's champion master of the manly art, was one of the attractions at Athletic park yesterday afternoon, as his presence attracted some-thing like 4,000 persons who were favored by seeing Sandy Griffin's Miners beat the fast Toronto farmers at the tail-end of an exciting finish. Fitasimmons' Scranton visit and all connected with it is related in another columnthis story has only to do with the walloping of the Canadian farmers.

The trouble started in the ninth inning when, with one out and the score 5-1 in Scranton's favor, the proverbial Casey was sent to bat in place of Dineen. One of the first balls pitched was just to the little sawed-off's liking, and he swatted it viciously and vigorously toward a gap in the outfield at leftcenter. Eagan didn't back up Walters and the hit developed a three-baser. Fagan's mistake cost nothing, however, as a single, a force hit and two more singles netted three runs and placed a runner on second. Freeman, the next one up, hadn't made a hit in the game, but he made amends by pushing one to the fence for three bases and bringing in the ticing run.

## SANDY STOPPED IT.

There is no telling what might have then figured in the star individual play of the game. Smith hit one on a line over first base and it seemed good for at least two and possibly three bases. Sandy made himself famous for the day by making the catch near the line after a long, hard run.

Scranton's chances seemed slim in the last half when Johnson fanned after having three balls and no strikes and Walters fouled out to Snyder. But the unexpected happened. Sullivan's patience was rewarded by a base on balls, and he went to second on Bonner's single between first and second.

When Massey appeared at bat a din of yells and deafening rootings greeted him. He had a strike called on him and Staley, who had succeeded Dincen in the box, made the mistake of dishing out a fast, medium-high one. The ball may be going yet. When last seen it was sailing high in the air over left field and in the direction of Mountain Lake. It brought in the winning run, but it is to be regretted that the and Peliz. Umpire-O'day, hit can only be recorded as a single for Sullivan looed home with the winning run and the game ended with Massey going toward second.

# RESULT WAS DOUBTFUL.

The big crowd was there to see the man who defeated Corbett, yet only a comparatively small number left the grounds before the close of the game. The four thousand were repaid for their presence, for while they saw the Miners with a lead up to the ninth they were kept on edge by the repeated presence of the Toronto crowd on the bases and the just as frequent feat on the Miners' part of treating the enemy to a string of goose-eggs.

Neither Johnson nor Dineen pitched championship ball, but each was splendidly supported, Johnson by Bonner, Griffin, Walters and Eagan, and Dineen by McHale, White and Taylor, The Miner twirler was not, however, guilty of permitting a bunching of hits until the ninth inning, while in the middle of the game, the fifth inning. Dineen was hit four times for five bases and

three runs. Pop Smith made his first bow to a Scranton audience as an umpire. He is a good deal better and a little worse than some of the problems that have been sprung by President Powers on

# BOTH TEAMS SCORED.

In the first inning Snyder got a walk, stole second and reached third on Boyd's poor throw. He scored on White's single. In the Miner's half, Walters started to break up the game by a two-baser. Sullivan's infield out put Walters on third and he scored on Bonner's single. Massey flew out and Eagan singled over short. Wagner threw wild to catch Bonner at third and the latter scored.

The Miners scored three in the fifth inning and Walters again opened with a two-baser and scored on Sullivan's single. Bonner fanned and Massey's life sent Sullivan to second, from where he scored on Eagan's single. Peter stole second and came home on Grif-

fin's single. Boyd fanned. The Farmers hit Johnson steadily, but were never able to do any bunching. Three times they were retired with two on bases. In every inning they had a runner or runners on the circuit, but the work of Walters and Bon-ner and two of Johnson's four strikeouts prevented any run-getting, In and Heydon, Umpire-Snyder,

# THE TEMPLE CUP SERIES.

Is One Cause of the Kicking of the Orioles on the Field.

Here is Earl Wagner's suggestion anent the elecution indulged in by the

of the emerald velvet, the green stuff that makes the mare locomote, in their mind's eye during a game of bail. The thought that a defeat is handicapping their chances for the Temple Cup and the lucre stimulates them to these bouts in sultry repartee at the expense of the unoffending umpire. Every game lost removes the loser further from the Temple Cup and the obese purse that is divided among the players. If this Temple Cup series of games were abandoned, the visions of the Temple purse would be removed from the minds of

"Of course the Temple trophy is a good thing for the winners of the first and second honors in the League race, but the League loses in the end. The League race, with the Temple games as a windup to the season, is simply a rush for the spoil, and a man isn't obliged to be a Diogenes in the study of human nature to discover that these rushes for lucre often involve a loss of respect and dignity on the part of the sprinters after the lucre. Of course the argument is advanced that only three or four teams in the League have

chance to land first or second, and these teams, and they alone, are guilty of the brawls that have brought the game into discredit this year. But these winning teams are obliged to brawl inmany of the games they play with the tail-end teams. Tom Brown's suggestion to lay off the kickers is another good remedy for the evil that has dis-graced the game this season."

THE MOUNT LOOKOUT COAL CO.

By C. D. SIMPSON, Treasures.

Our store has been the great shopping center during the past ten days. It will be greater than ever during the next ten.

The prices we have placed on our stock to sell it, preparatory to our removal to our new store, are the lowest prices at which good dry goods have ever been sold in Scranton. If you have not visited us yet, come at once: if you have, come again. There is always something that you haven't seen, for in a large stock like ours, and in our limited space, we can only display a small fraction of our goods at a time.

We started out to sell this stock of dry goods, and to make this sale the greatest sale you have ever known. We are satisfied, from the crowds of people who are constantly with us and the favorable comments we have heard, that we

We expect the New Store to be ready about September 1st.

At reduced prices, still continues. We have \$100.00 Bicycles ranging in price from \$50.00 to \$75.00. You can buy department store bicycles at any price. We have none. It is bad policy to buy a bicycle that will turn out to be a neck breaker. Remember, we are the largest dealers in the city, and can offer you better inducements than any one in the city. Not in business for one year, but here to stay.
