Woman's Nerves.

Mrs. Platt Talks About Hysteria.

When a nerve or a set of nerves supplying any organ in the body with its due nutriment grows weak, that organ languishes.

When the nerves become exhausted and die, so to speak, the organ falls into decay. What is to be done? The answer is, do not allow the weakness to progress; stop the deteriorating process at once!

Nothing is better for the purpose than Lydia E. Pinkham's Vegetable Compound; it will work a cure.

Mrs. LEVI F. PLATT, Womlesburg, Pa., had a terrible experience with the illness we have just described.

"I thought I could not be so benefited by anything and as to myself, I had hysteria caused by womb trouble in its worst form.

"The moment I was alone I would cry from hour to hour. I did not care whether I lived or died. I told my husband I believed Lydia E. Pinkham's Vegetable Compound would do me good.

color in my face than I have had for a year and a half. Please accept my thanks. I hope all who read this and who suffer from nervousness of this kind will do as I have done and be cured."
