Factoryville, Nov. 19.-Today marks the last day of the twelfth annual meeting of the Lackawanna and Wyoming Musical Alliance which has been in session here since last Monday. This morning's session was taken up with voice culture, chorus work and especially in church music. Also special time was spent in registers of voices session was solely devoted to chorus work and rehearsals. The concert this evening brought out another crowded house, at which standing room was at a premium. It might be well to mention here that at both Friday and Thursday nights' concerts was the largest attendance that the Alliance

SPECIAL FEATURES.

One of the special features of last night's concert, and one worthy of special mention, was the recitation of Miss Stella Bailey, of Waverly, Pa., entitled, "Rheuben's Bicycle," which drew forth much applause. Mr. Alfred Wooler's sweet tenor voice was heard for the first time in this place, and was heartly appreciated by the audience, Mr. Wooler is the possessor of a soft and sweet tenor voice that is rarely found in the vecal world, and of which he is sole master. Mr. Myers, the able and accomplished director, has endeared himself into the hearts of the members of the Alliance, and by his thorough and competent teaching of vocal rousic and voice culture, has left favorable impression upon his pupils, that will, no doubt, be of great benefit to them through life.

It was highly appreciated at that time by the members present and was published in the year's proceedings of the society from which print an issue has been made of the essay and put in pamphlet form. Within the past year the essay has fallen under the scrutiny of many prominent and highly educated men in the medical profession. Requests have come to Dector Knapp from various parts of the world for permission to republish it. This being granted it has found its way into Mexico, Germany and is now being prepared for publication in Russia. Oh, How Thankful

Pain Was Maddening and Hope Had Been Abandoned - Wonderful Results of Purifying the Blood.

"A very severe pain came in my left knee, which grew worse and worse, and finally a sore broke out above the knee. It discharged a great deal and the pain from my thigh down was maddening. Large, hard, purple spots appeared on my leg. I suffered in this way for years, and gave up all hope of ever being cured. My wife was reading of a case like mine cured by Hood's Sarsaparilla, and she advised me to try it. I began taking it and when I had used a few bottles I found relief from my suffering. Oh, how thankful I am for this relief! I am stronger than I have ever been in my life. 1 am in the best of health, have a good appetite and am a new man altogether." J. P.
