DESERTED HER MOTHER.

Troubles of the Masous Who Have

Friends Here. In addition to the numerous admirers of their artistic ability, Marion Manola and Jack Mason have several personal friends in this city, who will be pained to learn that professional and domestic misfortune has overtaken them at Savannah, Ga. They will be remembered by most local readers as the stars of the company that gave two charming presentations of "Friend Fritz," at the Grand Opera house, Christmas. Her daughter, Adelaide, a girl of eighteen, will be recollected as the serving maid of the play. Her rare beauty and perfect figure excited much

However, the fair Adelaide deserted Manager Askin and wife. She left the following note:

Dear Mother-Forgive me for what I have done. Don't think that it is selfishness or that I don't love you. for I love you with all my heart. It is best that I go with Mr. and Mrs. Asanother engagement. Take care or yourself until I am with you again. I Forgive. Your Haby.

this connection the New York Herald says: "Mr. Atkin was the manager of the company, and it is said that he filled the girl's head with the idea that if she cut loose from her mother he would make a great actress of her. Hence, save Mrs. Mason, her flight. Just to add to the general commotion, Mr. Mason had a fight with his leading man, Sol Aiken, on Saturday, and as a result does not look as picturesque as usual." Mrs. Mason is confined to her bed by

an affliction which she was suffering when in this city. Her first husband was a wealthy man, Harry S. Mould, of Pittsburg. It is to him that the daughter says she is going. Miss Mould was recently reported to be engaged to Charles Dana Burrows, of Portland, Me., a nephew of Speaker Reed.

SUCCESSFUL COURSE CLOSED.

Pleasing Entertainment Given by New Century Cinb.

The course of entertainments given under the management of the New Century club closed Wednesday evening with Lavett's Boston Stars, who gave general satisfaction. As a whole the course has proved meritorious. The entertainments of it, together with those given by the Cycle club-among which are the Welsh Prize singers Wendling and the Mozart Symphony club-have supplied Carbondale with the opportunity of hearing some the best talent to be had.

The support given these has proved that there is not much pecuniary profit to organizations entering into the work, and at the same time it shows that a good course may be given annually without loss to the projectors. The Cycle club has already signified its intention of providing a course for next season, and if its efforts of the past may be taken as a criterion, it will be the best course the city has ever had. Good attractions are being listed, and in taking time by the forelock the wheelmen have done well.

THAT BOARD OF TRADE REVIVAL.

Reason Why It Should Come Very Soon.

Aided by an article in yesterday's Tribune, outlining a plan for the organization of a body to be known as the Associated Boards of Trade of A handsome protrait of ex-President Lackawanna and Luzerne counties, the Leader summoned sufficient temerity to suggest a revival of the local board of trade, contrary to the wishes of certain "powers that be."
Well, the revival must come. An or-

ganization such as that proposed by Scranton would not be complete with-out Carbondale in it, and furthermore Carbondale cannot afford to remain out

Articles in The Tribune have stirred up some interest in this matter and a little more agitation will overcome the obstacles that have, for months, stood in the way.

TAYLOR NEWS.

The Social Event of the Season -- Per-

sonal and Other Matters. The first annual banquet of the Tayor board of trade, which was held in its rooms in the Price Library hall, on Wednesday, was one of the grandest social events ever held in this borough. Almost the entire membership was present, and as each member was alowed to bring but one male friend, the hall was comfortably filled. The whole scene was both charming and impressive, and the happy, smiling faces of the members and their friends made a picture of beauty and happiness to be remembered. The board of trade is deserving of credit in bringing about such an affair as was conducted on Wednesday evening. Our board of trade is made of good material, and of the finest quality. At 9.15 o'clock, af-ter all were seated, Frederick Martin pie's society of the church. An evenand his staff of waiters served the following repast: Board of Trade bus- all who attend. After everybody had enjoyed the excellent repast, Chairman John F. Taylor called the gathering to order, introduced Toastmaster P. Mulherin. The toastmaster in a felicitous manner delivered a few happy remarks. An addresses was then delivered by Rev. J. M. Lloyd in an excellent manner, Rev. Dr. H. H.
