

THROUGHOUT THE STATE

[Continued from Page 1.]

at 2.50. In 1896 the prohibition vote was 217. Thompson received but two votes. The entire Republican county ticket is elected.

Crawford County—The vote in Crawford county was very close, and it is impossible to tell at this hour who has carried the county. Judge Henderson, Republican, has 736 plurality in 33 out of 81 precincts. If the present ratio of gains continue Henderson will be elected over Thomas, Democrat.

PHILADELPHIA'S VOTE. Republican Candidates Secure Large Pluralities.

Philadelphia, Nov. 2.—Returns from one-half the wards of the city indicate the election of Colonel Clayton Ketchum, Republican, city treasurer, and George B. Hackett, Republican, for registrar of wills, by majorities approximating 75,000. Judges Frey, Whitman, Anderson and Ferguson were unanimously re-elected, they having been endorsed by both parties. The proposition to increase the indebtedness of the city \$12,000,000 for public improvements has been carried by about 20,000. Under the provisions of the constitution the city debt could not be further increased except by the approving vote of the people. The vote is about 30 per cent. under that of last year and will not quite equal the "off year" vote of 1895.

Hennon, Republican, for state treasurer, and McCaskey, Republican, for auditor general, have pluralities in Philadelphia of about 75,000. Swallow, Republican, for state treasurer, received about 10,000 votes. The vote for Thompson, Independent Republican for state treasurer, was very light, probably less than 1,000.

MR. GARMAN IS HOPEFUL. Democratic Chairman Finds Many Things of a Comforting Nature.

Harrisburg, Nov. 2.—Chairman John M. Gorman returned to state Democratic headquarters this afternoon from his home at Nanticoke. He is disappointed with the defeat of Brown and Ritter, although he is not downcast over the result. He says the country is to be congratulated on the successes of the Democratic ticket in Greater New York and the probable defeat of Mark Hanna in Ohio. The returns from Pennsylvania show that the Republican party and its management have been severely rebuked by the people, notwithstanding the small vote, said Mr. Gorman. "Dr. Swallow has received a highly complimentary vote in many localities. Though many Democrats voiced their protest by voting for Swallow instead of their own ticket, yet the gains shown by Brown and Ritter indicate that the people are not averse to sustaining the Democratic party when the candidates are clean and honest.

"This election indicates that in 1898 the congressional and gubernatorial elections will probably be favorably to the Democrats. Counting the large vote given to Dr. Swallow and the decreased vote given to Beacom, I am satisfied that the majority against Brown, if any, will be surprisingly small."

DR. SWALLOW'S BIG VOTE.

The "Fighting Parson" Breaks All State Prohibition Records. Philadelphia, Nov. 2.—Returns at midnight from the state indicate that Dr. S. C. Swallow, prohibition candidate for state treasurer, known in politics as "the fighting parson," has received more than 125,000 votes. In the counties of Blair, Clinton, Cumberland, Dauphin, Huntington, Lycoming, Juniata, Montour and Northumberland the returns indicate that Swallow defeated Beacom, the regular Republican candidate. In 1895 the prohibition vote in the state was 97,775, and last year it was 157,274.

SWALLOW IN LUZERNE. Pooled Large Votes in Districts Where No Voting Was Expected.

Wilkes-Barre, Nov. 2.—A feature of today's showing in Luzerne county was the strength shown by Dr. Swallow. He polled votes in districts where he was not expected to make any showing at all. In the borough of West Pittston he polled twice as many votes as the Democratic candidate. The vote for Thompson was very light. Returns from 189 districts show a falling off in the Republican vote of 2,150.

RESULTS IN OTHER STATES.

OHIO. Columbus, Nov. 2.—Apart from the struggle of the Democrats to capture the legislature and thus defeat re-election United States Senator Mark Hanna there were six complete state tickets in the field; the Republican headed by Governor Bushnell, the Democratic, by Horace L. Chapman, the Gold Democratic, by Julius Dexter, the Populist, by Jacob S. Coxey, the Socialist Labor, by William Watkins, and the Negro Protection, by Samuel J. May. Cleveland, Nov. 2.—The Leader says: Governor Bushnell has carried Ohio by a majority of from 20,000 to 25,000. This insures the election of the Republican party in the general assembly and the return of Marcus A. Hanna to the United States senate. In this city and Cuyahoga county, the Republican ticket has a majority of from 4,000 to 5,000 and the three Republican senators and nine Republican representatives in the legislature are elected. Columbus, Nov. 2.—At 10 p. m. the Democratic state committee claimed the election of their state ticket by from 4,000 to 30,000 plurality and a majority of the legislature on joint ballot for United States senator. No figures were given out on the 32 senators and 120 representatives, but it was claimed that the Republican loss of 14 members of the legislature in Hamilton county would insure Democratic control of the legislature. Democrats also claimed that 12 members of the legislature from Cuyahoga county, which includes Cleveland, the home of Senator Hanna. The Republican state committee conceded the loss of Hamilton county but claimed that there were not sufficient returns from Cleveland on which to base any estimate. With the loss of 14 members of the legislature in Hamilton county and also of 12 in Cuyahoga county, the Republicans do not expect to carry the legislature. The Republican state

LARGE SCAFFOLD SUDDENLY DROPS

Eight Workmen Are Thrown to the Ground—Two Men Fatally Injured and Several Seriously.

