at Nichols, N. Y., yesterday, where the rector performed the ceremony of uniting in marriage his brother, Samuel Broadhead, of Old Forge, and Miss Margaret Dunham, of Nichols. Rev. and Mrs. Broadhead have returned home, accompanied by the newly-mar-ried couple, who will spend a few days here before taking up their residence

at Old Forge. Earl, the two-year-old son of Mr. and Mrs. William Watkins, died Wed-nesday afternoon of diphtheria. The funeral was held at the home of the parents yesterday, Rev. G. B. Stone, of the Methodist church, officiating.

BUNCOERS ABROAD : BEWARE !

It is the trick of the Bryanized Democracy this fall to make false charges against Republican methods, raise a big dust, hire Republican malcontents to organize Republican bolts and then coax individual Republicans to desort their party on the representation that "party ties needn't count for anything in an off year." By this trick, if it shall work, the Bryanites will get a foothold for a hopeful fight in national campaigns, and make just so much more trouble for McKinley, sales were 306,200 shares. the Republican congress and the cause Furnished by WILLIAM LINN, AL-LEN & CO., stock brokers, Mears buildof sound morey. The men practiced under the direction of Coach Weolruff's new code of signals, and also a few formations of putting the ball in play. An hour and a half was consumed in learning the new plays and signals, after which the 'varsity was lined up against the scrub for twenty minutes in order to perfect the 'varsity's defensive play. Their work in this line was good, the scrub being unable to gain much ground, although Woodruff gave them possession of the ball for thirty successive downs. THE MARKETS.

Wall Street Review New York, Oct. 21 .-- In the carly dealings

New York, Oct. 21,-In the early dealings on the Stock exchange today prices were carried quite materially above last night's level, at one time during the morning the rise extending to a point or over in Sugar, Chicago Gas, Chesapeake and Ohio, and Cleveland Cincinnati, Chicago and St. Louis, and 2% in Consolidated Gas. Later on gains were entirely wiped out in almost every important stock and net declines every important stock, and net declines were nearly a point in many prominent in-stances, and considerably over that in a number of cases. This made up a very wide range of fluctuations for the day and
