WYOMING. Friday last was a gala day for the children of the Wyoming public schools of both the East and West Wards, Arbor Day being observed in a very elaborate and appropriate manner by them. The schools of each ward held their exercises seperately. The East ward schools were to conduct their exercises on the front steps of the grading school building but owing to the inclemency of the weather they were rendered in Music hall which is located near by. The hall was well crowded with the pupils of the schools and friends. Shortly after two o'clock the programme began with prayer by Rev. Robert R. Thompson after which the proclamation for Arbor Day prepared by State Superintendent of Schools Schaffer, was read by Miss Blanche Gross, The following parts were then given by the pupils of the different rooms in the East ward schools: "The Garderner's Burial." Nellie Totten; Song, "Woodman Spare that Tree," by pupils of the grammar school; Recitation, "Arbor Day," Miss Makees school; "October Days," Ethel Heaney; Song, "Autumn Leaves," Miss Prey's school; "Forest Hymn," Maggie Choades; Recitation, 'I wish I were a Man," Harry Totten; "Song of the Trees, by pupils of Miss McKees and Miss Lewis' rooms; Recitation "A lit-tle letter," Ella Fitzgerald; "Tree Planting, Frank Filkins; Arbor Day Exercises, by eleven pupils of Miss Burnett's room: recitation, "Autumn Woods, Floyd Trieble. In the consideration of the short time spent in preparing the children for the rendition of their parts they are worthy of much commendation. Professor Charles Herman principal of the schools made an address on Arbor Day and spoke very kindly to the pupils as to the excellency of their efforts during the afternoon and urged them to aim for greater things. The schools and entire audience arose at the close of Principal Herman's remarks and sang in a patriotic spirit, America. About ten trees have been planted by the children of the East ward schools, and equally as many upon the campus of the West ward school. Many of the trees have

ship work. For some time members of the Presbyterian church with the assistance of members from other churches have been preparing for the presentation of an operetta. This evening the oper-etta entitled "The Jolly Farmers" will given in Music hall by a chorus of fifty voices from the best singers in Wyoming, Edward J. Howell leader of the Monument Glee club will direct the affair. The operetta has some humorous parts in it and will be well acted by characters of good reputation in impersonating, so that a truly jolly time is promised all who attend. Price of admission are 10, 20 and 30 cents giving opportunity for a large audience. The doors will open at 7.36 and the program begins at 8 o'clock.

BUNCOERS ABROAD : BEWARE !

It is the trick of the Bryanized Democracy this fall to make false charges against Republican methods, raise a big dust, hire Republican malcontents to organize Republican bolts and then coax individual Republicans to desert their party on the representation that "party ties needn't count for anything in an off year." By this trick, if it shall work, the Bryanites will get a foethold for a hopeful fight in national campaigns, and make just so much more trouble for McKinley, the Republican congress and the cause of sound morey.

You now see through this trick. Are you going to let it work?

A Gospel Prohibition church will soon be established at Burnwood, a few miles north of here. This is the new church movement with which Rev. J. C. Hogan, of Forest City, is so promi-

nently identified. A union Thanksgiving service will be held in the Presbyterian church on Nov. 25. Rev. G. B. Stone, of the Methodist Episcopal church, will de-liver the sermon. Music will be furnished by the united choirs of the various borough churches and the members are requested to be present at the

at the Presbyterian church. The board of health wishes to call the special attention of the people of Forest City to the serious danger of communication with those who have diphtheria, are just convalescing from an attack or have been exposed to the disease. There already have been cases the origin of which can be directly traced to carelessness in this matter, and unless proper sanitary precautions are observed an epidemic is sure to prevail that will bring death into many homes from which it might have been excluded. Physicians are also asked to promptly report all cases of diphtheria, diphtheretic croup or membraneous croup, as required by law. School has been closed for the remainder of the week, on account of the

prevalence of diphtheria. Exaggerated reports are being cirulated to the effect that more than fifty cases of diphtheria and typhoid fever exist here. As a matter of fact, only ten cases of diphtheria are known to exist in the borough at present and two cases of fever. Marian, the little daughter of Mr. and Mrs. John Maxey, two children of Hamlet Corrigan, four of Mr. and Mrs. John Mayer's children and Miss Beulah Hines have recently been taken with the disease,

A STAB IN THE BACK.

Clothing Merchants Excited .- This New Competition is More Than They Can Stand .- They Seek to Stop Newspapers from Advertising for This New and Enterprising Firm--People of Scranton Are Glad They Are Here -- High Prices in Clothing That Have Been Making Clothiers Rich at the Poor Man's Expense a Thing of the Past in This City.

Ever since the Chicago Cimbination Clothing Co. opened their store at 211 Washington avenue, they have done a tremendous trade. The rival clothing dealers in the city of Scranton have been doing their utmost to keep this concern from coming in the city, knowing right well that they cannot compete with them. At every opportunity they have been giving this firm a stab in the back. They are afraid to come boldly forward and meet competition in a fair and square way, so they therefore employ methods which the right business man who minds his own business would not think of employing. The Chicago Combination Clothing Co. are here to stay, but we must get acquainted with the people and are therefore offering such inducements and are selling high grade clothing at such rulnously low prices and, in fact, at such prices and for less than these merchants can buy them for. We are not selling slop-shop or sweat-shop goods, such as other merchants would have you believe, but goods of the highest character. All we ask is a trial. Come and be convinced. We do not ask you to buy unless you are fully satisfied of a big saving.

Wall Street Review New York, Oct. 25.—The conviction that rupture in our relations with Spain will ultimately result from the Cuban question, the danger that the Union Pacific reorganization plan will be upset by the government's desire to postpone the sale, and the weakness in New York Central due to yesterday's disaster on its line, combined to break the stock market tocombined to break the stock market to-day and demoralized prices throughout the list. The lower prices for American securities in London and the decline in the price of Spanish fours there of half per cent to 5½ were accepted as a meas-ure of the apprehension felt there as to the harm that would be done to values by the threatened rupture. The opening showed sharp declines in the international stocks and the specialties, and by noon practically every active stock on the list. There was a lull in the activity of the liquidation at that time and a steadying of prices based on a hope that the Supreme court would hand down a favorable decision in the Nebraska maximum freight rate case and that prices of railway property would tend to improve as a result. A sharp rally in Chicago Gas on the announcement of the declaration of the regular dividend developed to steady the list.
