

PENNSYLVANIA TRIUMPHANT

Foot Ball Team Defeats Cornell By a Score of 4 to 0.

A REMARKABLE STRUGGLE

The Victory Won Only by Hard Work.

Cornell's Unexpected Resistance a Matter of Comment in Showing the Remarkable Strength of the Ithaca Team--Lafayette Defeats Lehigh by a Score of 21 to 0--Dartmouth's Victory at Newton--Other Thanksgiving Day Games.

Philadelphia, Nov. 25.—The University of Pennsylvania football team defeated Cornell this afternoon on Franklin field by the score of 4 to 0. It was by far the fastest game that has been played on Franklin field this season, and shows Cornell to have a remarkably strong team. There was less enthusiasm manifested by the 20,000 persons present than on last Saturday because during the first half Cornell did all the playing, but in the second half Pennsylvania used their guards back formation with terrible effect on the Cornell line. After nearly every second image in which this formation was used there would be a Cornell man stretched on the grass. These tiresome interruptions were the only drawback to an otherwise brilliant game. Of course, there was considerable fumbling and primarily to the slippery ball, and Weeks made a bad mess of two quarter back kicks, but this latter was also partially due to the muddy ball.

CORNELL WEAKENS.

In the second half the pace began to tell on the Ithaca lads, and they were driven down the field by the guards back at a desperate pace. For the first fifteen minutes of play Cornell looked as if they would win, and white representatives would have scored, but after that time, and notwithstanding the ball was in Pennsylvania's territory, a greater part of the time of the game, their goal was not reached.

WINDY CITY GAMES.

Chicago, Nov. 25.—Clarence Hershberger, the full back of the University of Chicago, made a name for himself in football yesterday by making three 50-yard place kicks in the annual game between the University of Chicago and Michigan. One was made in the first half from the 37-yard line and two in the second half, one from the 50-yard line and the other from the 40-yard line. The ball at the time being in front of the goal posts. But the kick which brought 12,000 people to their feet occurred about fifteen minutes later. The ball at the time was not more than five yards from the side line, and twenty-five yards from the goal, and when the strong limbed half back and Gordon Clark dropped back with the evident intention of attempting the play Chicago supporters were amazed. The ball was passed closely and Clark raced it on the 50-yard line. An instant later the ball was sailing high in the air, and dropped squarely between the posts, and a new football record had been made. The final score was Chicago, 21; Michigan, 12.

DARTMOUTH'S VICTORY.

Newton, Mass., Nov. 25.—Dartmouth defeated Newton Athletic club today by a score of 24 to 0 on the Newton Athletic club grounds. Dartmouth played a fast game from start to finish and had the home team off its feet throughout the entire game.

LAFAYETTE DEFEATS LEHIGH.

Bethlehem, Pa., Nov. 25.—Lafayette defeated Lehigh today by the score of 21 to 0. The Easton men had a great advantage in weight and by the guard back formation scored two touchdowns in the first half, Rinehart kicking both goals. Holderness thrice tried goals from the field in this half but to no avail. Lehigh five times got the ball on downs on her three-yard line and played superbly in spite of her opponents' weight. In the second half, on disputed rulings by the officials, Lafayette scored two touchdowns, the first on a free catch and pass of the ball to Wendenmeyer, who ran the length of the field without a single man after him, and the second on Holderness' fumble on the five-yard line, when he claimed interference on a free catch. Lafayette only scored during the last few minutes of play in both halves. For Lafayette, Rinehart, Saxe, and Duffy were the stars, while Holderness, Reese and Boerra did the best work for Lehigh. The line-up:

Table with 2 columns: Lafayette Position, Lehigh Position. Lafayette: Pierce, left end; Chamberlain, left tackle; Saxe, left guard; Boerra, center; McCarthy, right guard; Butler, right tackle; Gausman, right end; Van Dyne, left half; James, right half; Durkin, full back; Reese, quarterback.

JOY IN THE WESTERN TIER.

Washington County Gets the Pigskin Championship.

Pittsburg, Nov. 25.—The football championship of Western Pennsylvania goes to Washington county and it was a happy Thanksgiving day for the residents of that end of the state. Between 15,000 and 20,000 people were present to see the deciding game between Washington and Jefferson and Duquesne County and Athletic club. The victory was a clean cut one, there was no fumble about it. The final score stood Washington and Jefferson, 14; Duquesne County and Athletic club, 0.

