FOOT BALL WITH FOOTPADS.

Knights of the Road Found Themselves in a Plight.

Elizabeth, N. J., Nov. 2.—While strolling with Miss Kellogg along Jersey avenue, in West Elizabeth, last evening, Edgar A. Knapp was attacked by two rough men. Knapp was half back on the foot ball team of the Elizabeth Athletic club, and bidding his companion run, he peered off his coat and proceeded to show the ruffians some points on mass play and interference.

KILLED TWO WOMEN IN A BUGGY.

MULLINS RESTORED ORDER.

And Three Kentucky Toughs Are Dead on the Field.

Mount Vernon, Ky., Nov. 2.—A number of tough characters created a disturbance at the Crooked Creek precinct in this county this afternoon. Sheriff Mullins attempted to restore order when a general shooting affray took place between the sheriff and his deputies and the disturbers, three of the latter being killed.

MONUMENTS ARE HEATHENISH.

Bishop Coleman Has a Word to Say About a Custom.

Wilmington, Del., Nov. 2.—Bishop Coleman, in an address at Old Swedes church yesterday, denounced what he called the deplorable custom of erecting heathen monuments, such as obelisks, wreathed shafts, faded flowers and urns over the graves of Christians in cemeteries where the said monuments, in any expression of hope or faith in the resurrection.

WHITNEY'S WEEKLY BUDGET OF NEWS

A Young Lady Loses Her Hair in a Storm.

SQUIRREL HUNTER'S GOOD LUCK. He Finds a Well-Filled Bee Tree. Two Tame Turtles at Lansboro. Results of a Bee Sting—Railroad Chips and Odds and Ends.

Special to the Tribune. Susquehanna, Nov. 2.—During a violent thunder storm, which recently broke over the vicinity of Hopbottom, a curious incident happened. A young lady, caught in a storm, was hastening homeward, sheltering herself, as best she could, under an umbrella from the drenching rain. Suddenly she experienced a strange and alarming sensation, the shock being simultaneous with a very vivid flash of lightning. She was greatly alarmed, but nevertheless proceeded on her way, and it was only on reaching home that she discovered that a narrow escape she had. On removing her hat she found that her hair had been literally cut off, her head presenting, as the hair fell, the same appearance as though it had been shaved with a razor. The effect upon the girl's mind of the discovery was so great that she has been confined to her bed ever since the day of the storm.

NEWS JOTTINGS. The funeral of Mrs. William Fitzgerald, of Melrose, occurred from St. John's Catholic church, in this place, on Sunday afternoon. There was a slight fall of the alleged "beautiful" in this place on Saturday. William Rogers, of Seattle, is visiting his parents, Mr. and Mrs. John Rogers, in Windsor township. He recently reaped a rich financial harvest in Alaska, by selling horses at a fabulous figure to the pilgrims to the Klondike country.

ERIC ROSE COMPANY, No. 1, will hold its annual ball in Hagen opera house on Wednesday evening, November 24. It is expected that Christ Episcopal church will have a new pastor in a few days. The church has been pastorless for several months.

A SQUIRREL HUNTER'S LUCK.

Arch Brack, of Windsor, went out for squirrels a few days since. He bagged eight and wanted nine, which finally succeeded in climbing a tree. Arch espied the animal in a topmost branch, fired at it a second time, and as it fell to the ground he noticed that its thick fur was covered with holes. This set Arch to investigating, with the result that he discovered the tree from which he shot the squirrel to be hollow and tenanted by a swarm of bees. Procuring an ax he cut down the tree, and was rewarded for his toil by forty pounds of honey.

IN SUSQUEHANNA COUNTY.

The Baptist Ministers' Conference was held in Jackson on Monday. The county court will be in Montrose on Monday, November 15. The Great Bend Plasterer and Hallstead Herald are having a wordy war.

Sergeant Charles M. Snell, of the county regiment of United States Infantry, a native of Rush, this county, is the champion shot of the regular army. He recently piled up a record of 624 out of a possible 800.

Two large wild cats were on Friday killed in Deep Hollow, Great Bend township. The people of Forest City will take efficient measures to stamp out diptheria.

The D. L. & W. shops in Hallstead are on nine hours' time, a gain of an hour. A number of Susquehanna county veterans will go to Chattanooga, November 15, to witness the dedication of the Pennsylvania monuments on the Chickamauga battlefield. This state will furnish free transportation to all Pennsylvania soldiers who participated in the battle.

RESULT OF A BEE STING.

Miss Phillips, a comely young school teacher of Liberty township, this county, a few months ago was stung by a bee. The limb swelled to a great size and she was unable to attend to her school duties. She is now teaching, but is compelled to use crutches. There is danger of blood poisoning, and a physician is treating her to avert it.

It is now believed that Jackson Pepper, son of Rush, his cousin, was murdered by two tramps. Over \$15,000 was found concealed in the dead man's house, and it is confidently believed that a still larger sum will be found.

Legal action has been taken to compel Charles Holmes, of Hallstead, to provide for his parents. The county court decreed that he pay \$4 a month for that purpose. This he refused to do, which is why his present post-office address is Montrose jail.

The somewhat celebrated case of Omar Olin vs. the supervisors of Jackson township, has been decided by Judge Searle in favor of Mr. Olin. It is a chapter to this thrilling watering trough story.

Before Justice Tiffany, in this place on Friday afternoon, was tried the very peculiar case of George Skappe, of Susquehanna, vs. George V. Larabee, of North Jackson. The defendant was acquitted. No such case was ever before tried in the county—perhaps not in the state.

TWO TAME TURTLES.

