PECKVILLE.
On Monday afternoon the remains of Mr. Thomas Griffiths, 71 years of age, who had been for twenty-eight years and until within a week of his death an under-manager of the Coedee steam coal collieries, Hafod, the property of the Lewis-Merthyr company, were interred at the Lledr-ddu cemetery, near North. The cortege included, twelve mourning coaches and eight other vehicles, numerous colliery officials and a large number of miners, the procession extending for about three-quarters of a mile. Amongst those present were Mr. W. T. Rees, Maesyffnon, Aberdare; Mr. Bertie Lewis, the Merthyr colliery, Aberdare; Mr. James shipping agent at the Cardiff docks, representing the company; Mr. Thomas Griffiths, J. P., chairman of the Rhondda district council and head manager of the Cymer collieries; and aged mother (Mrs. Griffiths, of Gr. Garm, Pen-coed, sister of the deceased gentleman); Mr. Richards, manager; Mr. Henry Abraham, manager at the Coedee collieries; Ald. Dr. Henry Naunton Davies, J. P., etc. A beautiful wreath was sent by the company. The choir of the Salem Welsh Baptist chapel, of which the deceased had been a faithful member for forty years, sang Welsh hymns on the way from the residence to the cemetery. At the house the Rev. Mr. Williams (pastor of Nello Baptist chapel, Ystrad-Rhondda), officiated; and at the grave-side by the Rev. Benjamin Davies, North (formerly pastor of Salem chapel), and the Rev. J. Davies (the present pastor). The deceased gentleman was the oldest colliery official in the Rhondda valleys.

CARBONDALE.

DELIGHTFUL CONCERT.

John T. Watkins and Miss Lydia Sailer Well Received in this City.
The concert given in the First Methodist church last evening by the choir under the direction of Professor W. D. Evans, assisted by John T. Watkins and Miss Lydia Sailer, was a delightful affair. The auditorium was well filled with a sympathetic audience, and the pecuniary returns exceeded the expectations of the most sanguine. The concert opened with an anthem, "By the Rivers of Babylon," in which the choir made a favorable impression, which it sustained throughout. "Forest and Birds," by Mesdames Moon and Scourry, was very pretty. Their regular delivery, and they were heartily applauded.

Miss Sailer was persistently encoered after the rendition of her opening selection, Hawley's "Gay Gitana," but she failed to respond, save with a bow.
All were on the qui vive to hear Mr. Watkins, who has had a season in London, preparing for grand opera. He sang "Pina," by Stephen Adams, with much feeling, and was called back. Mr. Watkins' art was most apparent in "Blow, Blow, the Winter Wind." Notwithstanding the fact that the heat of the church was oppressive he made his auditors shiver on the second "blow." Mr. Watkins has gained range, rich and artistic finish since last heard in this city. He produces immense volume of tone on "f" in the bass, and remarkable clearness in the treble staff. His dramatic punctuation adds charm to his work.
Mr. Evans, solo work was up to his high standard, and in the duet with Mr. Watkins he was heard to excellent advantage. They sang "The Two Sallors," and elicited prolonged applause. They responded with a lighter selection. Any opportunity to hear the voices of these two artists, who with the price of an ordinary concert, they balance and harmonize perfectly.
Mr. Watkins and Miss Sailer were obliged to repeat their duet. In this number Miss Sailer's voice was especially pleasing. Her confidence and accuracy evince careful training. She will be welcomed on a return visit.
The concert closed with a gloria from twelfth mass by Mozart. Ensemble singing was faultless and reflects much credit on Director Evans.
Professor A. P. Thomas and Miss Rose Strickland were accompanists.

CITY'S VALUATION.

