KINDLING WOOD FACTORY. The establishing of a kindling wood actory in this city, as mentioned in The Tribunc recently, is an assured fact. The muchinery necessary for the business is now being put in position in the old Scranton Lathe shop on Dickson avenue. It is the intention of the promoters of the new enterprise to sell their wood to consumers by the barrel, delivered at their door. Order about his size. Klatt said he could not books will be placed at convenient ee the woman clearly enough to idenpoints in different localities where ortify her, either personally or by photoders may be left. Seasoned hard wood graph. will be used in the manufacture. The

business was made possible by the board of trade whose officials believe he enterprise will be a successful one It is intended at the opening of the ensor to add a carpet cleaning department to the venture. The firm is to be known as the Keystone Kindling Wood and Carpet Cleaning company. Secretary Atherton, of the board of trade, has received a letter from John A. Morgan, of E. F. Ailen & Co., of New York city, sales agents of the Yankee handle bars for bicycles saying that the writer would be in Scranton toon. The object of his visit will be to

arrange for a possible consolidation of the advertising and sale of the handle bars with the Hubbell electric lamp, Before Captain Hubbell, presi-

dent of the lamp company, left for England, Mr. Morgan was in this city several days and made a thorough inspection of the lamp and its temporary place of manufacture on Capouse ave-nue. The consolidation plan was discussed at that time but with no defiter and officially it is given out that the junta had no connection with the Hubbell and E. P. Bucklow, a director of the lamp company, sailed for Lon-

with don, Mr. Morgan conferred with them in New York city. He is now coming to Scranton to continue his negotiastated that the cause of the sinking of the steamer was due to her pumps secretary of the lamp company.
