WHOSE office is at 215 Lackawanna avenne, in Willlams White Front
Stoe Store, examines
the eye fres in the
most accurate way,
and his prices for spectacles are chapper
than closwhere. A lamentable indifference
to the proper care of
the eyes seem to posseis most people until
the time comes when
bendaches, imperfect
vision or other results
of such neglect give warning that nature is
rebelling against such treatment of one of
the most preclose gifts. Normal vision is a
blessing unappreciated until it has been lost
and restored; its full value is then realized.
Therefore, you should not lose a day before
having your eyes examined. This service we
gladly rendor tree of charge.
