

CLOSE OF EPWORTH LEAGUE CONVENTION

Three Inspiring Sessions Held in Elm Park Church.

VERY INTERESTING SPEAKERS

At the Morning Session Many Interesting Reports Were Heard and an Address Was Delivered by Dr. E. N. Mills, of Elmira, N. Y.

There was a large attendance at the Epworth League convention yesterday morning, notwithstanding the heavy rain.

At the conclusion of the prayer, Dr. Giffin spoke most impressively of the deep spiritual sentiment embodied therein and recommended it for the thoughtful consideration of all workers.

Alfred Wooler sang most sweetly, "Blessed Hour," and C. W. Westervelt then read a paper on "The Epworth's Responsibility to the Church."

Treasurer C. H. Neering read the chapters which had responded to the call for funds and asked for others to come forward.

Dr. Austin Griffin was unable to be present and present his report and the departmental conferences immediately assembled in various parts of the church.

ABOUT SPIRITUAL WORK

The department of spiritual work announced to be led by Presiding Elder McDermott was, in his absence, conducted by Dr. A. J. VanCleft.

Mrs. C. E. Moga, the talented wife of the pastor of the Central church, Wilkes-Barre, conducted the conference on Mercy and Help.

The Junior League conference, conducted by Rev. William Edgar, of Providence, was attended by many enthusiastic workers.

Dr. E. N. Mills, of Elmira, N. Y., then delivered the address of the morning on the topic "The World for Christ: How its Conquest is to be Brought About."

Dr. E. N. Mills is second vice-president of the general cabinet of the Epworth League and is probably one of the best known men in American Methodism in the work of the young people.

The speaker believed that the time will come when all the world will know the religion of Jesus Christ.

never a more unusual strife beneath the eyes of men than that to which Jesus collected his disciples.

The speaker then touched rapidly upon significant points of early history of the intellectual supremacy of Greece and her after subjection to Rome.

THE CHURCH WON. The victory that Diocletian and Porphyry failed to gain the church won.

The committee on resolutions was announced by President Giffin as follows: Dr. C. E. Moga, Wyoming district; Rev. G. D. Goung, Binghamton; Rev. H. A. Greene, Ontario; Mrs. A. C. Tolley, Honesdale; Rev. Ralph D. Hartsock, Chenango; Miss Gertrude Resseguie, Binghamton.

THE AFTERNOON SESSION.

It was a welcome sight to the many members of Elm Park church to see the Rev. W. H. Pearce, of the First church, Wilkes-Barre, on the platform as presiding officer.

Dr. Pearce introduced Mrs. Henry W. Palmer, of Wilkes-Barre, in words of deepest appreciation. "One of the best, the truest and most faithful workers of the church."

Dr. Pearce introduced Mrs. Henry W. Palmer, of Wilkes-Barre, in words of deepest appreciation. "One of the best, the truest and most faithful workers of the church."

In the most beautiful imagery she pictured the effect of neglect at the transition period of the human roses of the earth.

A GRAPHIC PICTURE.

Mrs. Palmer then gave a graphic picture of the way in which she started in the work for the boys.

Then it was difficult to find people to entertain the boys. Now the entertainments are booked to February, and there are many waiting willing to assist the B. I. A. These entertainments are held each Saturday night beginning with a half hour's address on practical help for the boys.

Dr. Pearce supplemented her address by eloquently telling of his experience in speaking before this army of 700 boys of Mrs. Palmer's.

THE AID SOCIETY.

Dr. A. J. Van Cleft made an appeal for the Preachers' Aid Society urged the various Chapters to give entertainments for this purpose.

NEEDLESS SUFFERING

Why Will People Endure So Much When It Can Be Easily Avoided.

"The great American trouble is dependence. No one realizes this more than the miserable sufferers who drag out painful existences."

There can be but one answer to this question, and that is to assist the stomach to properly do its work for which it was created.

NOT AN EXCLUSIVE CHURCH. The church of tomorrow will not be an exclusive church. It might be interesting to ask in an exclusive church who are excluded the poor or the rich.

of the Oswego district gave a scholarly and interesting paper on "The Un-Used Force." After illustrations regarding various forces in the material and scientific world.

The evening service was very largely attended. Rev. John H. Race conducted the opening service.

A STIRRING ADDRESS.

Rev. Dr. Charles C. Albertson, the speaker of the evening, was introduced most happily by Rev. Dr. Giffin.

Dr. Albertson has the face of a poet and the pulse of a prophet. His address wonderfully stirred his listeners, who felt that his prophecy of the church of the future might be a reality in which each one could have a part.

We have come to the place where power to learn implies the right to learn. Fifty years ago the life of a college centered in class rooms.

A LARGE CHURCH.

The church of tomorrow will be a large church. The man who now says he belongs to the big church will not always be able to say that.

In the world's broad field of battle: In the beyond of life.

In the church of Christ of the future no one will either dare to openly defend or secretly protect the saloon.

SIMPLICITY ITSELF.

A SIMPLE HARMLESS REMEDY. Yet It Cures the Worst Cases of Dyspepsia and Indigestion.

Dr. Jenkinson, who has made a life study of stomach troubles, says: All forms of indigestion result from the same thing, that is, failure to completely digest the food eaten.

On actual experiment one grain of Stuart's Dyspepsia Tablets will digest three thousand grains of meat, eggs and similar wholesome foods.

It is safe to say, if this wholesome remedy was better known, by people generally, it would be a national blessing.
