FLAMES CONSUME SIX STRUCTURES

Disastrous Fire in the Little Village of Smithville Last Night.

SUPPOSED TO HAVE BEEN INCENDIARY

Two Stores, a Saloon, a Barn and Two Dwelling Houses Destroyed. Samuel Josephs Owned Five of the Buildings and A. H. He Saved a Horse and Cow Which Were in the Barn--Fire Started in Josephs' Grocery Store, While the Family Was in This City.

Six buildings were destroyed by what is supposed to have been an incendiary fire at Smithville last night. A crowd of five thousand from the village and adjacent towns from miles around watched the progress of the devouring element with arms folded, unable to do anything to check the fire fiend's ravages, owing to the total lack of a water supply.

FIVE OF THE BURNED BUILDINGS, TWO OF WHICH WERE STORES, BELONGED TO SAMUEL JOSEPHS; THE OTHER WAS OWNED BY THE James Keating estate and occupied by Alfred Kasco with a saloon. The fire started at 7.45 o'clock in the basement of Josephs' grocery store, on the second floor of which the family resided.
