ENDEAVORERS AT FOREST CITY

Proceedings of the Meetings Held Yesterday.

RESOLUTIONS THAT WERE ADOPTED

Rev. M. Hunter Reid, of Africa, Addresses the Convention -- Committee on Nominations Makes a Report--The Musical Features of the Occasion.

Special to the Scranton Tribune.

Forest City, Dec. 30.—At Wednesday evening's session, the meeting opened with a praise service. "There Shall be Showers of Blessing" was sung and the choir followed this with an anthem. Rev. H. J. Crane led the devotional services, reading the thirteenth chapter of I Corinthians, and offering prayer. After a solo by David J. Jones, the committee on resolutions made the following report which was adopted:

Whereas, We, the delegates to the Christian Endeavor convention of the Susquehanna County union are assembled at Forest City, Pa., be it

Resolved, That we express our thanks to the members and trustees of the Baptist church for the use of their building for the holding of our convention.

That we most unequivocally express our gratitude for and appreciation of the hospitality and kindness shown by the people of Forest City.

That the co-operation of the Epworth league of the Methodist Episcopal church, the Young People's union of the Baptist church and the Vandling Christian Endeavor society merits our highest commendation and most sincere appreciation.

That as a mark of appreciation we extend our thanks to Mrs. R. B. Little and the Junior superintendents for their efficient work in the Junior department.

That we recognize that much credit is due President Moxley and Secretaries Fannie L. Reed and Mary Scotten for the able arrangements and most excellent programme which has been provided.

That our thanks are due to the choir for furnishing such excellent music at our convention.

That we thank the Forest City News and other members of the vicinity press for favors which they have so freely shown.

A quartette composed of Misses Flo and Stella Allen and Messrs. Ebenezer Price and Edward Owens, rendered "Let Not Your Heart Be Troubled" in an excellent manner, after which a beautiful temperance banner was presented to the East Ararat society, that organization having secured the most signers to the temperance pledge, in proportion to its numbers. Mr. Bowell made a very effective preliminary address.

An anthem was sung by the choir and the president introduced Rev. M. Hunter Reid, who has been in Africa as a missionary for eight years and expects soon to return to his labors in that continent. Mr. Reid is a young man of prepossessing appearance and is a very forcible and interesting speaker. He described the country, briefly told of its climate and customs and made an appeal for American assistance that was full of the pathos and eloquence of an all-absorbing interest in the "Dark Continent."

The evening session ended with a consecration meeting led by Rev. D. J. Sutherland.

THURSDAY MORNING.

A sunrise prayer meeting was held at 6.45. At 8.45 the last session opened by the singing of the hymn "Come, Thou Fount of Every Blessing." Devotional exercises came next, with scripture reading and prayer by Rev. O. M. Demcott, of Lake View.

The committee on nominations reported as follows: For president, Geo. W. Tisdell, of Susquehanna; vice president, E. E. Jones, Harford; secretary, Miss Anna Harrington, of Montrose; treasurer, Thomas Jeffreys, Susquehanna; superintendent of good citizenship work, Alfred Bowell, of Herrick; superintendent of prayer meeting work, Rev. O. M. Demcott, Lake View; superintendent of junior work, Rev. William Wilbur, Jackson; missionary superintendent, F. A. Davis, Elkdale.

Alfred Bowell made the report of the committee on temperance work. He had written one hundred and six letters, traveled three hundred miles and met with eleven societies. He thought the committee should be composed of one active Christian worker from each society.

Miss Mary Scotten reported for the lookout committee, and Miss Fannie L. Reed for the committee on missionary work. Many tracts had been sent out through the county.

For the evangelistic committee Rev. John Davis reported by letter, not being able to be present. His statement of the work done was very satisfactory.

The treasurer reported receipts to have been $43.10 and expenditures $11, leaving $32.10 in the treasury. Bills aggregating $8.40 were ordered paid and $5 was donated to Rev. M. Hunter Reid for missionary work.

The committee on the place for holding the next convention reported in favor of Susquehanna and the report was adopted. V. L. Patterson suggested that the time of holding the convention be changed, on account of the fact that during the holidays everyone was busy and that generally the weather was pretty inclement for those who had to come any distance by open conveyance. The delegates acted on the suggestion and recommended that the executive committee change the time to September or October.

Rev. William Wilbur led in prayer and pronounced the benediction, and the convention adourned. It was helpful and interesting throughout and gave every Christian Endeavorer who attended it new zeal and courage.

Scott's Emulsion is not a "baby food," but is a most excellent food for babies who are not well nourished.

A part of a teaspoonful mixed in milk and given every three or four hours, will give the most happy results.

The cod-liver oil with the hypophosphites added, as in this palatable emulsion, not only to feeds the child, but also regulates its digestive functions.

Ask your doctor about this.

