It Will Contain a Creditable Showing of Police, Eight Musical Organizations and Over Twenty-five Uniformed Companies -- All of Friday the Fire Company Quarters Will Be Wide Open -- Ball at Music Hall Will Be the Finish.

There have been some "big" firemen's parades in Scranton but that arranged for Friday of this week promises to outdo in point of numbers of visiting firemen and general excellence anything of its kind in recent years. The event is styled the annual parade and inspection of the fire and police depart-The particular inspection of the latter will occur in the vicinity of the city hall about a half hour before the parade proper and will be wit-nessed by Mayor Bailey. The police will bear an important part in the par-

From the big throng of firemen in that city Scranton will draw about ten companies which have positively accepted invitations to be here, and it is hoped that a number of other organizations will eventually see their way clear to rific left swing on George's stomach.