Assessors Find Carbondalian's Property Worth About \$3,000,000.
Some dissatisfaction has been expressed concerning the assessors' work of increasing the property valuation of this city. They have just completed the triennial assessment and in view of the fact that the figures fixed must stand three years, the more conservative heads think it is all right. The change has not been so material, as the appended table, giving the assessed valuation by wards, will show:

First ward	1508	1997
Second ward	\$ 876,218	\$ 841,127
Third ward	251,725	59,881
Fourth ward	516,756	47,968
Fifth ward	234,582	277,237
Sixth ward	226,497	399,949
	\$2,851,735	\$2,657,739

BANK ELECTS OFFICERS.

The directors of the First National bank met yesterday afternoon and elected officers as follows: J. E. Watt, president; Edward Clarkson, James Stott, vice presidents; R. A. Jadin, cashier. It was not announced who will be teller. It has been stated that W. E. Watt was slated for the place, but later rumor has it that Mr. Bronson, who has been chief bookkeeper, will get the position.

PURELY PERSONAL.

Captain Alex. Ives, of Susquehanna, has returned home, after a visit in this city.
Miss Mary Holmes, of Simpson, is entertaining Miss Jennie White, of Providence.
Miss Katie McCann, of Scranton, is the guest of her cousin, Miss Annie Hart, of Cottage street.
Leroy Bunnell has accepted a situation as draughtsman and typewriter

One of a healthy woman's principal charms is her vivacity of character. She is full of life, she walks with springy steps with which she walks. The woman who suffers from weakness and disease of the distinctly feminine organism, who is troubled with back-ache, stiffness in the sides, dragging down or burning sensations, sick headaches and the multitude of other ailments that accompany these disorders, cannot have the dainty, bounding carriage of a healthy woman. She will show in every movement that she is a sufferer.

There is a wonderful medicine for troubles of this description, that has stood the test for thirty years and has been used successfully by thousands of women. It is Dr. Pierce's Favorite Prescription. It acts directly on the delicate and important organs concerned and makes them strong, healthy and vigorous. It allays inflammation, heals ulceration and soothes pain. It tones and builds up the nerves. It is the discovery of Dr. R. V. Pierce, an eminent and skillful physician, for thirty years chief consulting physician to the "Invalids' Hotel" and Surgical Institute, at Buffalo, N. Y. This is one of the greatest medical institutions in the world. During the thirty years that Dr. Pierce has been at its head he has gained the unbounded respect of his fellow citizens at Buffalo, and they showed it by making him their representative in the National Congress, from which position he resigned to give the remainder of his life to the practice of his chosen profession. He will cheerfully answer, free of charge, any letters written to him by suffering women. Address, as above.
"A few years ago," writes Mrs. W. R. Bates, of Ellsworth, Me., "I took Dr. Pierce's Favorite Prescription, which had been recommended to me. I am in excellent health now. I hope the very best of women who suffer with women's ills, will try the 'Prescription' and be benefited as I have been."

COMMON SENSE CURE

PYRAMID PILE CURE CURES PILES PERMANENTLY BY CURING THE CAUSE.

Remarkable Remedy Which is Bringing Comfort to Thousands of Sufferers.

Probably half the people who see this article suffer from piles. It is one of the commonest diseases and one of the most obstinate. People have it for years and just because it is not immediately fatal they neglect it. Carelessness about so simple a thing as piles has often caused death. Hemorrhages occur during surgical treatment, often causing death.

Piles are simple in the beginning and easily cured. They can be cured even in the worst stages, without pain or loss of blood, quickly, surely and completely. There is only one remedy that will do it—Pyramid Pile Cure. It allays the inflammation immediately, heals the irritated surface and with continued treatment reduces the swelling and puts the membranes into good, sound, healthy condition. The cure is thorough and permanent. Here is a voluntary and unsolicited testimonial we have lately received: Mrs. M. C. Hinkley, 601 Mississippi St., Indianapolis, Ind., says: "Have been suffering from the pain and annoyance of Piles for fifteen years, the Pyramid Pile Cure and Pyramid Pills gave me immediate relief and in a short time a complete cure. Druggists sell Pyramid Pile Cure or will get it for you for you asked them. It is put in 25 cent per package and is put up only by the Pyramid Drug Co., Marshall, Mich."

