## SUCCESSFUL INDUSTRIAL SCHOOL.

Conducted in Connection with the Jackson Street Church.

To Rev. Thomas De Gruchy, pastor of the Jackson Street Baptist church, belongs the credit of instituting the idea of an industrial class among the children of the church. In September, 1916, steps were taken which have since been fraught with satisfactory results. A small number at first interested but as the mothers began to realize the benefit of the work they gave hearty assistance.

Considerable work was accomplished up to the early spring when a fair was held at which the articles made by the children were exposed for sale. Only girls of ages ranging from six to fourteen years are members of the class. A committee of ladies are chosen by the official board of the church from among the ladies, and this committee, assisted by other ladies, do the instructing.

Plain and fancy sewing, cutting, mending, patching, darning, etc., are taught from the threading of a needle up to the most complex stitch. On Saturday, Oct. 2, the second year was commenced. The class now numbers over a hundred and is growing. A session of a few hours' duration is held each Saturday afternoon, commencing at 2:30 o'clock. A proof that the class is a success, is that it pays its own running expenses. Each child brings a penny each session and the fair for the sale of their articles nets a nice sum. The officers chosen for this year are: Mrs. Hutchings, president; Mrs. John Harris, Mrs. May, Mrs. Misses Jennie Roberts and Norma Nichols.

## A SURPRISE PARTY.

A party of ladies of the West Side surprised Mrs. John B. Davis, of Bromley avenue, on Wednesday evening, the occasion being a welcome home to Mrs. Davis on her return from Wales. A very pleasant time was spent, after which refreshments were served. Those present were: Mr. and Mrs. John B. Davis, Mrs. Rev. D. Jones, Mrs. William Lewis, Mrs. James Davis, Mrs. Owen Thomas, Mrs. Daniel James, Mrs. F. D. Brundage, Mrs. Evan Davis, Mrs. G. W. Powell, Mrs. Daniel Davis, Mrs. Thomas M. Jones, the Misses Margaret Jones, Lizzie Lewis, Alice Davis, Ruth Thomas, Amy Maud Davis, Gladys Humphreys Jones, Mary Lizzie James and Emily Davis.

## FUNERAL OF WILLIAM LEVER.

The funeral of the late William Lever, of 112 Lafayette street, took place yesterday afternoon. The remains were borne to the Simpson Methodist church and the services were conducted by the pastor, Rev. J. B. Sweet. The pastor preached an eloquent sermon to the large assemblage of the friends of the deceased who were present. He referred in enduring terms to the Christian character and sterling worth of the deceased.

NERVOUS TROUBLES, ALL KINDS cured with WASHINGTON CHEMICAL CO. Washington, D. C.

of the deceased which had won and bound to him many friends. Simpson Lodge, No. 576, Independent Order Odd Fellows, were present in a body. The floral designs were very beautiful. The Sabbath school class of the Simpson church, taught by Miss Margaret Lever, sent a bouquet of chrysanthemums and the Ladies' Aid society of the church a broken sheaf of roses. A selected quartette from the church choir sang several selections. At the close of the services the remains were borne to the Forest Hill cemetery where interment was made.

The pallbearers were: Seth Wrigley, John Saunders and John Handolph, of the church; T. P. Jones, Evan Jones and Samuel Rogers, of the lodge.

## FIRE YESTERDAY AFTERNOON.

The alarm of fire sent in from box 44, corner of Scranton and Seventh streets, yesterday afternoon at 3:35 o'clock was caused by the discovery of fire on the roof of a frame dwelling house near the corner of Ninth and Jackson streets. The Columbus and Eagle fire companies were quickly on the ground and in five minutes after the Columbus had a stream on the fire was out. Only the shingles had become ignited. It is supposed that a hot coal from a passing locomotive had caused the fire, as the house stands very close to the railroad tracks of the Bloomsburg division of the Delaware, Lackawanna and Western. Little damage was done. The house is owned by families of Hungarians and Slovaks. It is two stories in height and has a basement and is owned by Mrs. Timothy Sullivan, of 109 North Ninth street.

## ONE-SIDED CONTEST.

A rather one-sided game of football so far as the score is concerned, was played between the No. 14 school Regulators and the Alumni Athletic Association eleven on the Washburn street grounds yesterday afternoon. Two halves of fifteen-minutes each, were played. The score stood 46-0 in favor of the Alumni Athletic Association. Coons, Morse, Harrington, Elias and Macgovern especially distinguished themselves by runs and touchdowns. The officials were: McGarrall, referee; Sweet, umpire; Carr, timekeeper; James, linesman. The line-up was as follows:

No. 14 Regulators. A. A. A. Griffiths, left end; Storm, left tackle; Storm, center; S. Phillips, right guard; Gleason, right tackle; Kelly, right end; Morse, left half back; Coons, right half back; Elias, full back; Harrington, quarterback; A. Davis.

# Blood Poisoned.

## FEARFUL RESULT OF IMPROPERLY TREATING AN ABSCESS.

Mrs. L. E. Browning, of Pueblo, Painfully Afflicted from a Complication of Diseases—Her Remarkable Fortitude.

From the *Scranton Tribune*, Pueblo, Col.

"I consider Dr. Williams' Pink Pills for Pale People," she continued, "the best tonic I have ever known."

"A friend not long ago was telling me of her mother who is at a critical period in her life. She had been subjected to terrible fainting spells and the whole family would work over her. Dr. Williams' Pink Pills have not only stopped the fainting spells, but given her so much strength that she is able to take up her duties again."

"I recommended the pills also to a young lady whose pale face made one pity her. She looked as if there wasn't a drop of blood in her body. She was so weak that she was not able to attend school, but after taking Dr. Williams' Pink Pills for Pale People she came back to school, and with her rosy cheeks and bright eyes, she looks like another girl."

"Mrs. L. E. Browning." Subscribed and avorn to before me this 19th day of May, A. D. 1907.

Dr. Williams' Pink Pills for Pale People contain, in a condensed form, all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are an unalloyed specific for such diseases as locomotor ataxia, neuralgia, paralysis, St. Vitus' dance, sciatica, neuritis, rheumatism, nervous headache, the after effect of a gripper, palpitation of the heart, pale and anemic complexion, all forms of weakness either in male or female. Dr. Williams' Pink Pills are sold by all dealers, or will be sent post paid on receipt of 50 cents a box, or six boxes for \$2.50, they are never sold in bulk or by the 100, by addressing Dr. Williams' Medicine Co., Rochester, N. Y.

"One day, after considerable treatment, my physician brought me a box of pills. 'You need a tonic,' he said, 'and something that will act at once, and this is the best medicine I know of for that purpose.'"

"Pills," I exclaimed in surprise as he opened the box and found a bottle of Dr. Williams' Pink Pills for Pale People. "These are Dr. Williams' Pink Pills for Pale People. 'But you need not be alarmed, they are not physic, and say worry for it, they'll do you good.'"

"Before I had been taking them a week I noticed a great improvement in my condition. Soon my rheumatism was gone, I grew stronger each day and now am in the best of health."

The lady was Mrs. L. E. Browning, of 1152 East 4th St., Pueblo, Colorado.