A few months since a Lansboro garden was surprised to find at her lady garden two turtles, one a hard turtle, the other a ground turtle. She took them in, and they have since become regular household pets, following her around the house like dogs and allowing her to handle them with impunity. They have made friends with the three household cats, and, although of different species, they frolic together in a dignified manner all day, except at meal time. When their meals, consisting of bits of meat, and sometimes a couple of bones, which they are ex-

CATARRH OF THE STOMACH.

A Pleasant, Simple, but Safe and Effective Cure for It.

Catarrh of the stomach has long been considered the next thing to incurable. The usual symptoms are a full or bloating sensation after eating, accompanied sometimes with sour or watery eructations, a formation of gases, oppressive pressure on the heart and lungs, and difficult breathing; headaches, sickle appetite, nervousness and a general played out, languid feeling. There is often a foul taste in the mouth, coated tongue and if the interior of the stomach could be seen it would show a slimy, inflamed condition. The cure for this common and obstinate trouble is found in a treatment which causes the food to be readily, thoroughly digested before it has time to ferment and irritate the delicate mucous surface of the stomach. To secure a prompt and healthy digestion is the one necessary thing to do and when normal digestion is secured the catarrhal condition will have disappeared.

According to Dr. Harlandson the safest and best treatment is to use a certain meat tablet composed of Diastase, Asceptic Pepsin, a little Nux, Golden Seal and fruit acids. These tablets can now be found at all drug stores under the name of Stuart's Diastase Tablets and not to be confused with the medicine commonly used with perfect safety and assurance that healthy appetite and thorough digestion will follow their regular use after meals.

Mr. N. J. Booher, of 2710 Dearborn St., Chicago, Ill., writes: "Catarrh is a local condition, resulting from a neglected cold in the head, whereby the lining membrane of the nose becomes inflamed and the poisonous discharge therefrom passing backward into the throat, reaches the stomach, thus producing catarrh of the stomach. Medical authorities prescribed for me for three years for catarrh of stomach without cure; but today I am the happiest of men after only one box of Stuart's Diastase Tablets. I can now find appropriate words to express my good feeling. I have found flesh, appetite and sound rest from their use. Stuart's Diastase Tablets is the safest preparation for the stomach. It is the simplest and most convenient remedy for any form of indigestion, catarrh of stomach, biliousness, sour stomach, heartburn and bloating after meals. Send for little book mailed free on stomach troubles, by addressing Stuart's Co., Marshall, Mich. The tablets can be found at all drug stores."

RAILROAD CHIPS.

A new time-table will take effect on the Erie on Sunday, November 21. Beginning November 21, the Erie will run its Jefferson branch "day" on Sunday. The Delaware and Hudson is bound to be up to date. It will soon run Sunday trains. The "merit mark" system went into effect on the Erie on Monday. It will prove a change if not an improvement over the existing rules.

In a circular letter, Erie employees are informed that they must cease frequenting drinking places if they care to retain their jobs. Nowadays, railroading and whiskey do not mix. Five hundred men are employed on the Jefferson branch of the Erie have been substituted by culm or "dirt burners."

ODDS AND ENDS.

The next meeting of the Past Sachem's association, I. O. R. M., of Susquehanna county, will be held in Great Bend in January. And now the good people of Prompton are endeavoring to turn back the tide of gold hunters from the Klondike country. County politicians have been doing considerable eleventh-hour work.

If it rains today scores of Susquehanna county Republicans will remain away from the polls. Democrats will "ratify to the polls" if it rains pitchforks and crowbars. It is now said that the explosion at the Dodgen mill, at Comstock's Crossing, was caused by a flaw in the boiler. The mill was completely wrecked.

A number of Susquehanna and vicinity deer slayers left today for the wilds of little Pike county. The season opens on Wednesday. SCRANTON.

The Kimball Piano.

CRAIG-Y-NOS CASTLE. The Home of Mme. Patti—A Museum of Priceless Mementoes—How the Diva Shows Her Loyalty, Though Thousands of Miles May Intervene—The Latest is an Autograph Letter Sent from Wales.

Craig-Y-Nos Castle in the heart of the picturesque Swansea Valley, the home of Mme. Patti, contains some of the most priceless heirlooms and bric-a-brac in Great Britain. Within its walls are souvenirs from every clime gathered by the diva during the journeys of her wonderful career. To receive a letter confirming the high opinion that she pronounced eight years ago is no common occurrence, and yet she has recently repeated a previous honor. Mme. Patti was the great artist who first endorsed the Kimball piano, one of which she took to Craig-Y-Nos Castle with her in 1889, where it still stands in excellent condition doing good service. Since the testimonial then given the Kimball piano, she has endorsed no other. Mme. Patti has now placed in her castle one of the new style Kimball baby grand, and this is the letter she writes concerning its arrival.

Craig-Y-Nos Castle, Ystradgynlais, R.S.O., Breconshire, South Wales, July 23, 1897. Dear Mr. Kimball: It is with great pleasure that I write to acknowledge the safe arrival of the Kimball baby grand piano. It is indeed a beautiful piano and has an exquisite tone. It has already been greatly admired by many connoisseurs who are all united in pronouncing it to be a chef-d'oeuvre. With kind regards, believe me, yours very truly, Adeline Patti Nicotini. The Chicago Times-Herald.

Sleep

Induced by the use of coca, opiate or narcotic compounds is bad, decidedly bad. They undermine health and shatter the constitution and the patient is steadily growing into a worse condition—often resulting in the terrible slavery and misery of the cocaine and opium habit. Sleep induced by the use of Hood's Sarsaparilla does not perhaps come as quickly, but it comes more surely and more permanently through nature's great restorative and rejuvenating channel—purified, vitalized and enlivened blood. This feeds the nerves with life-giving energy and builds up the system and constitution from the very foundation of all health and life—the blood—pure, rich, red blood.
