

COUNCILS RECEIVE ESTIMATES FOR 1897

They Exceed the Estimated Revenue by \$72,993.13.

AVAILABLE REVENUE OF \$295,100

Estimates and City Controller's Statement Referred to the Estimates Committee for Printing and Revision -- Biggest Increase is Asked for the Street Department.

The estimated expenditures of the various city departments for the next fiscal year beginning the first Monday in April were received in select council last night, with the estimate of City Controller E. J. Robinson of the city's revenue during that period.

The estimated revenue is \$285,100, or \$10,000 more than last year, and the estimated expenditures are \$358,093.31, a difference of \$72,993.31 which the estimates committee will have to get rid of before an appropriation ordinance is reported to council.

There are only three departments which do not ask for an increase, the city solicitor's, the city clerk's and the building inspector's departments.

CONTROLLER'S ESTIMATE.

City Controller Robinson's estimate of revenue was as follows: I estimate that the revenues for the fiscal year beginning April 1, 1898, which can be used for general city purposes, will be as follows:
