It creeps upon him by degrees, and at every step warns him with a new danger signal. When a man feels "out of sorts" or "knocked out," or whatever he may call it, he is a sick man. It is time to take warn-ing. Headaches, dr weiness, loss of sleep at night, loss of appetite, nervousness, had taste in the mouth in the morning, and frightful dreams-all these are warnings of encroaching illness. Dr. Pierce's Golden Medical Discovery creates appetite, cures dyspepsia, stimulates the liver, purifies the blood, quickens the circulation and tones the nerves. It makes rich, red, tissue-building blood. It builds firm flesh, but does not make corpulent people more cor-pulent. Unlike cod liver oil, it does not make flabby flesh.
