HARPER WAS WILD.

His Poor Control Made Possible All of the Stars' Four Runs---Malarkey

Pitched Well.

The Miners could get only four single hits off Malarkey Saturday, and thereby hangs the reason for the victory of the Stars, who, while they hit Harper for only eight singles, made their four runs on three bases on a wild pitch. Of the four hits off Malarkey three were made in the seventh inning, and these with a base on a throw from the outfield gave to the Miners their only two runs, one of which was earned. Excepting the seventh inning only five Miners reached first base during the whole game, Of the eight hits off Harper only five had been made up to the ninth inning and of these five no two developed in any one inning, but bases on balls, one wild ritch, stolen bases and the semioccasional hits that followed, gave the Stars all their four runs. Jack O'Brien in a Syracuse uniform, was seen in Scranton for the first time. He received a worm hand when he appeared at bat. He and Lezotte made six of the Stars' eight hits. The score: SCRANTON.

Scranton scribes, or any other truthful persons who saw the last Springfield-Scranton games, that Tim Keefe was drunk or had been drinking before or during the games in Scranton. The "at-tacks" on Burns were based solely upon his failteing romort to President Powhis falsifying report to President Pow-ers. Further, Tim Keefe was not put out of a job. He resigned when he learned of the charge made against him Toronto Cinches Her Hold on First Pince. Syracuse, N. They earned another in the eighth. which was sufficient to win the game, the Stars not taking kindly to Dineen's curves, except in the first, when a AMATEUR BASE BALL. The Lackawauna Club Shuts Out the West Side Browns. The Lackawannas and the West Side Browns played a very interesting game yesterday afternoon on the latter's grounds. The Lackawannas played one SYRACUSE. E. A.B. R. H. O. A. of the most brilliant fielding games seen on amateur grounds this season, and they batted like fiends. Gaughan's pitching

was the star feature of the game: up to the eighth inning the boys from the West Side only found him for one safe hit. In the eighth and ninth they got a scratch hit over short stop, which would have been an casy out only for spectators crowding on the field. Golden made a star catch on a hard run, catching the ball within six inches of the ground. Thomas was knocked out in the fourth inning, Williams taking his place, but inning, Williams taking his place, but the Lackawanna boys kept dishing out base hits right along. The score: LACKAWANNA.

## Eurekas Easy for the Browns.

The Olyphant Browns had very little trouble in defeating the Eurekas at Olyphant yesterday. In the fifth the score was a tie. In that inning Regan seemed to lose his head and allowed the locals to score five runs and the Eurekas.handled the ball very recklessly and helped to swell the score. O'Nell pitched a good game for the locals and kept his hits well scattered. He also led in batting. "Marty" Swift umpired the game and gave entire satisfaction. The score:

phis. Tommy Dixon, the feather-weight champion of Rochester, and Oscar Gard-ner, the Omaha Kid, of Kansas City, have been matched to meet in a 29-round bout at the boxing-show of the Rienzi Athletic club of Rochester on Sept. 6. Gardner has also been matched to meet Jack O'Brien for 29 rounds at the Greenpoint Sporting club, Brooklyn, onight. Some fistic authorities in New York notine to the belief that the English-men matcher Pedlar Paimer with Dave Sullivan because they thought Sullivan had no chance and they wanted to win back money lost on unsuccessful English boxers. Spike Sullivan has declared that

he will bet \$5,000 on Dave. The English-men are likely to be fooled, although there is always danger of fouls with a headstrong boxer like Sullivan.

## Quoit Match.

A game of quoits will be played Fri-day afternoon, Sept. 3, at 4 o'clock at the Capouse hotel, Pine Brook, between Patrick Duddy, the winner of J. White's big handleap, and Thomas Bell, the champion of Sibley, for a purse of \$50 a side. The distance is to be ten yards, two soft stleking clay ends, two-inch pins, one and one-half inch high, five-pound quoits. These men have met before and Bell was the winner. There is great rivalry between them and a good day's sport may be expected.
