PRETTY CHURCH WEDDING

Miss Cleopatra Pearce and Frederick Decker Married in the Jackson Street Baptist Church.

One of the prettiest church weddings occurring in West Scranton for some time took place last evening at the Jackson Street Baptist church, when Miss Cleopatra Pearce, daughter of Mr. and Mrs. Henry F. Pearce, of 2922 Frink street, was wedded to Frederick Decker, of Price street. The church auditorium was crowded with guests.

At 8 o'clock, as Prof. J. Haydn Cousins, of Peckville, commenced playing an original wedding march, the bride and her attendants walked down the aisle. Miss Gertrude Pearce was maid of honor and the Misses Myra and Annie Pearce and Louisa Hale were bridesmaids. The first three are sisters of the bride and the latter a cousin. Frank Phillips was best man and Wyman Pearce and Sylvanus Savitts groomsmen. The bride was attired in white silk, trimmed with pearl and lace. She carried roses. The maid of honor wore blue silk with pearl and lace trimmings and carried roses. Miss Annie Pearce was gowned in pink silk, with similar trimmings, and carried carnations. The remaining maids were attired similarly in white silk, with ribbon trimmings, and carried roses.

The bridal party was met at the altar railing by the groom and Rev. Thomas De Gruchy, the pastor of the church, who performed the ceremony. The bride was given away by her father. During the ceremony Prof. A. E. Morse rendered "Love's Old, Sweet Song," on the mandolin, accompanied by Prof. Cousins. At the close of the ceremony the bridal party passed out while Mendelsshon's wedding march was being played.

The party, accompanied by a few immediate friends and relatives, repaired to the residence of the bride's parents, where a bountiful supper was served. Mr. and Mrs. Decker will begin housekeeping immediately in their newly-furnished home on North Bromley avenue. They are well known young people. The ushers were: Arthur Williams, W. H. Morgans, Charles Smith, James Pearce, Thomas Sweet and Edward Collins.

Y. P. C. E. ANNIVERSARY.

The Sherman avenue Christian Endeavor society celebrated its sixth anniversary last evening with a programme suitable for the occasion, Miss D. P. Evans acting as chairman. The exercises opened with prayer by Rev. Mr. Lewis. Then followed a solo by Miss Davis, of Providence. Miss Eliza Price read the history of the society since its organization. An address was made by J. R. Thomas, president of the society. A solo was rendered by Miss Lizzie Merchant. Rev. Peter Roberts, of Olyphant, who was pastor of Plymouth church at the time this society was organized, was present and discussed this subject, "Scenes from the Life of an Old Warrior." The president made the closing remarks. The meetings of the society are held every Tuesday evening. During the evening a letter was read from Rev. G. E. Guild, stating that he would be unable to attend. The meeting closed by singing "God Be With Us Till We Meet Again."

BOARD OF TRADE SESSION.

Carpet Concern Must Place $30,000 in Bonds Before Locating.

The West Side board of trade met in regular session in their rooms in the West Side Bank building last evening. President Holmes presided.

The main topic for discussion was the task of having $20,000, or as much thereof as possible, worth of bonds taken up by West Scranton capitalists. This task was brought about by the fact that a carpet manufactory is about to be located on the Tripp addition, and the only condition attached is the raising of $30,000 in the form of 6 per cent. fifteen-year bonds, with a proviso privilege of paying in three years. This bond issue is to be offset by the deposit of a guarantee bond of $30,000 by the firm of Macleroy, Scholey & Comegys, of Philadelphia, who are backing the proposed plant.

The Scranton board of trade, through Secretary Atherton, had closed the deal and procured the site for the plant and J. A. Linen, president of the First National bank, has already taken $10,000 of the necessary $30,000 worth of bonds. The remainder was submitted to the West Side board of trade for placing among capitalists of this side, urging an immediate action. The board was not prepared to act last evening, but upon motion of Mr. Farrell, the matter was referred to the finance committee of the board, who will act in conjunction with President Holmes and Secretary Atherton. The committee will act as quickly as possible.

An idea of the proposed plant is given in the following figures: The building will cost $20,000; dye house, $4,000; the plot, $4,000; machinery, $30,000; stock, $10,000, and incidentals, $10,000. This makes a total cost of about $78,000. The $30,000 to be raised here in bonds will be used as follows: $10,000 to be paid upon completion of the foundation; $10,000 more when the building is completed, and the final $10,000 when the plant has commenced operations.

Unless an extension of time is secured the $20,000 must be forthcoming today.

The other business of the evening included the admitting of one new member and the adoption of a motion by Mr. Farrell instructing the manufacturing committee to confer with the proper officials of the Delaware, Lackawanna and Western and Lackawanna Iron and Steel company in reference to factory sites. B. F. Laudig stated that the Lackawanna Iron and Steel company and the old Tripp homestead tracts were to be opened in the near future for building plots. President Holmes also said that a Mr. Brock, of England, would meet him today to consider a site for a proposed woolen mill.

A large funeral cortege accompanied the remains to the Dunmore Catholic cemetery, where interment was made. The pall-bearers were: Alex Dunn, Lawrence Duhigg, Thomas Hogan, Thomas Edwards, Frank Mangan, sr., Frank Mangan, jr., James Kelly and John Reese.