50c. and $1.00; all druggists.
SCOTT & BOWNE, Chemists, New York.

The Presbyterian choir rendered the anthems and in the other selections was aided by members of the Baptist choir. The music was excellent throughout and many favorable comments were heard on it. The song and quartette Wednesday afternoon by Miss May Watkins, Mrs. William Watkins and Messrs. James Jennings and D. J. Jones were especially well received, as was also the solo by Miss Watkins and the singing in the evening by a quartette composed of Misses Flo and Stella Allen and Messrs. Ebenezer Price and Edward Owens.

SERMON BY A MADMAN.

John Thompson Went Crazy After the Moody Meetings.

New Castle, Pa., Dec. 30.—John Thompson, of Mahoningtown, attended the Moody meetings at Pittsburg recently, and is now an inmate of Dixmont asylum, having gone insane on religion. After his return from Pittsburg he talked much on religion. Last Sunday he attended Sunday school at the Mahoningtown Methodist Episcopal church, and insisted on running things to suit himself. When the school was dismissed he ascended the pupit and announced that he would conduct the services.

In vain Rev. Mr. Foulke and members of the congregation remonstrated with him. Thompson read a passage of Scripture and then began such a sermon as the congregation had never before heard. He denounced the lukewarmness of some members in the most scathing language, and struck straight from the shoulder at what he was pleased to term the sins of the church. Some of the congregation were moved to tears and others smiled. When Thompson asked the choir to sing, that body refused, and this made the madman very angry. Thompson was working himself into such a frenzy that an officer had to be called to induce him to come out of the pulpit and take a seat in the congregation.

On the streets Monday, Thompson announced that he was Christ, and had come to save the world. He caused consternation by seizing several little girls and declaring that they must be offered up as sacrifices. Last night Drs. Paris Shoaff and H. E. McMillin adjudged him insane, and he was taken to Dixmont.

Exorbitant Printing Bills.

Harrisburg, Dec. 30.—The attorney general, at the request of Governor Hastings, today gave a hearing and rendered an opinion on the objections made by the superintendent of public printing to certain items of a bill rendered by the public printer. It was charged that they were exorbitant as well as illegal. The total amount disallowed by the attorney general is $7,000, some of the items being disallowed and others cut down.

Lunatic Jumps a Train.

Altoona, Pa., Dec. 30.—Adam Pfeffer, who had second-class transportation from New Ulm, Minn., to Hamburg, Germany, jumped through a car window from Atlantic express east in the vicinity of South Forks this morning and was instantly killed. His body was run over by a locomotive before it was found by searching trainmen. Pfeffer was demented and imagined he was being pursued by enemies.

Mr. Leisenring's Boom.

Wilkes Barre, Dec. 30.—At a meeting of the Republican county committee today, ex-Congressman John Leisenring was endorsed for governor. The friends of the ex-congressman claim the action of the committee is a sufficient answer to those newspapers that have been questioning the sincerity of Mr. Leisenring's candidacy. He is in the field to make the fight.

Honey Brook Strike Settled.

Hazleton, Pa., Dec. 30.—A committee of the striking employes in the Honey Brook district held a conference today with Superintendent Gomer Jones, the result of which was an amicable settlement of the strike begun yesterday. All the men discharged are to be reinstated and tomorrow work at both Honey Brook and Audenried will be resumed.

Killed by a Bursting Fly Wheel.

Lancaster, Pa., Dec. 30.—Maris Maule, aged 23 years, was almost instantly killed today by the bursting of the fly-wheel of an old-fashioned threshing machine on the farm of his father, Nathan Maule, at Hanover, Chester county. His skull was crushed in.

Killed by a Falling Wall.

Philadelphia, Dec. 30.—Thomas Kane, of 916 Treet street, was instantly killed today by a falling wall at the Pennsylvania Salt works, and two other men were slightly injured. The three men were working in a kiln when the wall on one side, twenty feet high, collapsed.

Pennsylvania Pensions.

Washington, Dec. 30.—These Pennsylvania pensions have been issued: Original widow, etc.—Catharine Upham, Neath, Bradford, $8; Isabelle Starr, Scranton, $8.

USED HIS PAPER BAG.

Youthful Shop Lifters Captured in the Four Cent Store.

Meyer and Moses Harrison, brothers, of Penn avenue, and Charlie Wagner, of Franklin avenue, each under 15 years of age, were detected in the act of "lifting" lead pencils in the Four Cent store yesterday afternoon. The clerk who made the discovery, upon searching Wagner found a couple of bottles of cologne, lead pencils, rubber balls and other trifles in a newspaper bag which the boy carried.

The young thieves were handed over to Patrolman Charles Neuls and were taken to the police station. They admitted taking the goods, and will be given a hearing today.

NOMINATION PAPERS.

They Must Be Filed Before Jan. 18, 25 and 28 and 31.

