DEATH'S VICTIMS.

Andrew Teepie Horribly Mangled beneath an O. and W. Car.

Andrew Teepie, of Woodlawn avenue, met untimely death at Archbald yesterday morning. While traveling on a bridge over an excavation at Wynton train he fell under the wheels and was horribly mangled. He lived a couple of hours after the accident and was conscious to the last. Death ended his suffering at 9:45 o'clock. He was 32 years old and a man of exceptionally good habits and character. He is survived by a young wife and five small sons.

Mrs. James Davis, of River street, has received news of the death of her brother, John M. Johnson, former Carbondale business man, at Tazewell, last week. He was seventy-seven years old and death was due to advanced age. Mr. and Mrs. Horace Starkweather, of Wyoming street, are mourning the loss of their little boy, the old daughter, Marguerite, who died of gastritis Tuesday night. The funeral will be held at 10:30 o'clock this morning. Rev. T. E. Jepson will officiate.

HIT BY AN EXPRESS WAGON.

Pitchforks and Axes Also Came the Way of Mrs. Margaret Evans.

In an assault and battery case before Alderman Jones last evening Mrs. Margaret Evans, of Simpson, was complainant and her brother, Daniel Evans, defendant. The fair plaintiff alleged that her brother threw a pitchfork and an axe at her on once across to whether it was National, Wells Fargo or Adams, but she made it understood by a lengthy explanation that a toy wagon had been used as a weapon. She further alleged that her brother struck her with an express wagon. The question at once arose as to whether it was National, Wells Fargo or Adams, but she made it understood by a lengthy explanation that a toy wagon had been used as a weapon. PLACED UNDER ARREST.

Yesterday afternoon Constable Henry arrested Patrick Rafter, of South Main street, on a warrant issued at the instance of Rafter's tenant, Thomas Lewis. It seemed that the defendant tried to break into the Lewis house at 3 o'clock a. m. Later in the day he did break in and overturn the furniture. He claimed his tenants were keeping a fire in their sitting room stove and having a lamp in the day time, which they had no right to do. The charge against him is malicious mischief. Rafter spent last night in the city prison, and this morning an examination as to his sanity will be made. Several of his neighbors have expressed their fears for him, and the probabilities are that he will be sent to the state hospital.

DR. GILE'S SUCCESSOR.

The successor of Dr. Gile as resident physician of the Carbondale hospital will be a Dr. Fox. Dr. Fox, of Elmira, is expected to assume the responsibility of the position this evening. Dr. Gile will return to the Quaker City. He is one of the most learned, practical and aggressive young physicians that has served this hospital. The members of the medical staff are unanimous in their high praise of his ability and integrity, and it is to be regretted that Carbondale must lose him. Dr. Gile will remain a few days to acquaint Dr. Fox with his new duties.

Love is crowned triumphant only in the hour where a baby completes the tie between a man and a woman. A child is the final tie of a marriage. It is the final tie of a baby to bind two souls to that has sacredness in the marriage rite for better or for worse. Without this final tie a wedding couple lack the indissoluble interest that makes daily sacrifice not only a possibility, but a pleasure. There are to-day thousands of homes all over the country that were once childless and unhappy, but that to-day echo with the laughter of happy babyhood, as a result of a marvelous medicine, known as Dr. Pierce's Favorite Prescription. This is the greatest of all medicines for women who suffer from weakness and disease of the delicate and important organs that bear the burdens of maternity. It makes them healthy, strong, vigorous and content. It makes them pure and virile. It always invigorates, heals ulceration, soothes pain and tones and builds up the shattered system. It banishes the discomforts of the expectant period, and makes baby's coming easy and almost painless. It insures the little new-come child a healthy and a full supply of nourishment. It transforms weak, sickly, nervous invalids into happy, healthy mothers. An honest dealer will not urge an inferior substitute upon you. "I am now a happy mother of a fine healthy baby," writes Mrs. B. C. Cannon, of No. 430 Humphrey Street, St. Louis. "I feel that your Favorite Prescription has done me more good than anything I have ever taken. Three months previous to my confinement I began using it. I was only in labor forty-five minutes. With my first baby I suffered six hours and with my second, only two hours. I suffered only one day and two miscarriages. The Favorite Prescription saved both my child and myself."

Write to Dr. R. V. Pierce, Buffalo, N. Y., for a free letter of advice, and enclose 21 one-cent stamps, to cover mailing only, a paper-covered copy of the "P" or Common Sense Medical Adviser, or 31 stamps for a cloth-bound copy. A whole medical library in one 1000-page volume.

of gondolas at the Raymond breaker at 8 o'clock yesterday morning. He was employed as a brakeman on the Ontario railroad. While taking a load of coal from the breaker he had occasion to turn the brake. The wheel top of the brake came off unexpectedly and the jar thus caused threw him on the track. While lying there the loaded gondola and four empty gondolas passed over his hands and feet and mangled them horribly. Dr. Van Doren was hastily summoned, but could do little for the injured man.