INJURED IN BRIGGS MINE.

John Seko, a Polander, residing at the Brisbin patch, was slightly injured at the Briggs colliery yesterday just after dinner time. The fellow laid down on the tracks leading beneath the breaker and rested his arm on a rail close to the wheels of a gondola. It is not known whether he fell asleep or not, but when an engine pushing cars up on this track a wheel caught the man's arm and held it. Fortunately, it did not go far enough to pass entirely over it. He was extricated and taken to the West Side hospital and the bruised member was dressed.

A Fearful Experience

A POSTMASTER LOSES THE USE OF HIS LEGS AND ARMS.

Edwin R. Tripp, of Middlefield Center, Meets with a Hazardous Encounter Which Renders Him Helpless.

From Otsego Republican, Cooperstown, N. Y.

Mr. Edwin R. Tripp, the postmaster at Middlefield Center, N. Y., recently had a dangerous experience which left him in a helpless state. His system was so much shattered that it was feared he might never recover.

In an interview with a reporter of the *Republican*, regarding this experience which had attracted considerable attention, Mr. Tripp stated:

"In March, 1892, I was taken with what I afterward learned was locomotor ataxia, and was unable to walk, and I kept getting worse until I lost the use of my arms. I doctored with two skillful doctors but received no benefit, and also used a galvanic battery but kept getting worse and the doctors told me they could do no more. This was in May and June, 1892. I gave up all hope of ever having the use of my limbs again, and did not expect to live very long. I was unable to dress or undress myself, and could not get around the house unless I was moved in a chair.

"I think it was in June that I read of the case of a man in Saratoga Co., N. Y., who was taken very much as myself. He had taken Dr. Williams' Pink Pills for Pale People which contained, in a condensed form, all the elements necessary to give new life and richness to the blood and restore shattered nerves, and had been cured by their use.

"I learned that the pills were prepared by the Dr. Williams' Medicine Company, Schenectady, N. Y., and only cost 50 cents a box or six boxes for $2.50 at any druggist's, and sent for two boxes. I used the pills faithfully and they gave me an appetite. I then sent for four more boxes, and before I had taken all of them my feet and legs which had been cold began to get warm.

"I was a member of the Town Board that summer and had to be carried and put into a wagon to go to the meetings, and in fact was helpless, as my neighbors know. In August I could walk around the house by pushing a chair. I kept getting better and managed to move around more, until at election time that year, I walked with a cane to the polls, a short distance from my home. I continued to take Dr. Williams' Pink Pills for Pale People until I had taken eighteen boxes. I could then get around, and to-day walk to the post office and back, a distance of one-quarter of a mile, three times a day, and attend to my duties as postmaster.

"In the spring of 1893 I was elected town clerk, which office I held for three years, I had previously been a justice of the peace for thirty-two years. I am now 70 years of age, and have lived in this town for about forty-six years. For nearly fifty years I worked at the blacksmith's trade. I am able to do work in my garden now, and saw some of my wood. I consider that my restoration to health is due to the use of Dr. Williams' Pink Pills for Pale People.

EDWIN R. TRIPP."

'TIS TRUE

It is only in such establishments as have a free and unlimited command of the open market that the real novelty and variety in the styles for

LADIES' FALL GARMENTS

can be seen this season. The designers and manufacturers appear to have entered into an open competition for supremacy—as leaders of elegance in new fashions, and there is no established notion as to what is strictly correct, the result is a wealth of variety in shapes and ways of trimming, such as has never been seen before.

We Invite Our Patrons

to visit our Cloak Department these days when our fixtures are full of new ideas and novelties, as we feel confident that an inspection will prove a revelation to ladies who do not care to appear in styles that every other person is wearing.

A RUSSIAN BLOUSE

in new green kersey, with tight back, loose front, real astrakhan fur edge, very elaborate braiding and applique work, etc., represents one of the handsomest garments we have ever seen.

Price, $24.00 or Less

for styles not quite as elaborate.

ANOTHER BLOUSE

with loose back and front, rich military braiding, Roman stripe silk linings; superbly tailored, and withal a very handsome garment in royal blue, green or black kersey.

Brings $16.50

ANOTHER BLOUSE

whose principal feature is its exquisite workmanship and undoubted quality has attracted much attention. Beautiful designs in self applique work, broad stitched border edges, patch pockets, etc., afford an idea of the make-up. These come in cadet blue, new greens or black kerseys.

The Price, $18.00

A TAILORS' JACKET

at the same price is worthy of note. It is severely plain with patch pockets, strapped seams, exquisite silk linings, rich pearl buttons, etc., and comes in pearl grey, royal blue, brown, green and black.

NUMBER 524

one of the most stylish jackets in our entire range. The style is unique and the cut and trim as nearly perfect as human ingenuity can make them.

It costs $15.00

WAVE ASTRAKHANS

are the most popular of cloth effects, and the triple stitching, applique trimmings and pockets give this jacket a jaunty, dressy appearance that is simply indescribable, and an excellent value at that figure.

This, too, is $15.00

YES,

we've cheaper garments if you want. All the above and others are exclusively our own styles.
