DEATH OF DAVID R. WILLIAMS.

Wounds He Received During the War Unbalanced His Mind.

The death of David R. Williams, of South Hyde Park avenue, occurred at the Danville asylum Saturday afternoon. Mr. Williams was removed to the asylum early in September. Though he had acted erratically for some time, nothing was anticipated of a serious nature until Thursday, Aug. 26, when he attempted to commit suicide in one of Morse Son's barn on Jackson street. An examination was made, after he had been removed to the West Side hospital, and his condition indicated extreme insanity. Having sufficiently recovered from his self-inflicted wounds the unfortunate man was taken to the asylum, where he steadily grew worse until death brought relief.

Born in Minersville in 1842, he was about 55 years of age. He came here in the early 60's and enlisting, served to the end of the late rebellion with credit. To wounds received during the war is attributed the cause of his mind's failure. For many years the deceased was employed as a stationary engineer by the Delaware, Lackawanna and Western company, and was a man of considerable means. He is survived by his wife and one daugh-

ter, Miss Anna B. Williams. Deceased was a member of Ezra Griffin Post, No. 139, Grand Army of the Republic. The funeral will be held tomorrow afternoon at 2.39 o'clock at the Plymouth Congregational church. Rev. R. R. Davies, of Meadville, will officiate. Friends desiring to view the remains can do so tomorrow morning from II to 1 o'clock at the family residence. Interment will be made at the Washburn street cemetery.

EARLY MORNING WEDDING. The marriage of Miss Esther C. Philips, of Jackson street, to Edward Le-Roy Chambers, of the central city, occurred at the Washburn Street Presbyterian church Saturday morning at 020 o'clock. The ceremony was performed by Rev. J. P. Moffatt, paster of the church, in the presence of the immediate friends and relatives of the centracting parties. The Misses Frankle and Mamie Phillips, sisters of bride, were the only attendants. The ladies were becomingly aftired in preffy costumes. Immediately after the ecremony, Mr. and Mrs. Chambers departed for a wedding tour through New Jersey. Upon their return they will reside at 102 Larch street. Both are well known young people and en-joy a wide circle of friends.

ACCIDENTS TO CHILDREN.

Mr. and Mrs. Evan Jenkins, of 143 South Fimore avenue, were nearly distracted Saturday by the mistake of their little four-year-old son, who drank about an ounce of turpentine, thinking it was soda water. The unfortunate child was almost thrown into convulsions by the burning sensation produced by the liquid, and Dr. J. J. Roberts being hastily summoned, he was quieted by the proper use of allay-

have resulted. The clothing of the child near the chest was all aflame and the right side of his face was slightly burned and the hair singed. Just previous to the accident, Mrs. Jenkins had been removing some asher from the stove, and stepped into the next room, when a scream warned her that her child was in danger. It is thought that the child fell across the hot coals in the pan and his clothing

Remarkable Success of a New Pile Cure People who have suffered for years r months from the pain and inconvenience of that common disorder, piles, will look with skepticism upon the claims of the makers of the discovery for cure of all forms of piles known under the name of Pyramid Pile Gure; nevertheless the extraordinary oures performed by this remedy are such as to warrant the investigation of any sufferer. As a case in point the following letter speaks for itself: Mr. Henry Thomas, of sub-station No. 3, Hosack Ave., Columbus, Ohio,

writes as follows:

Pyramid Drug Co.: Gentlemen:-I want you to use my name if it will be of any use to you. I was so bad with the piles that I lost work on that account. Nothing did me any good. I read in Cincinnati of the many cures of piles by the Pyramid Pile Cure and I went to a drug store and asked for it. The drug clerk told me that he had something else that he thought was better, but I told him that

wanted to try the Pyramid first. The first box helped me so much that tried another and then to complete the cure used two more boxes, making four in all. I am now completely cured Have not a trace of piles and I had suffered for four years with the worst form of protruding piles.

I suffered death from piles, but have found the Pyramid Pile Cure to be just as represented. I have recommended it to several of my friends and I am thankful to be able to write you what good the remedy has done for

Physicians recommend the Pyramid Pile Cure because it contains no oplum, cocaine, or mineral poison of any kind, and because it is so safe and pleasant to use, being painless and applied at night. The patient is cured in a surprisingly short time with no incon-

venience whatever. The Pyramid Pile Cure is sold by druggists at 50 cents per package, and if there is any constinution it is well to use the Pyramid Pills at the same time with the Pile Cure, as constipation is very often the cause of piles and the pills effectually remove the costive condition. Price of pills is 25 cents per package.
