AN EVENING MARRIAGE.

Miss Genevieve Alice Hazlett Wedded

to George II. McDonnell. Probably the largest and most fash-

onable Scranton wedding since the June season was that in Elm Park church last evening when Miss Genevieve Alice Hazlett became the wife of George H. McDonnell, of Long Island City. The bride, the only daughter of Mr. and Mrs. W. H. Hazlett, of 213 Mulberry street, and the groom is superintendent of the New York and Queens County Street Railway company. She had for many years been a member of the Eim Park Sabbath school and for quite a recent period one of its teachers. Members of the church and school formed the major part of the large gathering that witnessed the ceremony. A reception followed at the bride's house.

Miss Emily Packer, of Mauch Chunk, a cousin of the bride, was maid of honor, and Joseph Silliman, of Long Island City, groomsman. The flower girl was Helen Morgan, of this city, a cousin of the bride. Four members of the latter's Sabbath school class, Leroy Scott, Harry Jones, Ralph Megargel, and Howard Yost, were ushers.

Alfred Pennington, the church organist, played the wedding marches, ohengrin and Mendelssohn, respectively, for the processional and reces-

ional. Immediately following the church eremony the bridal party received a large number of guests at the Hazlett ome on Mulberry street. At 11 20 o'clock Mr. and Mrs. McDonnell left the city via the Delaware and Hudson railroad for Washington, D. C., where they will spend the greater part of their honeymoon before going to

TWO BODIES IN ONE ROOM.

The scene at the house where Wat kins and Tompkins lived was affecting. The two bodies lay in the front parlor and there was a constant stream of callers, friends of the deceased. Mrs. Watkins was to have started from Wales last week, but the voyage was postponed. A cablegram was sent her, telling the woman to come home at once. The funeral of the two men will be tomorrow afternoon. Services will be held at the house and interment will be made in Marcey cemetery.

The funeral of William Franklin will take place at the same time from his parents' home on Sibley avenue, Rendham. The body of John Gallagher when found in the mine was in a sitting posture, with his head inclining

forward, as if asleep. The incident re-calls the Marvine shaft disaster, when one of the victims was found sitting on a log between two companions and looking at a watch which he held in his hand. Joe Smith's body rests in his home in Mudtown, He is survived by a widow and nine children.

TAX PAYMENT EXTENSION.

Mayor Bailey Has Signed the Resolution of Councils.

The resolution of councils extending the time for the payment of taxes from Oct. 1 to Nov. 1, was yesterday signed by Mayor Bailey.

Large crowds throng the city treasurer's office daily notwithstanding the extension period and the number who will take advantage of the extension period is comparatively small.
