THE SCRANTON TRIBUNE-SATURDAY MORNIN'S. NOVEMBER 13, 1897.

TWO FATAL ACCIDENTS, the Young Women's Christian associa-

One Occurred in the Dodge Mine and the Other in Price's-Details of the Occurrences.

As the result of a fall of rock in the County vein in the Dodge mine yesterday afternoon, a Polander, called Joe, and employed as a laborer, was killed. The mass fell without the slightest warning and the p or fellow was frightfully crushed. His miner, Tony Poletta, narrowly escaped the same fate. As it was he received a few cuts and bruises by being thrown down by the concussion. The dead man was removed to his boarding house on South Washington avenue.

Joseph Theobald, about 14 years of age, was instantly killed in Price's shaft early yesterday morning by being struck by a runaway loaded car. The dead boy was a doortender and the shaft had only been working a short time when the accident occurred. An empty trip was being drawn in

by a mule and the doortender was opening the door when the runaway approached from the opposite direction. Both boy and mule were caught and kfilled.

There were very few marks on the boy's body to show what had caused death. The mule was almost crushed out of semiliance to an animal. The runaway car was wrecked and several empties damaged. Fortunately the driver of the empties was at the rear of his trip at the time of the accident, otherwise he would probably have not escaned The unfortunate had was the son of Mr. and Mrs. Nicholas J. Theo-evening next. Miss Margaret Jones, son of Mr. and Mrs. Nicholas J. Theo-bald, of 125 South Ninth street, The funeral will occur tomorrow af-

ternoon and the services will be held at St. John's German Cathelic church, n South Main avenue. Interment will be made in the German Catholic cemetery.

JERMYN MADE THREATS.

Thomas Jermyn, of 447 North Decker court, was held in \$300 bail Thursday evening by Alderman Kellow to keep the peace. Mr. Jermyn was arrested on a warrant issued by John D. Ciymer, of North Bromley avenue, which alleges that the defendant has on many occasions made threats to the effect that he would kill Mr. Clymer if he caught him speaking to his (Jermyn's) wife. Mrs. Jermyn is a niece of Mr. Clymer. Mr. Clymer was forced to take this step, as he was assaulted and badly used up once before by Jermyn.

PERSONAL MENTION.