TAYLOR NEWS.

A Farewell Reception Tendered. The Town a State of Excitement. Personal News.

A very pretty gathering of children assembled at the home of Master Russell O'Horo, of Main street, Tuesday evening. The occasion was a farewell reception given by his friends previous to his departure for the Girard college, Philadelphia. For several hours the little ones owned the house and ranged and played to their heart's content. Mrs. O'Horo, assisted by a few friends did everything in their power to aid the children in their enjoyment. Refreshments were served by Mrs. O'Horo and the little ones went home happy. Those present were: Misses Maud Davis, Henrietta Harris, Leah and Maud Evans, Leslie Davis, Ethel Reese, Lenor Howells, Ethel O'Horo, Maggie Davis, Adia Davis, Maggie and Lizzie Marsh, Mariah Harris, Blanche Davis, Margaret Davis, Sarah Griffiths, Sarah Jones, Flossie Reese, Ida and Flora Berger, Annie and Mary Shea, Margaret and Maud Basham, Mariah and Edwin Jones and Alice O'Horo, and Masters Chester Reese, Ezra and John Powell, Spencer and Lester Reese, Patrick and Willie Lally, Willie and Thomas Thomas, Benjamin Harry Harris, Arthur Hoskins, Willie Jones, Artie Davis, Millie P. John S. Knight, of Philadelphia, was here on business yesterday.

The festival which was held at the First Congregational church of North Taylor on Tuesday and Wednesday evening under the auspices of the Ladies' Aid society was a grand success, both socially and financially. The lady members have been highly complimented for its success for the way they served refreshments.

Mrs. John Angar, of Bellevue, was the guest of her sister, Mrs. Frank Cooper in this place yesterday.

Taylor castle, No. 287, Knights of the Golden Eagle, will hold a smoker this evening in their rooms in Reese's hall. This order is booming in membership and is becoming the banner lodge of the town.

A musical programme has been prepared for the occasion. Every member is urgently requested to be present.

Quite an excitement occurred along Main street yesterday when a man and woman who claimed that they came from Wilkes-Barre, were begging from door to door, telling many old stories in regard to their wants. As the couple came in front of H. J. Daniels & Co. the husband, who was evidently intoxicated, became angry at his wife's refusal to give him money. He began to abuse her in a shameful manner until some nearby person interfered when he made good his escape. The woman also disappeared.

ARCHBALD.

A fire broke out in the dwelling owned by John Sweeney and occupied by Geo. Lindeman on North Main street at 6 o'clock last evening. An alarm was given and in a few minutes the hose company responded and had a stream of water on the blaze. The fire was put out in a short time and but little damage was done. The fire was due to a defective fuse.

Miss Laura McHale, of Laurel street, left yesterday for Paterson, N. J., where she will enter St. Joseph's hospital to become a nurse. Miss McHale is a bright and careful young lady and she will without doubt be successful in the profession she has chosen.

Of the 312 cases of the February trial list there are only two from Archbald and these are cases in which residents of the Ridge are concerned. This is the best possible testimony to the peaceful character of our people. Incidentally it reflects credit on our peace officer who dispense such equal and exact justice to the afflicted parties. John Williams, who died on Tuesday morning. He had been sick for twenty months and his death was due to Bright's disease. He was up and about the house until Thursday last, about which time until his death he suffered considerable pain. The deceased was 58 years of age and was bright and intelligent beyond his years. He was the idol of the household in which he moved and his presence will be sorely missed by the afflicted parents. His funeral takes place at 2 o'clock this afternoon. Services will be held in the Lutheran church and interment will be made in the Protestant cemetery. It is expected that the Junior Christian Endeavor, of which the deceased was a member, will attend the funeral in a body.