St. Louis, Nov. 2.—Today while 65 workmen were in a large scaffold extending the whole length of the Wash building, which was recently partially destroyed by fire, a section of the platform gave way, carrying eight men to the floor below. Two were fatally injured and four others seriously hurt. Fatally injured: Otto Levh, skull crushed, Herman Werthman, internally injured. Seriously injured: George Smith, fractured skull; Charles Wilson, internal injuries; Charles Harris, face and hand crushed; H. L. Grosswell, scalp wounds and cut on face; Otto Levh is said to belong to a wealthy and prominent family, his father being editor of a German paper in Baltimore and connected with the German consulate there.

SHOT THE BUILDER.

Robert Arndt Puts Three Bullets in the Face of L. A. Schlegel.

New York, Nov. 2.—In Woodside Heights, L. I., at a late hour last night, L. A. Schlegel, a builder, was shot three times by Robert Arndt, a carpenter. One of the bullets hit Schlegel in the jaw, the second in the cheek and the third in the forehead. He will probably recover. Three months ago Arndt and his wife quarreled, and it is alleged that jealousy was at the bottom of their disagreement. Arndt says that when he returned to the home of his wife late last night he surprised her and Schlegel occupying the same room. He says he shot Schlegel in the room. George Fall, who boarded with the Arndts, says he saw Arndt shoot Schlegel while the latter was in the yard. Schlegel has not been able to make a statement.

FLOATING BODY IDENTIFIED.

Sullivan's Island Corpse Was That of H. Johnson.

Charleston, S. C., Nov. 2.—The body of the man washed up on Sullivan's island beach yesterday was identified today by Purser Martin, of the steamer Aqueduct, as that of H. Johnson, who sailed from New York on his ship last week. He was a thirty-third degree Mason and his clothing and jewelry indicated that he was a person of wealth. He arrived here Friday and went to the Charleston hotel, but left the next morning. Purser Martin says he acted strangely on the ship coming down. An overcoat and grip were found in his room at the hotel. The coat was made by George G. Benjamin, Broadway and Twenty-sixth street, New York. It is believed that Johnson was not his real name.

RIOT IN VIRGINIA.

Democratic Factions Fight Over the Possession of a Booth.

Norfolk, Va., Nov. 2.—A riot was almost precipitated in Berkeley this morning. There are two Democratic factions in the county. The Cole faction selected the voting place of the Newbern faction on Berkeley avenue, but left the books in charge of the regular clerks who, after an excited discussion, retired to the mayor's office and opened a new voting place, leaving the Cole crowd in possession of the old booth. Mayor Bechy expected further trouble, and requested that one company of Portsmouth militia be held in readiness to await a call from him. This was done, but it is not thought that its services will be needed as excitement has quieted down. No one has been injured or arrested.

FATAL KENTUCKY DUEL.

Combatants Die Before the Smoke of Their Pistols Disappears.

Junction City, Ky., Nov. 2.—A fatal duel took place here this afternoon in which an old feud was ended and both of the participants died within a minute of each other. Some years ago J. O. Wright shot J. C. Blackerty, while assisting officers to arrest him. The trouble was renewed this afternoon. Wright fired on Blackerty, who returned the shot. Both men fell mortally wounded and both died before the smoke of their pistols had disappeared. Blackerty was unmarried. Wright leaves a widow and two children.

HISTORIC HOUSE DESTROYED.

The Stone Dwelling at Tappan Where Andre Was Confined Blown Down.

Nyack, N. Y., Nov. 2.—The 17th stone house at Tappan, was blown down by the wind this morning. This is the house where Major John Andre was imprisoned, and from which he was taken to his cell in Fort Mifflin, 2,178. It was owned by Dr. Stebbins of Tappan, and has been visited by people from all over the world. Boy Hails Masqueraders. Wilmington, Del., Nov. 2.—Plucky 14-year-old Swish Robinson, armed with a pistol, routed a crowd of Hallowe'en masqueraders near Greenbank, who had let loose his widowed mother's cows and were committing outrages. The boy overtook the frolicers and made six of them stand in line under pain of having their heads blown off. He then held three at bay while the others were compelled to drive the cows home again. Before the lad would allow the masqueraders to go he made them unmask.
