The bears were again successful during the morning, but they encountered re-sistance at the lower level and were orced to cover heavily before the cdose f the day, so that prices were brought sack to within fractional limits either way of last night's close. Chicago Gas con-tinued to absorb a very large share of atention and it was in this stock that the bears suffered a keen reverse. The suc-ceded in forcing down the price at one time 1%, but the inside support for the tock was very strong and the advance frove the boars to cover, the stock clos-ing with a net gain of 2%.
