NOMINATE A TICKET

Conference of Them Held in Phila-

delphia to Consider the Matter, but

Philadelphia, Sept. 1.-A number of gold Democrats who were prominent in the Jeffersonian Democratic party of last fell, held an informal conference tonight at the Hotel Walton and discussed the advisability of nominating a candidate for state treasurer and auditor general against the nominees of the Republican party and those nominated by the Democratic convention in Reading yesterday. No definite conclusion was reached and the matter was laid over until tomorrow, when

the state committee of the Jeffersonian party will hold a meeting in this

Among those present at tonight's conference were William B. Given, of Lancaster, chairman of the Jeffersonian state committee: Seth McCormick, of Williamsport; J. D. Hancock, of Venango county; John C. Bullitt, Philadelphia, and ex-Chairman of the Democratic state committee, Robert E. Wright. In addition to these there were a number of others well known in the ranks of the gold Democrats. Messrs. Wright and Hancock were of the opinion that a state ticket should be nominated on state issues with a view to capturing the votes of a number of Republicans. The prevailing opinion seemed to be, however, that as

the Jeffersonian party was organized on purely national issues it should not become identified with a state contest. The discussion throughout was with out friction.
