

CHRISTIAN WORK AT FOREST CITY

The Endeavor Societies Held a Convention at the Baptist Church.

TWO HUNDRED DELEGATES PRESENT

Convention Called to Order by Prof. C. E. Moxley, of Hallstead—Many Interesting Papers Read—Reports of Committees—The Sessions Largely Attended.

Special to The Scranton Tribune.

Forest City, Dec. 29.—Flags and emblems decorated many of the private residences and business places of the borough yesterday in honor of the county convention, the first session of which was held in the Baptist church from 10 o'clock until 12 in the forenoon. A large and interesting hearing across the bottom the word "Welcome" was swaying in the breeze near the junction of Main and Dundaff streets, conveying to the delegates the heartfelt sentiment of their brothers and sisters in the various church societies of Forest City.

The Baptist church, which was the place of meeting, was beautified with much taste, being trimmed with evergreens, into which were fastened Christian Endeavor flags, and the banner of the republic was conspicuous in various places about the walk and in the rear of the pulpit, standing for Christian liberty and silently teaching its lesson of patriotism.

The convention was called to order at 10 o'clock by the county president, Prof. C. E. Moxley, of Hallstead, and was opened by singing "We Praise Thee, O God," followed by "Nearer My God to Thee."

At 10:15 devotional exercises were conducted by Rev. G. B. Stone, who read the fourth chapter of Paul's epistle to the Ephesians and offered prayer.

"There Shall be Showers of Blessing" was sung by the congregation, after which V. L. Peterson, president of the Presbyterian Christian Endeavor society, was announced to deliver the address of welcome. He stated that Rev. J. L. Williams, pastor of the Baptist church, had consented to take his place in giving the address, but nevertheless spoke briefly and feelingly on behalf of the different religious societies of the borough and welcomed their co-workers who had come here from all parts of the county to attend the convention.

Rev. Mr. Williams followed and on behalf of the Forest City Christian Endeavor, the Epworth League, the Baptist Young People's union, the citizens of the borough, the homes where the visitors would be entertained, and on behalf of liberty, he welcomed the visiting members of the county organization. His manner was indicative of welcome as were his words, and his remarks were well received.

After singing hymn No. 342 in Gospel Hymns No. 5, the response was delivered by Prof. John L. Richards, of the South Gibson school. He spoke of the significance and beauty of the flag decorations, considered what gave rise to the welcome that had just been extended, spoke of the need of new life, new energy and new interest, and told how such conventions supplied these needs. His response showed thought and appreciation of the greatness of the work in which Christian Endeavorers are engaged.

The congregation sang "Nearer the Cross," and at 11 o'clock the recording secretary, Miss Mary Seaton, read the report of last year's meeting at Hallstead.

"What a Wonderful Savior" was the next musical selection, and was followed by the report of the corresponding secretary, Miss Fannie L. Reed, of Montrose. She stated that there were forty-one societies in Susquehanna county, where seven years ago there were only six. The Christian Endeavor society of the Hallstead Baptist church led in numbers, there being ninety-four members and eleven associate members. Montrose Baptist church follows closely, with eighty-five members and twenty-five associate members. The Hallstead society also made the largest gain in membership the past year, the increase being thirty-two and the Montrose society is second, with an increase of twenty. Other societies have also made gains that show progress. The increase in membership in the county has been 231 members and 19 associate members. There were thirty-two Junior societies now, where in 1895 there were but five. A list of places in the county where there were no Christian Endeavor societies yet in existence was read and organization at these points was urged.

"Onward, Christian Soldier" was sung, and under the head of election and recognition of new societies a Christian Endeavor society was reported in the Brookdale Methodist church. The new organization was regularly enrolled, and to the honor of Mr. Harmed offered prayer, which was followed by the singing of "Whosoever Calleth on the Lord Shall be Saved."

The president appointed the following committees: On nominations, Ralph P. Little, G. W. Tisdell, Mrs. F. P. Little, L. Reed, on resolutions, Mrs. J. D. Sutherland, Mr. Jones and Prof. Richards.

G. W. Tisdell gave a very interesting outline of the proceedings at the last state convention in Easton, making helpful quotations from some of the speeches delivered. He stated that there were 230,267 members of the Christian Endeavor societies in Pennsylvania, of which 69,960 were intermediate and Junior members. There are 4,931 societies, there being 1,207 Junior and intermediate organizations.

A motion was made and carried to meet at the postoffice before the afternoon session and march to the church singing, after which "We Praise Thee, O God," was sung and adjournment made until 1:45 p. m.

WEDNESDAY AFTERNOON. Between three and four hundred people were present at the afternoon session, which was opened with Scripture reading and prayer by Rev. J. R. Manville, of Harford. The united choir, under the leadership of Professor J. L. Morgan, admirably rendered "Come Heavenly Spirit, Faithful Guide."

A Bible reading, "The Judgment," which was down on the programme, had to be omitted, as Rev. John Davis, of Hallstead, who was to have given the reading, was unable to be present.

The "Consecration We Used" was the subject assigned Rev. Mr. Allen, of Susquehanna. He spoke of the consecration of self, of time and of money to the service of Christ and gave a very

Coal Operators at Pittsburg Forming a Combine.

ANOTHER STRIKE AT HAZLETON

Employees of the Lehigh and Wilkes-Barre Coal Company's Mines at Hazlebrook Quit Work—The Carnegie Steel Company Wage Scale Ready For Signatures.

Pittsburg, Dec. 29.—The coal operators of the Pittsburg coal district will meet in this city tomorrow to receive the report of the informal committee, J. B. Johnson, who together with Joseph Bishop, of the Ohio arbitration board, has expended a great deal of effort in having the movement terminated successfully, said today: "There is no doubt that the agreement will be signed by the majority of the operators tomorrow and February 1 we shall have signers who represent a production of 9,000,000 tons of coal annually."

"When the agreement becomes operative the other firms representing 2,225,000 tons annual output will fall into line."

Superintendent Jones says that the discharges were due to the failure of the men to report for duty yesterday morning. The fellow-workmen took umbrage and stopped work.

Homestead, Pa., Dec. 29.—The Carnegie Steel company wage scale was posted at noon today in all the mill offices and it is expected that all the employees will sign by Friday. There is no change in the pay of day turn or Bessemer men. There are reductions in tonnage pay running from five to twenty per cent. The tonnage men now draw \$3 to \$12 a day and the company claims that with increased output a revision is necessary. All departments of the mills will resume on Monday morning.

Pittsburg, Dec. 29.—The directors of the American Window Glass company concluded their session here today. A revision of the price-list in force prior to the formation of the trust or combination was made. The advance over the list in force prior to the lock-out is not made public, but it is understood that discounts have been arranged which will insure equitable trade conditions.

POLITICAL SENSATION

Fred Ahrensfield Arranged on Charge of Bribery.

Pottsville, Dec. 29.—A political sensation was sprung here today when Fred Ahrensfield, of Potter township, one of the present board of trustees of Schuylkill county, was arraigned before Alderman Conrad, charged by John J. White, of Pottsville, recent freeman at the almshouse, with bribing delegates at the Republican county convention held here in the early fall of 1896 to secure his nomination.

White alleges that Ahrensfield gave him \$20 to buy up two delegates who were working against him, promising him better things if he were elected. After his election White was made treasurer of the county, and Ahrensfield and George Burnett, of Crosson, were appointed in his stead. Ahrensfield waived a hearing and entered \$500 bail for his appearance at court.
