### AN INCORRIGIBLE BOY.

His Father Has Him Committed to Jail.

The trials of a parent in regard to his child was forcibly illustrated yesterday when John Richards, of South Main avenue, handed his son Willie, barely 12 years of age, over to the police. The boy was taken to the county jail yesterday afternoon by Patrolman Peters to await trial in the court on a charge of larceny. The purpose of the father is to have his wayward son sent to the reformatory.

Mr. Richards has exhausted every means of correction and finds the lad to be incorrigible, and as he cannot lose his work to look after the boy, he sought the aid of the authorities. eral times the actions of the lad has caused his father much trouble, but on Tuesday the theft of \$8 from the house where they board determined the pa-rent. The lad took a companion to Pittston with him and they had a great time while the stolen money lasted. They returned yesterday and the cul-

WHAT IS YOUR TRADE!

Each Trade or Occupation Has Its Special Disease.

It is well known among medical men that certain diseases are more readily developed in certain occupations than in others. That each occupation has its attendant physical weakness. Encupations suffer mostly from kidney troubles and men who are often exposed to the weather suffer from rheumatism, while clerks and professional men, in fact the army of people whose business keeps them indoors, are oftentimes great sufferers from piles and constipation. In this connection the following letter is of interest to people whose occupation will not allow sufficient outdoor exercise. Mr. A. F. Calhoun, notary public

and jeweler and watchmaker, of Circleville, W. Va., writes as follows: I had been a severe sufferer from piles for years and had tried many remedies with but little benefit, when about three years ago I saw the Pyra mid Pile Cure advertised and sent for

I was badly afflicted when I got them, but after only two applications the piles disappeared and from that day to this I have never felt a symp tom of the disease.

I feel that I cannot recommend them too highly to sufferers from piles. The Pyramid Pile Cure is free from ocaine, opium or any mineral poison, absolutely safe, pleasant and painless sold by druggists at 50 cents per package. If there is any constipation the Pyramid Pills should be used with the pile cure. The pills are 25 cents per

The township school board met in No. building yesterday in regular session. The Lincoln Heights ground matter was taken up from the table, where it has been laying the past few months, while the mem-bers of the board carefully considered the question of purchasing a site for a new school at that place. They decided to pur-chase three lots for the sum of \$1,115. The board is renting a building in that locality for school purposes at present. They decided to reopen the night school on the first Monday in November. A committee was appointed to visit the different schools and ascertain what number of teachers the attendance would warrant. The teachers received their monthly stipend.
