KLONDYKE GOLD.

There are some things yet more precious than gold. Health is one of these things. Without health nothing is of any value. To find health we must inquire of those who have found the way. Experience is a better teacher than medical college. Read Miss Peter's story.

Miss Lizzie Peters, Mascoutah, Ill., writes recently to Dr. Hartman: "I would like to let the world know what a wonderful medicine Pe-ru-na is. I am perfectly cured of female weakness by taking Pe-ru-na and Man-a-lin. I have gained thirty-seven pounds since taking Pe-ru-na. My friends are wondering what makes me look so bright and healthy. Before I knew what Peru-na was I had told my parents that would never get cured, and that I ould not live much longer. It was Pe-ru-na alone that brought me back to health. Those who have been suffering for years, either young or old, should not give up hope, but should try Pe-ru-na at once."

Dr. Hartman's free treatment for women is attracting wide attention. Any woman by sending name, address, symptoms, duration of disease and revious treatment can become a reguar patient. The doctor will give all necessary advice and prescription by correspondence. Thousands are cured, and thousands more are seeking a cure. Write for free book written by Dr. Hartman for women only. Address The Pe-ru-na Drug Manufacturing Co., Columbus, Ohio.

MRS. LYNESS ESCAPES

The Hospital and a Fearful Operation.

Hospitals in great cities are sad places to visit. Threefourths of the patients lying on those snow-white beds, are women and girls.

Why should this be the case? Because they have neglected themselves! Women as a rule attach too little importance to first symptoms of a certain kind. If they have toothache, they will try to save the tooth, though many leave even this too late. They comfort themselves with the thought that they can replace their teeth; but they cannot replace their internal organs!

Every one of those patients in the hospital beds had plenty of warnings in the form of bearing-down feelings, pain at the right or the left of the womb, nervous dyspepsia, pain in the small of the back, the blues," or some other unnatural symptom, but they did not heed them. Don't drag along at home or in the shop until you are finally obliged to go to the hospital and submit to horrible examinations and operations!

Build up the female organs. Lydia E. Pinkham's Vegetable Compound will save you from the hospital. It will put new life into you. The following letter shows how Mrs. Lyness escaped the hospital and a fearful operation. Her experience should encourage

other women to follow her example. She says to Mrs. Pinkham: "I thank you very much for what you have done for me, for I had given up in despair.

Last February, I had a miscarriage caused by overwork. It affected my heart, caused me to have sinking spells three to four a day, lasting sometimes half a day. I could not be left alone. I flowed constantly. The doctor called twice a day for a week, and once a day for four weeks, then three or four times a week for four months. Finally he said I would have to undergo an operation. Then I commenced taking Lydia E. Pinkham's Vegetable Compound, and

after one week I began to recover and steadily improved until I was cured ompletely. By taking the Pinkham medicine, I avoided an operation which the doctor said I would certainly have to undergo. I am gaining every day and will cheerfully tell anyone what you have done for me."-MRS. THOS. LYNESS, 10 Frederick St., Rochester, N. Y.

The beginning of our Great Shoe Sale has been a revelation to us. We never expected that we could sell so many shoes in so very few hours. If the crowd our sale attracted was a surprise to us, the prices we asked for our goods must have been a surprise to the army of patrons who availed themselves of our offer.

HERE IS THE EVIDENCE.

Many customers who came with the intention of buying one or two pairs went away in many instances with more than a dozen. Our salespeople need use no persuasion. Quality and prices do that. Come now, if you have the ready cash, or come later, the stock is of such volume as to meet the requisites of every shoe buyer in Lackawanna county.
