RECEPTION TO CHORISTER DAVIS.

Tendered Him by Members of Jackson Street Baptist Church Choir. The members of the Jackson Street Baptist church choir gathered at the residence of their chorister, Lewis Daris, at 1139 West Locust street, last evening and tendered him a reception in honor of his recent re-election as

The early part of the evening was spent in a social Miss Hutchinson gave several organ solos and several members of the party sang. The choir also rendered several selections. In the midst of the fun, John S. Harris asked for attention and then in a clever and original manner, and in behalf of the choir, presented Mr. Davis with a beautiful ebony and Ivery baton. This act completely took the genial chorister aback. He soon recovered and in a few words, spoke his full appreciation of the gift and the spirit of the donors. Later, during the choral singing, he used the baton to the delight of all present. At a seasonable hour refreshments were served. .

THEY WERE THE FIRST.

To Re Recorded as Arrested for the Year 1898.

After four days of uninterrupted monotony in simple routine work upon their beats, the patrolmen of the West Side police detail made an arrest at 1 o'clock yesterday morning. There were two of them, and wher given a hearing before Alderman Moses they gave their names as John Edwards and Henry Hartman, both of this city. The charges were drunkenness, fast driving, and abuse of horse The fine imposed was \$5 each, which was paid.

Their arrest was the result of considerable indiscretion on their part. The two drove down Main avenue at a great clip, and seemed to enjoy the hilariously. Just below the corner of Main avenue and Jackson street the horse slipped and fell. The occupants of the cutter were pitched out. The two young men were too much intoxicated to handle themselves and the horse was almost used up, being too tired to get onto its feet.

Patrolmen Marker, Matthews and Evans, who had just reported got the horse up and took care of the outfit and the hilarious sleighers. The outfit was rented from Frederick von Storch of Oakford court, and he appeared against the young men.

A Remarkable Number of Cures Made

by the Pyramid Pile Cure. About one person in every four suffers from some form of rectal disease. The most common and annoying is itching piles, indicated by warmth, slight moisture and intense, uncontrollable itching in the parts affected. The usual treatment has been some simple ointment or salve which some-

times give temporary relief, but noth-

ing like a permanent cure can be expected from such superficial treatment. The only permanent cure for itching piles yet discovered is the Pyramid Pile Cure, not only for itching piles, but for every other form of piles, blind, bleeding or protruding. The first application gives instant relief and the continued use for a short time causes a permanent removal of the tumors or the small parasites which cause the intense itching and discomfort of itch-

ing piles. Many physicians for a long time supposed that the remarkable relief af-forded by the Pyramid Pile Cure was ecause it was supposed to contain cocaine, opium or similar drugs, but such is not the case. A recent careful

jurious drugs whatever. For this reason the Pyramid Pile Cure is probably the only pile cure extensively recommended by physicians, because it is so safe, so prompt in the relief afforded and so far as known the only positive cure for piles except a surgical operation.

In one year the Pyramid Pile Cure has become the best known, the safest and the most extensively sold of any pile cure before the public. Nearly all druggists now sell it at 50

ents and \$1 per package. Address the Pyramid Co., Marshall, Mich., for book on cause and cure of ials from all parts of the United States. If suffering from any form of piles ask your druggist for a package of Pyramid Pile Cure and try it tonight.

WHERE IS MRS. FINESSE?

She Left Her Home Saturday With Money and Bank Notes.

Eizabeth, N. J., Jan. 5.—Mrs. Annie Finesse has been missing from her home in Marshall street, near Sixth street, since Saturday night. She is about 50 years of age, and when she left home she wore, it is supposed, a thin house wrap-

per and had only a thin shawl to cover her head. She took with her about \$175 in cash and five bank books which

showed a total balance of \$5,000.

The money is deposited in New York banks in Mrs. Finesse's name. It is said that Mrs. Finesse had been acting queerly for some time, and that Saturday even-ing she fell and received a blow on the head that stunned her. She went to bed as soon as she recovered from the effects of the fall, and no one has seen her since. On Sunday morning it was discovered that she was missing from her room, and that her valuables also were gone. Friends believe the woman wandered away from home during a fit . !