The big crowd was not of the wildly enthusiastic kind, and while the grand majority favored the home team, yet they did not overlook the good work of the visitors and bestowed deserved applause on the players of both teams. To the game itself, it was a bitter struggle, but was cleanly played, and there was not the least sign of ill feeling on the part of the contestants. The game was one wherein the college elevens played at their best, and there has never been witnessed on a local football field such a grand display of team work as that put up by the visitors. The interference of the collegians was something remarkable, and Duquesne's strongest players could do nothing against it. The visitors showed themselves to be experts at the quarter-back kick, which they worked often, and each time for a gain. This play was generally resorted to on the field, and each time for more than the distance. The locals did not often seem to know what to do with it. On two occasions when Captain Young was in the act of punting the ball, his own players interfered with him and as a result there was one touchdown by the visitors on a high kick, and one on another occasion. Finally, who was at the quarter-back, passed the ball clear over Captain Young's head, and the other players were in his head before he could gain an inch. The only players on the field who seemed to do their work well were Winsten, guard; Greenway and Randolph at ends; McNeal at quarter, and the half-backs.

The struggle during the first half was the most desperate ever seen on a local football field. It was a bitter battle, and when the half ended without a point being made on either side there were cheers for both teams. In the second half was where form began to tell, and in this respect the visitors had a decided advantage. They were in and their grand display of team work that made them the superiors of the Duquesne County and Athletic club eleven, and it is just such work that will keep the Washington and Jefferson eleven well up to the front in football.

MARK TWAIN PRESENT.

These scenes which are regarded as a parliamentary coup, were carried out by the British ambassador, Sir Horace Rumbold, and by Samuel L. Clemens (Mark Twain) with other noted foreigners. The motion of Count Falkenhayn, former minister of agriculture, was carried by means of an evidently preconcerted signal between President Abrahamovics and the rightists, for no word of the president was audible.

MARK TWAIN PRESENT.

This novel proceeding was greeted with hoarsely and jeers by the obstructionists. For a long time Count Eadsen, the premier, stood calm and unmoved, but when the disorders reached a climax both he and the president sought safety from personal violence in flight.

MURDER AND SUICIDE.

Galveston, Tex., Nov. 25.—About 30 o'clock last night, Seth Carter shot and killed his sweetheart, Alberta Brockley, and then turned the revolver upon himself. Then he threw the revolver away and cut his throat with a razor. After this he walked from the scene of the tragedy to the police station, almost a mile, and surrendered. Carter's wounds are regarded as fatal.

THE HOUSE IN A CONSTANT UPROAR

President Abrahamovics is Insulted and Interrupted Upon Each Attempt to Speak--Dr. Wolf Again Takes a Hand in the Proceedings--The Tribune Fenced In.

Vienna, Nov. 25.—When the lower house of the Reichsrath re-assembled today, after adjourning yesterday from the scene of unprecedented disorder, all the ministers were present and the approaches to the presidential tribune were closed, doors having been erected to prevent the disgraceful fighting of yesterday in and about the tribune and throughout the house.

CONTINUOUS UPROAR.

The speech was interrupted with continuous uproar. Herr Wolf shouting: "Let's pitch the blackguards out!" The president vainly called for order. Finally Herr Wolf stationed himself directly in front of the presidential tribune and began a shrill whistle. A number of deputies tried to force open the doors at the front of the platform, while a party of Czechs endeavored to prevent them.

When the tumult was at its height, Herr Abrahamovics declared that he regarded the motion of Herr Falkenhayn as a necessary measure of self-defense, and called for the voting. The whole right at once arose, and the president declared the motion carried. A number of deputies then began clamoring upon the president's platform, when he seized his bell and left the house.

After a short interval he returned and began to address the chamber, but his voice was drowned in a torrent of leftist yells and shouts of "Get out!" and "Shame!"

Finally the sitting was suspended for an hour, at the close of which President Abrahamovics returned and announced that in accordance with the wishes expressed in many quarters he had decided to close the sitting, to open again tomorrow.

Washington, Nov. 25.—At the Metropolitan Methodist church, where President McKinley attended services today, the Rev. Dr. Johnston read the Thanksgiving proclamation of the president and said that in issuing it the president showed piety and wisdom which assured well for the nation. "Prosperity is here," said the minister. "The light of better days is shining on us, and though it will take time to recover from four years of distress, we are gaining. Times are hard, as hard as they have been, and people should thank God that it is no worse after the experiences of the past four years."