Nominations for city offices must be filed before January 18, for boroughs and townships, January 28 is the last day.

Nomination papers from cities must be in the hands of the commissioners on or before January 25 and from boroughs and townships not later than January 31.

MINOOKA.

The third annual ball of the St. Joseph's Temperance society will take place this (Friday) evening at their hall on Main street. A capable committee has charge of the affair and it promises to be a success. Music will be furnished by Prof. McDermott. A neat and attractive souvenir programme will be distributed.

Rev. D. W. McCarthy, of Ashley, was a Minooka visitor yesterday.

E. B. Campbell is mentioned as the Republican candidate for supervisor in the Southwest district.

COAL OPERATORS IN CONVENTION

Movement to Establish Uniform Conditions in the Industry.

FIFTY-TWO OPERATORS COINCIDE

Men Who Control Eighty-Two Mines, Having a Production of 8,452,113 Tons Out of 14,457,000 Tons Have Signed the Document -- Commission to Enforce Laws.

Pittsburg, Dec. 30.—A meeting of coal operators interested in the movement to establish uniform conditions in the coal industry is in session here today. Under the original agreement, 95 per cent. of the operators were necessary to make it effective, but this was modified at a recent joint meeting of operators and miners by the latter promising to grant the signers of the agreement a ten per cent. per ton differential. Secretary Johnson, of the uniformity committee, reported today that fifty-two operators controlling eighty-two mines, having a production of 8,452,113 tons out of 14,457,000 tons, had signed the agreement.

Many operators favored putting the agreement into effect on Jan. 1, but this was opposed by President DeArmit, of the New York and Cleveland Gas Coal company, who insisted that the ten cent differential should first go into effect.

No definite action has been taken. If the agreement is ratified at today's meeting, the commission of nine operators to enforce the terms of the same will be elected.

After a lengthy discussion without reaching a settlement, the meeting adjourned. No date was fixed for another meeting.

TAPPED A WALL OF WATER.

Excitement in the Murray Mine, Dunmore, Yesterday.

A workman in the Murray mine, Dunmore, yesterday drilled a hole through a narrow partition into the abandoned Ballay mine, letting into the Murray mine a strong rush of water.

The workmen in that part of the mine had to drop their tools and flee for their lives. The excitement created a stampede in the rest of the mine and in a short time all the workmen were huddled in a bunch at the foot of the shaft, waiting for the carriage.

Cooler heads heard the true nature of the disturbance and after a short delay the excitement was allayed.

LETTERS FROM THE PEOPLE.

[Under this heading short letters of interest will be published when accompanied, for publication, by the writer's name. The Tribune will not be held responsible for opinions here expressed.]

Card From Father Dembinski.

Editor of The Tribune.

Sir: In a communication signed by Z. Lapatyner in which he took the liberty of using my name in connection with the suit brought by F. Talasz against Lapatyner, Rev. Mr. Frank Hodur, Leon Olchefski. The article states "I believe that Talasz, under the advice of Father B. Dembinski, his intimate friend, attempted to work a blackmail scheme." I desire to state emphatically that no such advice was given by me to Talasz, and that the suit was brought to recover the damages for the great wrong and injury which Talasz claimed had been done to him by Lapatyner and the other defendants. Talasz came to me and told me of the manner he had been treated, and after consulting counsel he brought the suit. Talasz is a respectable man and owns property in Stroudsburg, and holds a responsible position in a tannery where he has been employed for twelve years.

When he arrived in Scranton he had more than $130 in his possession, which he brought with him, and which was seen by people of good standing in this community, before he visited Rev. Mr. Hudor's residence. Talasz emphatically denied to me that he took any money from Rev. Mr. Hudor's house, and I am informed by Alderman Millar that he persisted in such denial at the time of the hearing. Talasz stated to me that it was midnight when he was arrested and that he had paid the forty dollars because he was a stranger in the city and Lapatyner, Leon Olchefski who had in charge, threatened to put him in jail if he did not pay it. At the alderman's office he was required to pay fifteen dollars cost, and I am informed by Alderman Millett that Leon Olchefsky took five dollars and Lapatyner two dolalrs of the amount. The only advice given by me in this matter was such as I believe I should to a person who has been wronged in the manner that Talasz claimed he had been.

Catarrh for Twenty Years and Cured in a Few Days.

Nothing too simple, nothing too hard for Dr. Agnew's Catarrhal Powder to give relief in an instant. Hon. George James, of Scanton, Pa., says: "I have been a martyr to Catarrh for 20 years constant houghing, dropping in the throat and pain in the head, very offensive breath. I tried Dr. Agnew's Catarrhal Powder. The first application gave instant relief. After using a few bottles all these symptoms of Catarrh left me. It is a great remedy." Sold by Matthews Bros.—2.
