KENTUCKY FUTURITY HOTLY CONTESTED

Thorne Won the Rich Stake of \$15,000 for Three-Year-Olds.

FASTEST TIME MADE WAS 2.14

The \$4,000 for the Winner of the Tennessee Stakes Was Captured by Bumps in Three Straight Heats, Best Time 2.06 1-2.—The \$1,000 Purse in the 2.16 Trotting Event Went to Little Edgar.

Lexington, Ky., Oct. 5.—The twenty-fifth annual meeting of the Kentucky Trotting Horse Breeders' association began today under splendid auspices. The crowd was large, every state being represented by leading breeders and track managers. The track was good, without being especially fast. The \$15,000 Kentucky futurity for three-year-olds was hotly contested in every heat except the first. Bumps had an easy thing in the 2.00 pace, although Amant and Planet forced him to go three heats in 1.56 1-2 and 2.07. Little Edgar won the 2.16 class, trotting in hollow style. Both Bumps and Little Edgar were favorites.

The eight young trotters were called for the futurity at 2.30 o'clock. Timble drew the post with China Silk on the outside. They were sent off on the first score, and Kenney took China Silk to the front at once, closely pressed by Miss Della Fox. She kept the lead all the way and won the heat easily in 2.18, with Miss Della Fox second and Preston third.

PRESTON WON HANDILY.

In the next heat China Silk again took the lead and kept it into the stretch, where Preston came with a rush and trotting the last quarter in 31 seconds, won handily in 2.13 1-2, the fastest heat ever trotted in this state. In the third heat the Montana mare went to the front as usual, on the turn and Hickok took Thorne up to second place, thereby putting Preston in a pocket from which he was unable to get out until the far turn was reached. He came fast through the stretch and won in a hard drive from Thorne with China Silk, the margin being 1/2 length. The fourth heat was a facer for the talent, as Thorne won by a head in 2.14 from Preston.

WON BY A LENGTH.

Only the three-heat winners started in the sixth and Thorne led all the way and won handily by a length. China Silk was favorite before and after the first heat. After Preston had won two heats he became first choice. Summary:

More Wonderful Achievements by Star Pointer and Patchen. Ottumwa, Ia., Oct. 5.—Seven thousand people from this part of the state saw Star Pointer and Joe Patchen go against their own records at William's mile track today. Star Pointer turned off track in 2.01 1/2 against a strong head wind. Considering the fact that the conditions it is the fastest mile ever made by Pointer. Patchen started out well, turning the half in one

Do you know what an "emulsion is?" It is when each drop of the oil is broken up into minute drops, so small you can hardly see them with the microscope: so minute that they pass at once through the tissues into the circulation. Scott's Emulsion does not disturb digestion, is not unpleasant to take, and does not fail to do its work because digestion can deal with it at once. You may be able to disguise the taste of raw oil and get it past the palate. You can't cheat your stomach with it.

minute flat, but a second running horse which picked him up at the three-quarters pole became unruly and scared Patchen, who finished the mile in 2.01. Time by quarters—Star Pointer, .30 1/2, 1.00 1/2, 1.30 1/2, 2.01 1/2. Joe Patchen, .31, 1.00, 1.30 1/2, 2.04.

RACES AT RIGBY.

Portland, Me., Oct. 5.—The second day's racing at Rigby in the state meeting was not much better attended than was the opening day, but the races were much more interesting and hotly contested. 2.29 stakes, trotting, purse \$2,000—Paddy D. b. g., by Prince Nutwood (Houghton) won first, second and fourth heats and race, Time, 2.17 1/2, 2.19 1/2, 2.23. 2.34 stakes, pacing, purse \$2,000—Big Ike, blk., by Hallandron (Birnle) won in straight heats. Time, 2.13 1/2, 2.19 1/2, 2.18.

BALTIMORE WON SECOND.

Game Was Marked by Terrific Batting by Both Nines—Was More Interesting Than First One.

Boston, Oct. 5.—The second game in the Temple cup series was, like the first, distinguished by terrific batting by both nines, but today Baltimore came out ahead through their ability to get in the hits when they were most needed, while Corbett, though hit hard, held the home team down at critical times. The game was much more interesting and exciting than that of yesterday, and the home team was very much in it up to the last inning, when they fell down woefully, though one safe hit would have tied the score. No ground rules hindered long hits, and the players, getting the full worth of their drives, ran the bases daringly, without fear of being called back. This added not a little to the game and delighted the crowd beyond measure.

Again the perfect weather made the game enjoyable, while there was only a small kick in the last inning on account of the growing darkness. The shining star of the two aggregations was Herman Long, the shortest of the home team. His stunts were fairly electrifying, and it is safe to say that such work has never been excelled.

For the Baltimore, Stenzel's covering of centerfield was a notable feature. Nine Boston players were retired on flies in that direction. Score:

MONEY TO BUILD SEWERS.

Judiciary Committee Will Advise Councils to Borrow \$100,000. The judiciary committee of select council held a meeting last night in the office of City Solicitor McGinley, at which a number of matters that were referred to the committee for consideration were passed upon. The most important matter that engaged the attention of the committee was the tangle which the construction of the proposed South Side sewer will cause.

The old claim of Muldoon & Bowje, for work on the Linden street and South Side bridges, was also considered. Morton L. Hill, of Lebanon, Ind., says: "My wife had Inflammatory Rheumatism in every muscle and joint, her suffering was terrible and her body racked with pain. I had her tried by weeks and had eight physicians but received no benefit until she tried MYSTIC CURE FOR RHEUMATISM. It gave immediate relief and she was able to walk about in three days. I am sure it saved her life." Sold by Carl Lorenz, druggist, 418 Lackawanna avenue, Scranton.

DAINGER IN SODA.

Serious Results Sometimes Follow Its Excessive Use. Common soda is all right in its place and indispensable in the kitchen and for cooking and washing purposes, but it was never intended for a medicine, and people who use it as such will soon find regret in it.

We refer to the common use of soda to relieve heartburn or sour stomach, a habit which thousands of people practice almost daily, and one which is fraught with danger; moreover the soda only gives temporary relief and in the end the stomach trouble gets worse and worse.

Dr. Harlandson recommends as the safest and surest cure for sour stomach (acid dyspepsia) an excellent preparation sold by druggists under the name of Stuart's Dyspepsia Tablets. These tablets are large 20 grain lozenges, very pleasant to taste and contain the natural acids, pepsines and digestive elements essential to good digestion, and when taken after meals they digest the food perfectly and promptly before it has time to ferment, sour and poison the blood and nervous system.

Dr. Wuerth states that he invariably uses Stuart's Dyspepsia Tablets in all cases of stomach derangements and finds them a sure cure not only for sour stomach, but by promptly digesting the food they create a healthy appetite, increase flesh and strengthen the action of the heart and liver. They are not a cathartic, but intended only for stomachic diseases, and weakness and will be found reliable in any stomach trouble except cancer of the stomach. All druggists sell Stuart's Dyspepsia Tablets at 50 cts. per package.

A little book describing all forms of stomach weakness and their cure mailed free on addressing the Stuart Co. of Marshall, Mich.
